Each Unit consists of one (1) common share in the capital of the Company (each, a “Common Share”) and one non-transferable Common Share purchase warrant (each, a “Warrant”). Each Warrant is exercisable into one (1) Common Share (each, a “Warrant Share”) at a price of \$0.26 per Warrant Share for a period of two (2) years following the closing date of the Amended LIFE Offering, provided that, if the 10-day volume-weighted average trading price of the Common Shares as quoted on the Canadian Securities Exchange (the “CSE”) (or such other securities exchange on which the Common Shares may be traded at such time) is equal to or greater than \$0.40 at the close of any trading day, then the Company may, at its discretion, accelerate the expiry date of the Warrants by issuing a news release (a “Warrant Acceleration News Release”) announcing that the expiry date of the Warrants shall be deemed to be on the 30th day following the date of the Warrant Acceleration News Release (the “Accelerated Expiry Date”) (the “Acceleration Clause”). All Warrants that remain unexercised following the Accelerated Expiry Date shall immediately expire and all rights of holders of such Warrant shall be terminated without any compensation to such holder. Units offered under the Life Exemption will not be subject to resale restrictions for Canadian resident investors pursuant to applicable Canadian securities laws.
