

City View Green Holdings Inc. Announces up to \$1,000,000 Private Placement Financing with Insider Participation

Toronto, Ontario--(Newsfile Corp. - December 18, 2020) - City View Green Holdings Inc. ("**City View**" or the "**Company**"), trading through the facilities of the Canadian Securities Exchange ("**CSE**") under the symbol "CVGR" and on the OTCQB[®] under the symbol "CVGRF", is pleased to announce that it proposes to undertake a non-brokered private placement (the "**Private Placement**") of up to 20,000,000 units ("**Units**") at a price of \$0.05 per Unit for proceeds of \$1,000,000 if the Private Placement is fully subscribed. City View previously filed for and has received price protection for this financing from the CSE. The Company intends to close this Private Placement by December 24, 2020.

Each Unit will consist of one common share of the Company and one-half (0.5) of one warrant. Each whole warrant will entitle the holder thereof to purchase one common share of the Company for a period of 2 years from the closing date, subject to acceleration from and after the date that is four months and one day after the closing date, if the closing price of the Company's common shares on the CSE is equal to or exceeds \$0.15 for 10 consecutive trading days, at which time City View may then accelerate the expiry date of the warrants to the date that is 30 days following the date on which the Company issues notice to all the warrant holders of the new expiry date.

The Units will be offered to qualified purchasers in reliance upon exemptions from prospectus and registration requirements of applicable securities legislation. A finder's fee in cash and/or non-transferable warrants may be paid to eligible finders in relation to this financing. Proceeds from this financing will be used for general working capital.

City View also announces that certain directors, officers and close associates of the Company plan to sell shares of the Company commencing on December 18, 2020, through the facilities of the CSE, and intend to use a portion of the net proceeds of these sales to subscribe for up to an aggregate of 5,000,000 Units. The subscription of Units to insiders pursuant to the private placement is considered to be a "related party" transaction subject to Multilateral Instrument 61-101 ("**MI 61-101**"). The Company intends to rely on exemptions from the formal valuation and minority shareholder approval requirements provided under sections 5.5(a) and 5.7(a) of MI 61-101 on the basis that participation in the private placement by insiders will not exceed 25% of the fair market value of the Company's market capitalization.
