

Velocity Announces Listing on the Frankfurt Stock Exchange

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Sept. 4, 2014)

NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.

Velocity Data Inc. (CSE:VCT)(FRANKFURT:9VD) ("**Velocity**") is pleased to announce that its common shares commenced trading on August 27 under the symbol "9VD.F" on the Quotation Board of the Frankfurt Stock Exchange, also known as Borse Frankfurt (FWB).

The listing of Velocity in Frankfurt is anticipated to benefit Velocity by expanding its shareholder base into Europe and increasing exposure for Velocity internationally. Velocity will maintain its primary listing on the Canadian Securities Exchange.

The Frankfurt Stock Exchange is the world's third largest organized exchange-trading market as measured by trading volume. Only the Nasdaq and the New York Stock Exchanges are larger.

Velocity CEO, Adam Radly, said "The Frankfurt listing is one of several steps we are taking to expand liquidity for shareholders and increase market awareness of our Company."

About Velocity

Velocity customizes and develops IT solutions for many of the world's most demanding customers including many of the world's largest defense contractors. Solutions include data storage and protection, security and cloud services among many others. The Company has earned awards from Boeing and Lockheed Martin.

Further information about Velocity is available under its profile on the SEDAR website www.sedar.com and on Velocity's page on the CSE website at www.thecse.com.

The CSE has not reviewed, approved or disapproved the content of this press release.

Forward-Looking Information:

This press release may include forward-looking information within the meaning of Canadian securities legislation, concerning the business of Velocity. Forward-looking information is based on certain key expectations and assumptions made by the management of Velocity, including future plans for acquisitions. Although Velocity believes that the expectations and assumptions on which such forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because Velocity can give no assurance that they will prove to be correct. Forward-looking statements contained in this press release are made as of the date of this press release. Velocity disclaims any intent or obligation to update publicly any forward-looking information, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.

Not an Offer In the United States:

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities described herein in the United States. The securities described herein have not been and will

not be registered under the *United States Securities Act of 1933*, as amended, or any applicable securities laws or any state of the United States and may not be offered or sold in the United States or to the account or benefit of a person in the United States absent an exemption from the registration requirements.
