

City View Green Secures Purchase Order to Produce Two (2) Cannabis-Infused Products For Nationally Recognized Medical Marijuana Licensed Producer and Distributor

Toronto, Ontario--(Newsfile Corp. - June 16, 2022) - City View Green Holdings Inc. (CSE: CVGR) (OTCQB: CVGRF) ("City View" or the "Company"), an innovative Canadian-based cannabis-infused edibles manufacturing company, is pleased to announce an initial purchase order for the production of two (2) cannabis-infused sauces - chocolate and caramel - for a nationally recognized and regulated medical marijuana licensed producer and distributor (the "Client"). The Client will make the sauces available to customers via its online portal and retail channel partners throughout Canada.

This purchase order will mark the first sales revenue for City View. Based on City View's expertise in processing techniques and quality of ingredients, City View Green expects to receive additional orders from the Client moving forward.

This nationally recognized licensed producer and distributor has been focused on improving its customers' quality of life through medical marijuana and cannabis-infused consumables. City View Green has been working with the Client since early December 2021, and is in discussions to develop additional white-labeled cannabis-infused product SKUs for the Client to present for regulatory approval.

In addition to this Client, City View is in discussions with several other licensed producers to manufacture cannabis-infused consumables such as chocolates, baked goods, sauces, and gummies. Furthermore, City View has received regulatory approval for four (4) cannabis-infused consumable product SKUs for its own City View brand, which will be formally announced in the coming weeks.

"Our white-label cannabis-infused consumables model is coming to fruition with our first product sale to one of Canada's most reputable licensed producers," shared Rob Fia, CEO of City View. "This marks the first official sale and purchase order after our successful bench trials for uniquely flavored cannabis-infused sauce products announced on December 13, 2021. We are honored to partner with this Client due to their brand reputation and their products' popularity across the Canadian marketplace.

"We anticipate significant growth in our white-label business, as well as our own City View branded products."
