FORM 51-102F1
MANAGEMENT DISCUSSION AND ANALYSIS
THREE AND NINE MONTH PERIODS ENDED JANUARY 31, 2014

The following Management's Discussion and Analysis ("MD&A"), prepared as of March 11, 2014, should be read together with the condensed interim financial statements for the three and nine month periods ended January 31, 2014 and the related notes attached thereto. Readers are also encouraged to refer to the Company's audited financial statements for the year ended April 30, 2013 and the related notes attached thereto. Accordingly, these condensed interim financial statements and MD&A include the results of operations and cash flows for the three and nine month periods ended January 31, 2014 and the reader must be aware that historical results are not necessarily indicative of the future performance. All amounts are reported in Canadian dollars. The aforementioned documents can be accessed on the SEDAR web site www.sedar.com.

Unless otherwise stated, financial results are now being reported in accordance with International Financial Reporting Standards ("IFRS"). As a result, accounting policies, presentation, financial statement captions and terminology used in this discussion and analysis differ from those used in previous financial reporting.

The MD&A contains the term cash flow from operations, which should not be considered an alternative to, or more meaningful than, cash flows from operating activities as determined in accordance with IFRS as an indicator of the Company's performance. The Company's determination of cash flow from operations may not be comparable to that reported by other companies. The reconciliation between profit or loss and cash flows from operating activities can be found in the statement of cash flows.

Certain statements contained in this management discussion and analysis may contain words such as "could", "should", "expect", "believe", "will" and similar expressions and statements relating to matters that are not historical facts but are forward-looking statements. Such forward-looking statements are subject to both known and unknown risks and uncertainties which may cause the actual results, performances or achievements of the Company to be materially different from any future results, performances or achievements expressed or implied by such forward-looking statements. Such factors include, among other things, the receipt of required regulatory approvals, the availability of sufficient capital, the estimated cost and availability of funding for the continued exploration and development of the Company's prospects, political and economic conditions, commodity prices and other factors.

Description of Business

GTO Resources Inc. (the "Company") was incorporated on May 10, 2011 under the Business Corporations Act (British Columbia). Pursuant to an arrangement agreement between Firebird Resources Inc. ("Firebird") and the Company dated May 12, 2011, the Company acquired all of Firebird's interest in and to the Robert Creelman Property and the Hyman Porter Property located in Ontario, in exchange for common shares of the Company (the "Arrangement"). Pursuant to the terms of the agreement dated July 27, 2011, being the effective date of the Arrangement, each Firebird shareholder received one new common share in the capital of Firebird and one half of a common share of the Company for each Firebird common share then held. Pursuant to the Arrangement, each whole warrant issued has (i) an exercise price equal to the existing exercise price of the Firebird warrants exchanged, and (ii) a term equal to the term remaining on the Firebird warrants exchanged. The common shares of the Company commenced trading on the TSX Venture Exchange under the stock symbol "GTR" effective July 28, 2011.

The Company's registered office is located at Suite 1000 Cathedral Place, 925 West Georgia Street, Vancouver, BC, V6C 3L2.

The Company's Board of Directors is comprised of Thomas R. Tough (President and CEO) Glen Macdonald and Ken Ralfs.

Description of Business (continued)

These condensed interim financial statements have been prepared on the going concern basis, which assumes that the Company will be able to realize its assets and discharge its liabilities in the normal course of business. As at January 31, 2014, the Company had an accumulated deficit of \$602,096, (April 30, 2013 - \$455,954) has a working capital deficiency of \$408,116 (April 30, 2013 - \$242,674) and has no source of revenue. The continued operations of the Company are dependent on its ability to generate future cash flows and/or obtain additional financing. Management is of the opinion that it has sufficient working capital to meet the Company's liabilities and commitments as they become due. These condensed interim financial statements do not reflect any adjustments that may be necessary if the Company is unable to continue as a going concern.

Overall Performance and Results of Operations

The following discussion of the Company's financial performance is based on the condensed interim financial statements for the three and nine month periods ended January 31, 2014:

Overall Performance

At January 31, 2014, the Company reported total assets of \$548,321 (April 30, 2013 - \$755,478), including cash of \$30,212 (April 30, 2013 - \$251,834), exploration and evaluation assets of \$512,589 (April 30, 2013 - \$493,289), and amounts receivable of \$5,520 (April 30, 2013 - \$10,355). The overall decrease in total assets is attributed to the decline in cash and cash equivalents as the Company repaid \$105,441 of principal and interest on its convertible loan payable.

As at January 31, 2014, the Company had liabilities of \$443,848 (April 30, 2013 - \$504,863), this amount is comprised of a convertible loan payable of \$430,000 (April 30, 2013 - \$490,754) and accounts payable and accrued liabilities of \$13,848 (April 30, 2013 - \$14,109). The decrease is attributed to payments made on the Company's convertible loan.

Results of Operations

The Company recorded net and comprehensive losses of \$27,471 and \$146,142 respectively for the three and nine month periods ended January 31, 2014. This compared to net and comprehensive losses of \$62,936 and \$201,576 respectively for the three and nine month periods ended January 31, 2013. During the three and nine month periods ended January 31, 2014, the Company incurred operating expenses of \$21,087 and \$100,914 respectively compared to operating expenses for the three and nine month periods ended January 31, 2013 of \$25,725 and \$94,604 respectively. The slight increase in operating expenses was mainly due to increases for professional fees and general and administrative expense. During the three and nine month periods ended January 31, 2014, the Company also incurred other expenses of \$6,384 and \$45,228 respectively compared to other expenses for the three and nine month periods ended January 31, 2013 of \$37,211 and \$106,972 respectively. The Company did not record revenues during the three and nine month periods ended January 31, 2014 and 2013.

These condensed interim financial statements have been prepared on a going concern basis, which assumes that the Company will be able to realize its assets and discharge its liabilities in the normal course of business. The accompanying condensed interim financial statements do not include any adjustments, which could be material in nature, relating to the recoverability and classification of recorded asset amounts and the classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

Liquidity and Capital Resources

As January 31, 2014, the Company had a cash balance of \$30,212. At January 31, 2014, the Company had working capital deficit of \$408,116 and an accumulated deficit of \$602,096. The Company is confident that it can meet its financial requirements for the next fiscal year. This may require the management of the Company to find additional debt or equity financing.

On July 27, 2011, the Company acquired a 100% interest in 34 claim units located in the Roberts and Creelman Townships ("RCU") and a 100% interest in 70 claim units located in the Hyman and Porter Townships ("HPU") of Sudbury, Ontario in a Plan of Arrangement with Firebird for 22,201,907 common shares of the Company with a fair value of \$228,386 and issuance of 18,238,250 share purchase warrants with a fair value of \$168,294.

The Company is obligated to pay the optionor minimum royalties of \$12,000 per annum, and upon commencement of commercial production in RCU or HPU, the Company will pay a royalty payment of \$0.20 per pound of uranium produced and sold. The Company has an option to purchase and cancel the royalty payment at any time in exchange for \$1,200,000.

In July 2011, the Company granted Jonpol Minerals Inc. ("Jonpol"), an arm's length party, the right to earn a 50% interest in the HPU Property by making certain cash payments and incurring certain expenditures over a 3 year period. Although Jonpol did expend approximately \$50,000 on the HPU Property, its agreement expired and the HPU Property reverted back to the Company.

By an agreement dated January 6, 2014, the Company granted Jescorp Capital Inc., an arm's length party, the right to earn a 50% interest in the HPU Property by making aggregate cash payments of \$125,000 and expenditures of \$250,000 over a 3 year period, ending December 31, 2016.

By an agreement dated January 6, 2014, the Company granted Jescorp Capital Inc., an arm's length party, the right to earn a 50% interest in the RCU Property by making aggregate cash payments of \$125,000 and expenditures of \$250,000 over a 3 year period, ending December 31, 2016.

During the nine month period ended January 31, 2014, the Company accrued option payments of \$9,000 relating to its properties. The Company assessed the potential for impairment of its exploration and evaluation assets and noted that there were no conditions or factors to warrant impairment. The Company continues to focus on the continued development and exploration of the RCU and HPU properties.

Stock Options

The Company does not have any options, rights or other derivatives outstanding at January 31, 2014 and is not subject to any escrow agreements or other restrictions on its shares.

Accounting Policies and Estimates

The significant accounting policies of the Company are disclosed in Note 2 to the condensed interim financial statements. Certain accounting policies require that management make appropriate decisions with respect to the formulation of estimates and assumptions that affect the reported amounts of assets, liabilities, and revenues and expenses. The Company's management reviews its estimates regularly.

Going Concern

The Company's condensed interim financial statements have been prepared on the going concern basis, which assumes that the Company will be able to realize its assets and discharge its liabilities in the normal course of business. As at January 31, 2014, the Company had an accumulated deficit of \$602,096 and has no source of revenue. The continued operations of the Company are dependent on its ability to generate future cash flows and/or obtain additional financing. Management is of the opinion that it has sufficient working capital to meet the Company's liabilities and commitments as they become due. The Company's condensed interim financial statements do not reflect any adjustments that may be necessary if the Company is unable to continue as a going concern.

Financial Instruments

(a) Fair Values

Assets and liabilities measured at fair value on a recurring basis were presented on the Company's statement of financial position as at January 31, 2014 as follows:

	Fair Value Measurements Using			Balance, January 31, 2014 \$
	Quoted prices in active markets for identical instruments (Level 1) \$	Significant other observable inputs (Level 2) \$	Significant unobservable inputs (Level 3) \$	
Cash and cash equivalents	30,212	–	–	30,212

The fair values of other financial instruments, which include amounts receivable, loan receivable, and accounts payable and accrued liabilities approximate their carrying values due to the relatively short-term maturity of these instruments.

(b) Credit Risk

Financial instruments that potentially subject the Company to a concentration of credit risk consist primarily of cash and amounts receivable. The Company limits its exposure to credit loss by placing its cash with high credit quality financial institutions. Amounts receivable consists of GST/HST receivable which is due from the Government of Canada. The carrying amount of financial assets represents the maximum credit exposure.

(c) Foreign Exchange Rate Risk

The Company does not have any significant foreign exchange rate risk.

(d) Interest Rate Risk

The Company does not have any significant interest rate risk.

(e) Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company currently settles its financial obligations out of cash. The ability to do this relies on the Company raising debt or equity financing in a timely manner and by maintaining sufficient cash in excess of anticipated needs.

(f) Price Risk

The Company is exposed to price risk with respect to commodity prices. The Company's ability to raise capital to fund exploration and development activities is subject to risks associated with fluctuations in the market price of commodities.

Capital Management

The Company manages its capital to maintain its ability to continue as a going concern and to provide returns to shareholders and benefits to other stakeholders. The capital structure of the Company consists of cash and equity comprised of issued share capital, share-based payment reserve, equity component of convertible debt, and deficit.

The Company manages its capital structure and makes adjustments to it in light of economic conditions. The Company, upon approval from its Board of Directors, will balance its overall capital structure through new share issues or by undertaking other activities as deemed appropriate under the specific circumstances. The Company is not subject to externally imposed capital requirements.

The Company is not subject to externally imposed capital requirements and the Company's overall strategy with respect to capital risk management remains unchanged from the period ended April 30, 2013.

Legal Proceedings

The Company is not involved in any legal proceedings.

Management's Report on Internal Controls over Financial Reporting

In connection with National Instrument ("NI") 52-109 (Certification of Disclosure in Issuer's Annual and Interim Filings) adopted in December 2008 by each of the securities commissions across Canada, the Chief Executive Officer and Chief Financial Officer of the Company will file a Venture Issuer Basic Certificate with respect to the financial information contained in the condensed interim financial statements and respective accompanying Management's Discussion and Analysis.

The Venture Issuer Basic Certification does not include representations relating to the establishment and maintenance of disclosure controls and procedures and internal control over financial reporting, as defined in NI 52-109. For further information the reader should refer to the Venture Issuer Basic Certificates filed by the Company with the Annual Filings on SEDAR at www.sedar.com.
