LITHIUM ENERGY PRODUCTS INC.
MANAGEMENT INFORMATION CIRCULAR
SOLICITATION OF PROXIES

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management of Lithium Energy Products Inc. (the “**Corporation**”) for use at the annual and special meeting (the “**Meeting**”) of holders (collectively, the “**Shareholders**” or individually, a “**Shareholder**”) of common shares in the capital of the Corporation (“**Common Shares**”) to be held at the time and place and for the purposes set forth in the attached Notice of Annual and Special Meeting of Shareholders (the “**Notice**”). The solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by regular employees of the Corporation. The cost of solicitation will be borne by the Corporation.

Except as noted below, the Corporation has distributed or made available for distribution, copies of the Notice, the Circular and form of proxy or voting instruction form (if applicable) (the “**Meeting Materials**”) to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Such Intermediaries are required to forward such documents to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Corporation has elected to pay for the delivery of the Meeting Materials to objecting Beneficial Shareholders by the Intermediaries. The Corporation is sending proxy-related materials directly to non-objecting Beneficial Shareholders, through the services of its transfer agent and registrar, CST Trust Company. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Corporation if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Corporation will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the Meeting Materials. The Corporation is not relying on the notice-and-access provisions of securities laws for delivery of the Meeting Materials to registered Shareholders or Beneficial Shareholders.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for such Shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy.** Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation’s transfer agent and registrar, TSX Trust Company by mail or hand at 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, by fax at 1-416-595-9593, not later than 9:00 AM on Monday, July 24, 2017 or delivering it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy must be executed by the registered Shareholder or his or her attorney duly

authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by Shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - (i) at the registered office, 409 Granville Street, Suite 1001, Vancouver, British Columbia, V6C 1T2 at any time up to and including Tuesday, July 25, 2017; or
 - (ii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of the matters set out in the Notice. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

ADVICE TO BENEFICIAL SHAREHOLDERS

Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares, or non-objecting beneficial owners whose names has been provided to the Corporation's registrar and transfer agent, can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (referred to in this section as "**Beneficial Shareholders**"). If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a

depository for many Canadian Intermediaries. Common Shares held by Intermediaries or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Corporation to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instruction forms or proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or voting instruction form from Broadridge cannot use that proxy to vote Common Shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the management form of proxy or voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. **Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.**

All references to shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

NOTE TO NON-OBJECTING BENEFICIAL OWNERS

The Meeting Materials are being sent to both registered and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Corporation or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Meeting Materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation has fixed the close of business on Monday, June 19, 2017 as the record date (the “**Record Date**”) for the purposes of determining Shareholders entitled to receive the Notice and vote at the Meeting. As at the Record Date, 168,377,875 Common Shares carrying the right to one vote per share at the Meeting were issued and outstanding. The Corporation has no other class of voting securities.

To the knowledge of the directors and executive officers of the Corporation, as at the date of this Circular, the persons who beneficially own, or control or direct, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to the Common Shares are as follows:

Name	Number of Common Shares Owned (Percentage of Class and Type of Ownership)	
	Common Shares ⁽¹⁾	Percentage of Voting Rights
OMC Investments Limited	19,048,000	11.31%
Hugh Business Enterprise Ltd.	25,900,000	15.38%

(1) The shareholdings are based on information available on public record.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Corporation has a compensation committee (the “**Compensation Committee**”), which committee has been delegated the task of reviewing the performance of the Corporation’s management and advisors from time to time, and recommending compensation awards or adjustments. The ultimate decision on these issues rests with the Board, taking into consideration the Compensation Committee’s recommendations, corporate and individual performance, and industry standards. The experience of Board and committee members who are also involved as management of, or Board members or advisors to, other companies also informs decisions concerning compensation; however no formal objectives, criteria or analysis are used.

The general objectives of the Corporation’s compensation strategy are to: (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management’s interests with the long-term interests of shareholders; and (c) attract and retain highly qualified executive officers.

Elements of Compensation

Base Salary

Each Named Executive Officer (as such term is defined below) receives a base salary, which constitutes a significant portion of the Named Executive Officer's compensation package. Base salary is recognition for discharging day to day duties and responsibilities and reflects the Named Executive Officer's performance over time, as well as that individual's particular experience and qualifications. A Named Executive Officer's base salary is reviewed by the board of directors of the Corporation (the "**Board**") on an annual basis and may be adjusted to take into account performance contributions for the year and to reflect sustained performance contributions over a number of years.

Stock Options

The Corporation's directors, officers, employees and consultants, if any, are eligible under the Corporation's stock option plan (the "**Plan**") to receive grants of stock options. The Plan is an important part of the Corporation's long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of the stock option grants to officers and directors is dependent on each officer's and director's level of responsibility, authority and importance to the Corporation and to the degree to which such officer's or director's long term contribution to the Corporation will be key to its long term success.

The Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Plan aligns the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Corporation.

Options are granted by the Board of the Corporation. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the Named Executive Officers. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board will make these determinations subject to and in accordance with the provisions of the Plan.

Compensation of Directors

Non-Executive Directors receive compensation in the amount of \$250 per Board or Compensation or Audit Committee Meeting. Both Executive and Non-Executive Directors are eligible to receive grants of stock options under the Plan.

Named Executive Officers who also act as directors of the Corporation will not receive any additional compensation for services rendered in such capacity, other than as paid by the Corporation to such Named Executive Officers in their capacity as executive officers.

Compensation Risk

The Board considers and assesses the implications of risks associated with the Corporation's compensation policies and practices and devotes such time and resources as is believed to be necessary in the circumstances. The Corporation's practice of compensating its officers primarily through a mix of salary and stock options is designed to mitigate risk by: (i) ensuring that the Corporation retains such officers; and (ii) aligning the interests of its officers with the short-term and long-term objectives of the Corporation and its shareholders. As at the date of this Circular, the Board had not identified risks arising from the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

Financial Instruments

The Named Executive Officers and directors are prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities of the Corporation granted as compensation or held, directly or indirectly, by a Named Executive Officer or director.

Compensation Governance

The Compensation Committee has the responsibility for determining compensation for the Board and the Named Executive Officers. The members of the Compensation Committee are Alberto Hassan, Paul Sarjeant and Annie Storey each of whom is independent as such term is defined in National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”).

The Compensation Committee meets on compensation matters as and when required with respect to executive compensation. The primary goal of the meetings of the Compensation Committee as they relate to compensation matters is to ensure that the compensation provided to the Named Executive Officers is determined with regard to the Corporation's business strategies and objectives, such that the financial interest of the executive officers is aligned with the financial interest of shareholders, and to ensure that their compensation is fair and reasonable and sufficient to attract and retain qualified and experienced executives. The Compensation Committee is given the authority to engage and compensate any outside advisor that the Compensation Committee determines to be necessary to carry out their duties.

To determine compensation payable, the Compensation Committee reviews compensation paid for directors and Chief Executive Officers of companies of similar size and stage of development in the Corporation's industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. In setting the compensation, the Compensation Committee annually reviews the performance of the Chief Executive Officer in light of the Corporation's objectives and consider other factors that may have impacted the success of the Corporation in achieving its objectives.

As a whole, the Compensation Committee has direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Compensation Committee in making informed decisions on the suitability of the Corporation’s compensation policies and practices. Each of the members of the Compensation Committee has experience on the board of directors and related committees of other public companies, as described under “Particulars of Matters to be Acted Upon - Election of Directors” in this Circular.

Executive Compensation-Related Fees

In the financial years ending September 30, 2016 and 2015, neither the Board nor the Compensation Committee retained a compensation consultant or advisor to assist the Board or the Compensation Committee in determining the compensation for any of the Corporation’s executive officers’ or directors’ compensation.

As at the date of this Circular, no individual who is an executive officer, director, employee or former executive officer, director or employee of the Corporation or any of its subsidiaries is indebted to the Corporation or any of its subsidiaries pursuant to the purchase of securities or otherwise.

No individual who is, or at any time during the financial year ended September 30, 2016 was, a director or executive officer of the Corporation, a proposed management nominee for election as a director of the Corporation, or an associate of any such director, executive officer or proposed nominee, was indebted to the Corporation or any of its subsidiaries during the financial year ended September 30, 2016 or as at the date of this Circular in connection with security purchase programs or other programs.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No “informed person” (as such term is defined in NI 51-102) or proposed nominee for election as a director of the Corporation or any associate or affiliate of the foregoing has any material interest, direct or indirect, in any transaction in which the Corporation has participated since the commencement of the Corporation’s most recently completed financial year or in any proposed transaction which has materially affected or could materially affect the Corporation.

REPORT ON CORPORATE GOVERNANCE

National Policy 58-201 – *Corporate Governance Guidelines* has set out a series of guidelines for effective corporate governance. The guidelines address matters such as the constitution and independence of corporate boards, the function to be performed by boards and their committees and the effectiveness of their board members. National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI-58-101**”) requires the disclosure by each reporting issuer of its approach to corporate governance with reference to the guidelines, as it is recognized that the unique characteristics of individual corporations will result in varying degrees of compliance.

The Board of Directors

The Board is responsible for overseeing the management of the Corporation and the conduct of the Corporation’s affairs generally.

NI 58-101 defines an “independent director” as a director who has no direct or indirect material relationship with the Corporation. A “material relationship” is defined as a relationship which, in the view of the Board, could be reasonably expected to interfere with such member's independent judgment.

The Board is currently composed of six directors. The three independent directors are Alberto Hassan, Annie Storey and Paul Sarjeant. Basil Botha is considered to be non-independent by virtue of his role as the President and Executive Chairman of the Corporation. Changxian Li and Huaiguo Shen are considered to be non-independent as they act as the nominees of OMC Investments Limited and Hugh Business Enterprise Ltd.

Directorships

Certain directors of the Corporation are also directors of other reporting issuers (or equivalent) in a Canadian jurisdiction or a foreign jurisdiction. The following is a list of those other directorships:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)
Basil Botha	Latin American Minerals Inc. (TSX Venture Exchange) Firesteel Resources Inc. (TSX Venture Exchange)
Paul Sarjeant	Firesteel Resources Inc. (TSX Venture Exchange) Golden Harp Resources Inc. (TSX Venture Exchange) Global Energy Metals Corporation. (TSX Venture Exchange)
Alberto Hassan	International Iron Metallics Association, Ltd. (UK)
Annie Storey	Bell Copper Corporation (TSX Venture Exchange) Worldwide Marijuana Inc. (Canadian Securities Exchange)
Changxian Li	None
Huaiguo Shen	None

Orientation and Continuing Education

The Corporation does not provide formal continuing education to its directors. The Board's continuing education is typically derived from correspondence with the Corporation's solicitors, auditors and other advisers to remain up to date in relevant corporate and securities' law matters. In addition, historically, Board members have been nominated who are familiar with the Corporation and the nature of its business.

Ethical Business Conduct

The role of the Board is to oversee the conduct of the Corporation's business, to set corporate policy and to supervise management, which is responsible to the Board for the day-to-day

conduct of business. However, given the size of the Corporation, all material transactions are addressed at Board level.

The Board discharges six specific responsibilities as part of its overall stewardship responsibility.

These are:

- **Strategic Planning Process:** Given the Corporation's size, the strategic plan is elaborated directly by management, with input from, and the assistance of, the Board.
- **Managing Risk:** The Board directly oversees most aspects of the business of the Corporation and thus does not require the elaboration of systems or the creation of committees to effectively monitor and manage the principal risks of all aspects of the business of the Corporation.
- **Appointing, Training and Monitoring Senior Management:** No formal system of selection, training and assessment of management has been established; however, the Board monitors management's performance, which is measured against the overall strategic plan, through reports and regular meetings with management.
- **Communication Policy:** It is and always has been the unwritten policy of the Board to communicate effectively with its shareholders, other stakeholders and the public generally through statutory filings and mailings, as well as news releases. The Corporation's shareholders are provided the opportunity to make comments to the Board by telephone or written communications, or at shareholder meetings. In addition, in May of 2011, the Board adopted a disclosure policy with the objective of ensuring that communications to the investing public about the Corporation are in compliance with all applicable regulatory requirements, are timely, factual and accurate, and are broadly disseminated in accordance with all applicable legal and regulatory requirements. The policy provides guidance on the disclosure of material information, a process for the review of Corporation documents, confidentiality requirements, and other requirements concerning press releases, designation of spokespersons, and other communication with third parties. Information relating to the Corporation is filed on the System for Electronic Data Analysis and Retrieval (“**SEDAR**”) and can be accessed on the internet at www.sedar.com, as well as on the Corporation's website at www.lithiumenergyproducts.com
- **Insider Trading Policy:** The Corporation's insider trading policy regulates trading in the Corporation's securities by directors, officer, employees, and certain third party contractors. The policy also imposes restrictions in the disclosure and use of material non-public information concerning the Corporation.
- **Ensuring the Integrity of the Corporation's Internal Control and Management System:** The Corporation has adopted a number of policies to assist the Board in effectively tracking and monitoring the implementation and operation of approved strategies. Such policies include a whistle-blower and complaints policy describing how to submit complaints, who manages the complaints, and how confidentiality is maintained.

Nomination of Directors

The Board performs most of the function of a nominating committee with respect to the appointment and assessment of directors. The Board believes that this is a practical approach at this stage of the Corporation's development and given the small size of the Board.

While there are no specific criteria for Board membership, the Corporation attempts to attract and maintain directors with business knowledge and a particular knowledge of mineral exploration and development or other areas such as finance which would assist in guiding the Corporation's officers in the performance of their roles.

Compensation

A Compensation Committee of the Board was established in September of 2011. This committee is currently composed of Annie Storey, Alberto Hassan and Paul Sarjeant, each of whom is independent in accordance with National Instrument 52-110 - *Audit Committees* ("NI 52-110"). The mandate of this committee is to establish appropriate levels of compensation for the directors, officers, contractors and consultants of the Corporation.

Non-Executive Directors receive compensation in the amount of \$250 per Board or Compensation or Audit Committee Meeting. They are eligible to receive grants of stock options under the Plan.

Compensation to Executive Officers of the Corporation who also act as directors of the Corporation is disclosed under "Executive Compensation" above.

Assessments

The Board assesses, on an annual basis, the contribution of the Board as a whole and of each of the individual directors, in order to determine whether each is functioning effectively.

AUDIT COMMITTEE

The Audit Committee's primary purpose is to assist the Board in fulfilling its oversight responsibilities for the financial reporting process, the system of internal control over financial reporting and accounting compliance, the audit process and processes for identifying, evaluating and monitoring the management of the Corporation's principal risks impacting financial reporting. The committee also assists the Board with the oversight of financial strategies and overall risk management.

The Audit Committee is composed of Paul Sarjeant, Alberto Hassan and Annie Storey, each of whom is a director of the Corporation. In accordance with Exchange Policy 3.1, the majority of the Audit Committee are not employees, Control Persons (as defined by the rules and policies of the Exchange) or officers of the Corporation.

All members of the Audit Committee are “independent” as such term is defined in NI 52-110. All members of the Audit Committee are “financially literate” as such term is defined in NI 52-110. A copy of the charter of the Audit Committee (the “**Audit Committee Charter**”) is attached as Schedule “A” to this Circular.

Relevant Education and Experience

All of the current members of the Audit Committee have the education and/or practical experience required to understand and evaluate financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation’s financial statements.

Corporate Cease Trade Orders

The shares of G4G Capital Corp. formally G4G Resources Ltd. were halted from trading on the TSX Venture Exchange due to a failure of filing the company's annual audited financial statements and related Management Discussion and Analysis in 2013 and as requested by the TSX Venture Exchange for the company to provide an NI 43-101 compliant technical report on a mineral property of the company in 2014. At that time, Mr. Botha was the President and Chief Executive Officer and Mr. Paul Sarjeant was a director of G4G Capital Corp.

Except as disclosed above, to the knowledge of the Corporation, no proposed director is, as at the date of this Circular, or has been, within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under applicable securities legislation, and which in all cases was in effect for a period of more than 30 consecutive days (an "**Order**"), which Order was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer of such company; or

Mr. Botha's counsel and the BCSC have entered into a settlement agreement, pursuant to which Mr. Botha reimbursed the fees paid by members of the investment club and paid \$10,000 to the BCSC in respect of settlement of the matter. The settlement agreement provided that Mr. Botha will comply fully with the *Securities Act* (British Columbia), the Securities Rules, BC Reg. 194/97, and any applicable regulations and Mr. Botha was prohibited from becoming or acting as an advisor for a period of three years from the date of the settlement agreement. 2. **Appointment of Auditor**

Management proposes to nominate MNP LLP, Chartered Professional Accountants, to hold office until the next annual meeting of Shareholders.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF MNP LLP, CHARTERED ACCOUNTANTS, AS AUDITOR OF THE CORPORATION AND THE AUTHORIZING OF THE DIRECTORS TO FIX ITS REMUNERATION. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPOINTMENT OF THE AUDITOR.

3. **Approval of Stock Option Plan**

Summary of Stock Option Plan

The policies of the Exchange provide that the Board may from time to time, in its discretion, and in accordance with the Exchange requirements, grant to directors, officers, employees, management company employees and consultants of the Corporation and its Affiliates, non-transferable options to purchase Common Shares for a period of up to ten years from the date of grant, provided that the number of Common Shares reserved for issuance may not exceed 10% of the total issued and outstanding Common Shares at the date of the grant.

The Corporation adopted the Plan on May 1, 2010. The Plan was amended by the Board on May 2, 2011 and approved by the Shareholders on May 29, 2012, August 8, 2013, April 24, 2014, April 10, 2015 and June 8, 2016. The amendments to the Plan in 2011 were made for the purpose of compliance with TSX Venture Exchange Policy 4.4 relating to stock option plans.

As of September 30, 2016, the number of Common Shares reserved for issuance under the plan was 3,025,000. The maximum number of Common Shares that may at any one time be reserved for issuance under the Plan is 10% of the number of Common Shares issued and outstanding at that time. As of September 30, 2016, the maximum number of Common Shares that could be reserved for issuance under the Plan was 13,837,787. At that date, the number of Common Shares that were reserved for future issuance under future options that may be, but have not been, issued under the Plan was 10,812,787. Any Common Shares subject to an option, which for any reason is cancelled or terminated without having been exercised, are again available to be granted under the Plan.

The persons eligible to receive stock options under the Plan are any director, officer, employee (full or part-time), consultant or management company employee of the Corporation or any affiliate of the Corporation designated by the directors under the Plan.

The Board currently administers the Plan, but administration may be delegated to a committee of the Board. The Board has the authority to determine, among other things, the persons to whom options are granted and the number of such options. At the time an option is granted, the Board also determines the exercise price of the option which, subject to a minimum price of \$0.05, shall be equal to the closing price of the Common Shares on such stock exchange or quotation system on which the Common Shares may be listed or quoted on the day immediately preceding the date of grant, and any vesting criteria or other restrictions with respect to the exercisability of the option. Options granted will vest immediately on being granted, unless the Board determines otherwise. Subject to any restrictions contained in the Plan, the Board may also impose such other terms and conditions, as it shall deem necessary or advisable at the time of grant.

The term of the options will be determined by the Board, but in any case must be no more than five years from the date of grant. Options are not transferable other than by testamentary will or the laws of descent and distribution. If an optionee ceases to be an eligible person, pursuant to the Plan, for any reason whatsoever, the option (to the extent that it has vested at the time of termination) is exercisable for a period of 90 days or until the option's expiration date, whichever is earlier, after which time the options will terminate and be of no further force and effect. If an

optionee dies, the legal representative of the optionee may exercise the option (to the extent that it has vested at the time of death) until the earlier of one year after the date of death and the option's expiration date.

The Plan provides that the maximum number of Common Shares which may be reserved for issuance to any participant pursuant to options may not exceed 5% of the Common Shares outstanding at the time of grant (on a non-diluted basis) less the aggregate number of Common Shares reserved for issuance to such person under any other option to purchase Common Shares under any other share compensation arrangement. Under the Plan, the maximum number of Common Shares that may be issued to any participant, or to any one insider and its associates, within a one-year period pursuant to option exercises may not exceed 5% of the outstanding issue.

The maximum number of Common Shares which may be reserved for issuance to all the insiders of the Corporation pursuant to share options is limited to 10% of the Common Shares outstanding at the time of the grant (on a non-diluted basis) less the aggregate number of Common Shares reserved for issuance to insiders under any other share compensation arrangement.

The Corporation will not provide any optionee with financial assistance in order to enable such optionee to exercise share options granted under the Plan.

Approval of the Stock Option Plan

As the Plan provides for a rolling maximum number of Common Shares which may be issuable upon the exercise of options granted under the Plan, Exchange Policy 4.4 requires that the Plan receive shareholder approval each year at the annual shareholders' meeting. Accordingly, Shareholders will be asked to consider and, if thought appropriate, pass a resolution approving the Plan. A copy of the Plan is attached as Schedule "B" to this Circular.

The Board has unanimously approved the Plan and recommends that Shareholders vote FOR the resolution regarding the Plan. An affirmative vote of a majority of the votes cast at the Meeting is sufficient to pass the resolution approving the resolution regarding the Plan.

The complete text of the resolution which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, is as follows:

"WHEREAS the policies of the TSX Venture Exchange require annual shareholder approval for the continuation of the rolling stock option plan of the Corporation (the "**Plan**");

RESOLVED THAT:

1. the Plan, in the form attached as Schedule "B" to the management information circular of the Corporation dated June 19, 2017, is hereby authorized and approved.
2. any one officer and director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and

documents and to perform and do all such acts and things as may be deemed advisable in such individual's discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination."

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE PLAN IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPROVAL OF THE PLAN.

4. PROPOSED SHARE CONSOLIDATION

Subject to TSXV approval, the Corporation proposes to consolidate the issued and outstanding Common Shares by a ratio to be determined by the Board of up to 20:1 (the "**Share Consolidation**") with any resulting fraction being rounded either up or down to the next highest or lowest number of the whole consolidated Common Shares, as the case may be. Accordingly, Shareholders will be asked at the Meeting to pass a special resolution authorizing the Share Consolidation.

The Board has unanimously approved the Share Consolidation and recommends that Shareholders vote FOR the Share Consolidation. To be effective, the special resolution approving the Share Consolidation must be approved by at least 66 2/3% of the votes cast in person or by proxy at the Meeting.

Notwithstanding the foregoing, as indicated in the text of the special resolution below, the Board may, in its sole discretion, determine that the Corporation not proceed with the Share Consolidation.

The complete text of the resolution which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, is as follows:

"RESOLVED AS A SPECIAL RESOLUTION THAT:

1. Subject to the acceptance by the TSX Venture Exchange, the Corporation is hereby authorized to consolidate the issued and outstanding common shares in the capital of the Corporation by a ratio to be determined by the directors of the Corporation of up to 20:1 (the "**Share Consolidation**"). Any resulting fractional shares shall be either rounded up or down to the nearest whole common share.
2. Notwithstanding that this resolution has been passed by the Shareholders, the directors of the Corporation are hereby authorized and empowered without further notice to, or approval of, the Shareholders, to determine not to proceed with the Share Consolidation at any time prior to the filing of the articles of amendment giving effect to the Share Consolidation. The directors of the Corporation may, at

their sole discretion, revoke this resolution before it is acted upon without further approval or authorization of the shareholders of the Corporation.

3. Upon articles of amendment having become effective in accordance with the *Business Corporations Act* (Ontario), the articles of the Corporation are amended accordingly.
4. Any one officer and director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual's discretion for the purpose of giving effect to this special resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination."

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE SHARE CONSOLIDATION IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM. AN AFFIRMATIVE VOTE OF AT LEAST 66 2/3% OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPROVAL OF THE SHARE CONSOLIDATION.
