INFORMATION CIRCULAR
JUNE 1, 2021

INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general and special meeting of shareholders (the “**Notice**”) of Ares Strategic Mining Inc. (the “**Corporation**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (each, a “**Common Share**”) of the Corporation in connection with the solicitation by the management of the Corporation of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the Shareholders to be at the Corporation office at 409 Granville Street, Suite 1001, Vancouver, BC, V6C 1T2 on Wednesday, July 7, 2021 at the hour of 10:00 AM, local time, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is June 1, 2021. Unless otherwise stated, all amounts herein are in Canadian dollars.

SOLICITATION OF PROXIES

This Circular is furnished in connection with the solicitation of proxies by the Corporation for use at the Meeting. The solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by regular employees of the Corporation. The cost of solicitation will be borne by the Corporation.

Except as noted below, the Corporation has distributed or made available for distribution, copies of the Notice, the Circular and form of proxy or voting instruction form (if applicable) (collectively, the “**Meeting Materials**”) to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Such Intermediaries are required to forward such documents to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Corporation has elected to pay for the delivery of the Meeting Materials to objecting Beneficial Shareholders by the Intermediaries. The Corporation is sending proxy-related materials directly to non-objecting Beneficial Shareholders, through the services of its transfer agent and registrar, TSX Trust Company. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Corporation if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Corporation will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the Meeting Materials. The Corporation is not relying on the notice-and-access provisions of securities laws for delivery of the Meeting Materials to registered Shareholders or Beneficial Shareholders.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for such Shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy.** Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation's transfer agent and registrar, TSX Trust Company by mail or hand at 100 Adelaide Street West, Suite 301, Toronto, Ontario, M5H 1S3, by fax at 1-416-595-9593, not later than 10:00 AM on Monday, July 5, 2021 or delivering it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy must be executed by the registered Shareholder or his or her attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by Shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - (i) at the registered office, Suite 1001, 409 Granville Street, Vancouver, British Columbia, V6C 1T2, at any time up to and including Tuesday, May 6, 2021 ; or
 - (ii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of the matters set out in the Notice and in this Circular. The form of proxy confers discretionary authority upon the persons named therein with respect to matters identified in the Notice and in this Circular and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice or in this Circular. **However, if any other matters which at present are not known to the management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

ADVICE TO BENEFICIAL SHAREHOLDERS

Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares, or non-objecting beneficial owners whose names have been provided to the Corporation's registrar and transfer agent, can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (referred to herein as "**Beneficial Shareholders**"). If Common Shares are listed in an

account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Corporation to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instruction forms or proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or voting instruction form from Broadridge cannot use that proxy to vote Common Shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the management form of proxy or voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. **Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.**

All references to Shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

NOTE TO NON-OBJECTING BENEFICIAL OWNERS

The Meeting Materials are being sent to both registered and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Corporation or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Meeting Materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation fixed the close of business on Tuesday, June 1, 2021 as the record date (the “**Record Date**”) for the purposes of determining Shareholders entitled to receive the Notice and vote at the Meeting. As at the Record Date, 101,028,833 Common Shares carrying the right to one vote per share at the Meeting were issued and outstanding. The Corporation has no other class of voting securities.

To the knowledge of the directors and executive officers of the Corporation, as at the date of this Circular, no persons beneficially own, control or direct, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to the Common Shares.

DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Oversight and Description of Director and Named Executive Officer Compensation

Compensation policies and programs are designed to focus on shareholder return. The Corporation's objective is to attract, motivate and retain high quality executives. The executive compensation program and its various components are constructed to reflect market practices. Several components of this compensation vary with results, aligning executive interests with the interests of the Corporation's shareholders. The executive compensation program is also designed to provide an incentive to executives to achieve other objectives in a manner consistent with the Corporation's strategic plan.

Elements of Compensation

The elements of the executive compensation program are described in the table below:

Compensation element	How it is paid	What it is designed to reward
Base salary or fee	Cash	Rewards skills, capabilities, knowledge and experience, reflecting the level of responsibility, as well as the contribution expected from each executive.
Short-term Incentive	Cash	Rewards contribution to both the performance of the relevant documents and the Corporation's overall performance. Rewards for results within the current fiscal year.
Long-term Incentive	Stock Options	Provides alignment between the interests of executives and shareholders. Rewards contribution to the long-term performance of the Corporation and demonstrated potential for future contribution. Aligns with long-term corporate performance and provides added incentive for executives to enhance shareholder value.

The Corporate Governance and Compensation Committee (“**CG&CC**”) considers a broad range of factors when setting compensation for executive management, including but not limited to, market data, individual performance, corporate performance and sector performance.

Base Salary

The base salary or fee provides an executive with basic compensation and reflects individual responsibility, knowledge and experience, market competitiveness and the contribution expected from each individual. At its discretion, the CG&CC may compare each executive officer's salary with the base salaries for similar positions in the comparator group, and recommends appropriate adjustments, as needed.

Short-term Incentive Compensation - Bonuses

Short-term incentive compensation is based on annual results. The short-term incentive ensures that a significant portion of an executive's compensation varies with actual results in a given year, while providing financial incentives to executives to achieve short-term financial and strategic objectives. It communicates to executives the key accomplishments the CG&CC wishes to reward and ensures that overall executive compensation correlates with corporate objectives. The short-term incentive component is structured to reward not only increased value for shareholders but also performance with respect to key operational factors and non-financial goals important to long-term success.

Establishment and payment of bonuses is subject to approval of the board of directors (the “**Board**”) and the Board has the right to amend or suspend the bonus plan at its discretion. No bonuses were paid during the year ended September 30, 2020.

Long-term Incentive Compensation – Stock Options

The Board adopted a stock option plan (the “**Stock Option Plan**”) on May 2, 2011. The Corporation’s directors, officers, employees and consultants, if any, are eligible under the Stock Option Plan to receive grants of stock options. The Stock Option Plan is an important part of the Corporation’s long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of the stock option grants to officers and directors is dependent on each officer’s and director’s level of responsibility, authority and importance to the Corporation and to the degree to which such officer’s or director’s long-term contribution to the Corporation will be key to its long term success.

The long-term incentive component of executive compensation is designed to motivate executives to focus on the long term interests of the Corporation and its shareholders. Stock option grants are determined by factors including the number of individuals eligible to receive grants under the Stock Option Plan, the number of Common Shares to be acquired under existing options relative to the number of issued and outstanding Common Shares, and future hiring plans. Options are granted by the Board of the Corporation. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the Named Executive Officers. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board will make these determinations subject to and in accordance with the provisions of the Stock Option Plan.

Stock options reward executives for growth in the value of the Corporation's Common Shares over the long term. This is the high risk, high-return component of the executive total compensation program because stock options deliver value to an executive only if the trading price of the Common Shares is above the exercise price. This long-term equity incentive includes both a corporate and personal component.

Stock options are granted under the Stock Option Plan to directors, officers, employees and certain consultants upon their commencement of service. Additional grants are made periodically to recognize

the exemplary performance of, or the special contribution by eligible individuals. An annual grant may be made to eligible individuals based on individual performance and the Corporation's performance during the most recently completed financial year in relation to expected performance.

Compensation of Directors

The CG&CC reviews director compensation annually and recommends updates to the Board for approval when considered appropriate or necessary to recognize workload, time commitment and responsibility of Board and committee members. The directors are reimbursed for actual expenses reasonably incurred in connection with the performance of their duties as directors.

Non-Executive Directors receive compensation in the amount of \$250 per Board, CG&CC or Audit Committee meeting. Both Executive and Non-Executive Directors are eligible to receive grants of stock options under the Stock Option Plan.

Named Executive Officers who also act as directors of the Corporation will not receive any additional compensation for services rendered in such capacity, other than as paid by the Corporation to such Named Executive Officers in their capacity as executive officers.

Compensation Governance

The CG&CC has the responsibility for determining compensation for the Board and the Named Executive Officers. The CG&CC is comprised of James Walker, Paul Sarjeant and Karl Marek. Each of Messrs. Walker and Marek are considered to be non-independent directors by virtue of their respective roles as President and CEO and the Chairman of the Corporation. Paul Sarjeant is independent as such term is defined in National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”).

The CG&CC meets on compensation matters as and when required with respect to executive compensation. The primary goal of the meetings of CG&CC as they relate to compensation matters is to ensure that the compensation provided to the Named Executive Officers is determined with regard to the Corporation's business strategies and objectives, such that the financial interest of the executive officers is aligned with the financial interest of shareholders, and to ensure that their compensation is fair and reasonable and sufficient to attract and retain qualified and experienced executives.

To determine compensation payable, the CG&CC reviews compensation paid for directors and Chief Executive Officers (“CEO”) of companies of similar size and stage of development in the mineral exploration industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. In setting the compensation, the CG&CC annually reviews the performance of the CEO in light of the Corporation's objectives and considers other factors that may have impacted the success of the Corporation in achieving its objectives.

As a whole, the members of the CG&CC have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the CG&CC in making informed decisions on the suitability of the Corporation's compensation policies and practices. Each of the members of the CG&CC has experience on the board of directors and related committees of other companies, as described under “Particulars of Matters to be Acted Upon - Election of Directors” in this Circular.

Executive Compensation-Related Fees

In the financial years ending September 30, 2020 and 2019, neither the Board nor the CG&CC retained a compensation consultant or advisor to assist the Board or the CG&CC in determining the compensation for any of the Corporation’s executive officers’ or directors’ compensation.

An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting. Manning Elliott LLP, were appointed as the auditors of the Corporation on June 1, 2021.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES BE VOTED IN FAVOUR OF THE APPOINTMENT OF MANNING ELLIOTT LLP, CHARTERED PROFESSIONAL ACCOUNTANTS, AS AUDITOR OF THE CORPORATION AND THE AUTHORIZING OF THE DIRECTORS TO FIX ITS REMUNERATION. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPOINTMENT OF THE AUDITOR.

4. **Approval of Fluorspar Lumps Plant Purchase**

On February 9, 2021, the Corporation entered into a profit sharing agreement, as amended (the “**Profit Sharing Agreement**”), with the Mujim Group (the “**Mujim**”), pursuant to which the Corporation agreed to acquire a fluorspar processing plant (the “**Processing Plant**”) from the Mujim, capable of manufacturing high-grade fluorspar lumps for industry. The Processing Plant is expected to be the first step in building out the Corporation’s production line and fluorspar mining operation.

Pursuant to the terms of the Profit Sharing Agreement, the Corporation agreed to acquire the Processing Plant for an aggregate purchase price of US\$2,000,000 (the “**Purchase Price**”). The Purchase Price is payable by the Corporation in cash or, alternatively and at a premium, by issuing an aggregate of 5,300,000 Common Shares at a deemed price of US\$0.45 (approximately CAD\$0.56) per Common Share, in accordance with the following schedule:

- (i) US\$1,500,000 worth of Common Shares following execution of the Profit Sharing Agreement, of which \$1,000,000 is due prior to the Processing Plant being shipped to the Corporation,
- (ii) US\$200,000 worth of Common Shares prior to the Processing Plant installation, and
- (iii) US\$300,000 worth of Common Shares following the installation and commissioning is completed and optimized to meet production requirements.

In addition, the Corporation has agreed to pay Mujim US\$20/ton to cover the ongoing technical updates and guidance services relating to the Processing Plant as well as US\$10/ton upon the Corporation beginning lump production operations and the achievement of agreed upon production targets.

Mujim developed the proprietary new technology able to produce fluorspar lumps from material that was previously unsuitable for manufacturing lumps. The lumps product is ideal for use in metallurgy, ceramic, fiberglass, and glass industries, and reduces the refractory melting point, promotes the flow of slag, and enables the separation of slag and metal. Accordingly, the Processing Plant also assists with desulfurization and dephosphorization during the smelting process, and acts to enhance the tensile strength of forged metals, making it extremely valuable and important to metals manufacturers. The Mujim operates several fluorspar mines in Thailand and Laos, and will be supporting the Corporation as it commissions the Processing Plant once acquired. The Processing Plant is intended to advance the Corporation to a cash producing operation more quickly, to enable the Corporation to meet its financial obligations without requiring greater equity investment, and to finance the expansion of the operation and more advanced processing.

Bo Li, a director of the Corporation (the “**Related Party Director**”) is also the Executive Director of Mujim. Accordingly, the Profit Sharing Agreement constitutes a “related party transaction” within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Profit Sharing Agreement and Common Share issuances thereunder are exempt from the valuation requirements of MI 61-101 by the virtue of the exemption contained in section 5.5(b) as the Common Shares are not listed on a specified market and from the minority shareholder approval requirements of MI 61-101 by virtue of the exemption contained in Section 5.7(1)(a) as the value of the Common Shares issuable under the Profit Sharing Agreement do not exceed 25% of the Corporation’s market capitalization. The Profit Sharing Agreement was, however, reviewed and approved by the Board, with the Related Party Director disclosing his interests in the Profit Sharing Agreement and having abstained from voting on the approval thereof. As of the date of this Circular, the Related Party Director own 6,048,076 Common Shares of the Corporation.

For additional information regarding the Profit Sharing Agreement, Shareholders may refer to the news release of the Corporation dated February 26, 2021 filed under the Corporation’s profile on SEDAR at www.sedar.com and at the office of the Corporation at 409 Granville Street, Suite 1001, Vancouver, BC, V6C 1T2, during normal business hours up to and including the date of the Meeting.

Under the policies of the Exchange, the approval of the Profit Sharing Agreement and the Processing Plant pursuant thereto, as a “related party transaction” as defined within MI 61-101, requires the Corporation to obtain shareholder approval in accordance with the requirements of Exchange Policy 5.9 - *Protection of Minority Security Holders in Special Transactions*. Accordingly, the disinterested Shareholders will be asked at the Meeting to approve the following ordinary resolution, (the “**Profit Sharing Agreement Resolution**”) which must be approved by at least a majority of the votes cast by disinterest Shareholders represented in person or by proxy at the Meeting who vote in respect of the Profit Sharing Agreement Resolution. Based on the above, to the knowledge of the Corporation after reasonable inquiry, as at the date hereof, Mujim or the Related Party Director holds 6,048,076 Common Shares. Accordingly, 6,048,076 Common Shares will be excluded from voting on the Profit Sharing Agreement Resolution.

“RESOLVED THAT:

- (a) the purchase of the Processing Plant, as substantially as set out in the Profit Share Agreement, is hereby authorized and approved;
- (b) the Corporation is authorized to complete its obligations pursuant to the Profit Share Agreement and the transactions contemplated by the Profit Share Agreement, including without limitation the issuance of the Common Shares to Mujim;
- (c) the Board be authorized on behalf of the Corporation to make any further amendments to the terms of the Profit Sharing Agreement and related transactions as may be required by regulatory authorities or deemed appropriate by the Board, without further approval of the shareholders of the Corporation;
- (d) despite that this resolution has been duly passed by the disinterested Shareholders, the Corporation may amend the terms of the Profit Sharing Agreement, or not implement the Processing Plant purchase, as determined by the Board in its sole discretion; and

- (e) any one officer or director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual's discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination."

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE PROFIT SHARING AGREEMENT RESOLUTION IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST AT THE MEETING BY DISINTERESTED SHAREHOLDERS IS SUFFICIENT FOR THE APPROVAL OF THE PROFIT SHARING AGREEMENT RESOLUTION

5. Approval of Delisting of the Common Shares from TSX Venture Exchange

The Corporation is also seeking the approval of Shareholders for the voluntary delisting (the "**Delisting**") of the Common Shares from the Exchange. Delisting from the Exchange is subject to the Corporation complying with the procedures in Exchange Policy 2.9 – *Trading Halts, Suspensions and Delisting* and receiving final approval from the Exchange.

The Corporation has determined that, in order to provide increased flexibility for the Corporation, it may be desirable to delist its Common Shares from the Exchange. At this time, the Corporation has not applied to delist its Common Shares from the Exchange, however the Board has determined that obtaining Shareholder approval for the Delisting is desirable in order to provide added flexibility to the Corporation to pursue strategic objectives.

Accordingly, the Exchange policy on delisting an issuer's shares from that exchange requires the approval of a majority of the minority of shareholders be obtained. This means that Common Shares held by promoters, directors, officers and insiders (as contemplated in the policies of the Exchange) must be excluded from voting on the proposal to delist the Common Shares from the Exchange. Based on the above, to the knowledge of the Corporation after reasonable inquiry, as at the date hereof, the following Shareholders will be excluded from voting on the Delisting resolution (the "**Delisting Resolution**"):

Shareholder	No. of Common Shares	Percentage of Common Shares
Bo Li	6,048,076	5.99
James Walker	3,275,500	3.24
Karl Marek	1,829,436	1.81
Changxian Li	964,900	0.96
Raul Sanabria	875,750	0.87
Viktoriya Griffin	244,375	0.24
Tom Klaimanee	60,000	0.06
Paul Sarjeant	31,250	0.03

If the proposal to delist the Common Shares from the Exchange is approved by a majority of the minority of the Shareholders, the decision to proceed with the Delisting Resolution will be at the sole discretion of the Board.

“RESOLVED THAT:

- (a) the delisting of the common shares (each, a **“Common Share”**) of the Corporation from the TSX Venture Exchange (**“TSXV”**) be and is hereby authorized and approved;
- (b) despite that this resolution has been duly passed by a majority of the minority of the shareholders, the Board may determine in its sole discretion not to implement the delisting from the TSXV; and
- (c) any one officer or director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual’s discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination.”

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE DELISTING RESOLUTION IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST AT THE MEETING IS SUFFICIENT FOR THE APPROVAL OF THE DELISTING RESOLUTION.

6. **Approval of Stock Option Plan**

Summary of Stock Option Plan

The policies of the Exchange provide that the Board may from time to time, in its discretion, and in accordance with the Exchange requirements, grant to directors, officers, employees, management company employees and consultants of the Corporation and its Affiliates, non-transferable options to purchase Common Shares for a period of up to ten years from the date of grant, provided that the number of Common Shares reserved for issuance may not exceed 10% of the total issued and outstanding Common Shares at the date of the grant. A copy of the Stock Option Plan is attached to this Circular as Schedule "C".

The purpose of the Stock Option Plan, pursuant to which the Corporation may grant incentive stock options, is to promote the profitability and growth of the Corporation by facilitating the efforts of the Corporation to obtain and retain key individuals. The Stock Option Plan provides an incentive for and encourages ownership of the Common Shares by its key individuals so that they may increase their stake in the Corporation and benefit from increases in the value of the Common Shares.

Options granted pursuant to the Stock Option Plan may not exceed a term of ten years and are granted at an option price and on other terms which the directors determine is necessary to achieve the goal of the Stock Option Plan and in accordance with regulatory policies. The option price may be at a discount to market price, which discount will not, in any event, exceed that permitted by any stock exchange on which the Corporation's shares are listed for trading.

The number of Common Shares allocated to the Stock Option Plan is determined by the board of directors from time to time. The aggregate number of Common Shares reserved for issuance under the Plan may not exceed 10% of the issued and outstanding Common Shares. Pursuant to the Stock Option Plan, the maximum number of Common Shares reserved for issuance in any 12 month period to any one optionee other than a consultant may not exceed 5% of the issued and outstanding Common Shares at the date of the grant. The maximum number of Common Shares reserved for issuance in any 12 month period to any consultant may not exceed 2% of the issued and outstanding Common Shares at the date of the grant and the maximum number of Common Shares reserved for issuance in any 12 month period to all persons engaged in investor relations activities may not exceed 2% of the issued and outstanding number of Common Shares at the date of the grant.

The Common Shares, when fully paid for by a participant, are not included in the calculation of Common Shares allocated to or within the Stock Option Plan. Should a participant cease to be eligible due to the loss of corporate office (being that of an officer or director) or employment, the option shall cease for varying reasonable periods as determined by the Board at the time of grant. Loss of eligibility for consultants is regulated by contract provisions imposed by the Board when the option is granted to the appropriate consultant. The Stock Option Plan also provides that estates of deceased participants can exercise their options for a period not exceeding one year following death.

The Board may from time to time make rules, regulations and amendments to the Stock Option Plan. Should any rule, regulation or amendment materially differ from the provisions set out in this Circular, the Corporation shall obtain the necessary regulatory or shareholder approvals.

As at June 1, 2021, a total of 9,149,500 Common Shares were issuable under the Stock Option Plan, representing 9.06% of the issued and outstanding Common Shares.

Approval of the Stock Option Plan

As the Stock Option Plan provides for a rolling maximum number of Common Shares which may be issuable upon the exercise of options granted under the Stock Option Plan, Exchange Policy 4.4 – *Incentive Stock Options* requires that the Stock Option Plan receive shareholder approval each year at the annual shareholders' meeting. Accordingly, Shareholders will be asked to consider and, if thought appropriate, pass an ordinary resolution approving the Stock Option Plan.

The Board has unanimously approved the Stock Option Plan and recommends that Shareholders vote FOR the resolution regarding the Stock Option Plan. An affirmative vote of a majority of the votes cast at the Meeting is sufficient to pass the resolution approving the resolution regarding the Stock Option Plan.

The complete text of the resolution which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, is as follows:

“**WHEREAS** the policies of the TSX Venture Exchange require annual shareholder approval for the continuation of the rolling stock option plan of the Corporation (the “**Plan**”);

RESOLVED THAT:

1. the Company's stock option plan described in the Company's information circular dated June 1, 2021 be and is hereby authorized and approved; and
2. any one officer and director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual's discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination.”

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE STOCK OPTION PLAN IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPROVAL OF THE STOCK OPTION PLAN.
