## INFORMATION CIRCULAR

MARCH 20, 2015

### SOLICITATION OF PROXIES

This information circular (this “**Circular**”) is furnished in connection with the solicitation of proxies by the management of VELOCITY DATA INC. (the “**Corporation**”) for use at the Annual General Meeting (the “**Meeting**”) of holders of common shares of the Corporation (collectively, the “**Shareholders**” or individually, a “**Shareholder**”) to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual General Meeting of Shareholders (the “**Notice**”). The solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The cost of solicitation will be borne by the Corporation.

The Corporation has distributed, or made available for distribution, copies of the Notice, this Circular and form of proxy to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Shareholders (the “**Beneficial Shareholders**”) whose shares are held by or in custody of such Intermediaries. Such Intermediaries are required to forward such documents to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Corporation if the names and addresses of the Beneficial Shareholders are provided to the Corporation by Intermediaries. The Corporation will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of these materials.

### APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers and directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for such Shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy.** Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation’s transfer agent and registrar, COMPUTERSHARE INVESTOR SERVICES INC., 8th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1 not later than 10:30 AM Pacific Daylight Time, Friday, April 24, 2015 or delivering it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy must be executed by the registered Shareholder or his or her attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by Shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder’s attorney duly authorized in writing or, if the Shareholder is a corporation, under its corporate seal, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
  - (i) at the office of COMPUTERSHARE INVESTOR SERVICES INC., 8th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1, at any time up to and including 10:30 AM Pacific Time on Friday, April 24, 2015; or
  - (ii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

## EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such shares will be voted in favour of the passing of the matters set out in the Notice. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

## ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to a substantial number of Shareholders who do not hold their shares in their own name, the Beneficial Shareholders. Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of shares can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those shares will not be registered in such Shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co., the registration name for *The Canadian Depository for Securities Inc.*, which company acts as a nominee of many Canadian brokerage firms. Shares held by brokers or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting shares for their clients. The directors and officers of the Corporation do not know for whose benefit the shares registered in the name of CDS & Co. are held.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or voting instruction form from Broadridge cannot use that proxy to vote shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of their broker or other intermediary, a Beneficial Shareholder may attend the Meeting as proxy holder for the registered holder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own shares as proxy holder for the registered holder should enter their own names in the blank space on the form of proxy or voting instruction form provided to them and return the same to their broker or other intermediary (or the agent of such broker or other intermediary) in accordance with the instructions provided by such broker, intermediary or agent well in advance of the Meeting. **Beneficial Shareholders should carefully follow the instructions of their intermediaries and their service companies.**

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Corporation (and the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

All references to shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

## NOTICE-AND-ACCESS

The Corporation has decided to use the notice-and-access model provided for under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, for the delivery of this Circular to Shareholders for the Meeting. Under the notice-and-access model, instead of receiving printed copies of this Information Circular, Shareholders are receiving a notice with information on how they may access this Circular electronically. However, together with this notice, Shareholders will continue to receive a form of proxy (in the case of registered Shareholders) or voting instruction form (in the case of Beneficial Shareholders) enabling them to vote at the Meeting. No annual financial statements of the Corporation are included in this mailing.

Shareholders with questions about Notice and Access can contact the Corporation, toll-free at 1-877-730-7916. Materials will be mailed to Shareholders of record as of March 24, 2015. Shareholders who would like to register to receive annual financial statements via email can email Robert Bates, the Chief Financial Officer of the Corporation, at [bob@s7group.com](mailto:bob@s7group.com) or visit [vit.technology](http://vit.technology). Shareholders can also use [www.proxyvote.com](http://www.proxyvote.com) to cast their vote, but should remember to review the materials before voting. The annual financial statements of the Corporation are also available at [www.sedar.com](http://www.sedar.com).

## VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation has fixed the close of business on March 19, 2015 as the record date (the “**Record Date**”) for the purposes of determining Shareholders entitled to receive the Notice and vote at the Meeting. As at the Record Date, 112,550,021 common shares of the Corporation (the “**Common Shares**”), carrying the right to one vote per share at the Meeting, were issued and outstanding.

In accordance with the provisions of the *Business Corporations Act* (British Columbia), the Corporation will prepare a list of the holders of Common Shares on the Record Date. Each holder of such shares named on the list will be entitled to vote the shares shown opposite its name on the list at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as at March 19, 2015, there was only one person who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to the Common Shares. That person, Adam Radly, the Corporation’s President and CEO, is the beneficial owner of 72,000,000 Common Shares or approximately 64.0% of the issued and outstanding Common Shares.

### **Orientation and Continuing Education**

While the Corporation does not yet have a formal continuing education program, the directors individually and as a group are encouraged to keep themselves informed on changing corporate governance and legal issues. Directors are individually responsible for updating their skills required to meet their obligations as directors. In addition, the Board undertakes thorough strategic planning sessions with management.

### **Ethical Business Conduct**

The Board is responsible for promoting an ethical business culture and fostering an environment that places an emphasis on compliance. The Board monitors compliance, including through receipt by the Audit Committee of reports of unethical behaviour. To ensure that an ethical business culture is maintained and promoted, directors are encouraged to exercise their independent judgment. If a director has a material interest in any transaction or agreement that the Corporation proposes to enter into, such director is expected to disclose such interest to the Board in compliance with the applicable laws, rules and policies which govern conflicts of interest in connection with such transaction or agreement. Further, any director who has a material interest in any proposed transaction or agreement will be excluded from the portion of the Board meeting concerning such matters and will be further precluded from voting on such matters.

### **Nomination of Directors**

The Board is responsible for the identification and assessment of potential directors. While no formal nomination procedures are in place to identify new candidates, the Board does review the experience and performance of nominees for election to the Board. Members of the Board are canvassed with respect to the qualifications of a prospective candidate and each candidate is evaluated with respect to his or her experience and expertise, with particular attention paid to those areas of expertise that could complement and enhance current management. The Board also assesses any potential conflicts, independence or time commitment concerns that the candidate may present.

### **Compensation**

\$50,000 per year compensation (other than the grant of incentive stock options) is paid to the directors of the Corporation in their capacity as directors. The Board does not currently have a compensation committee.

### **PARTICULARS OF MATTERS TO BE ACTED UPON**

#### **1. Setting the number of Directors to be Elected**

Management of the Corporation proposes that the shareholders set the number of directors to be elected at the Meeting at three, which is the number of persons proposed to be nominated for election by the management of the Corporation.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF SUCH RESOLUTION. AN AFFIRMATIVE VOTE OF A SIMPLE MAJORITY OF THE VOTES CAST AT THE MEETING IS SUFFICIENT FOR FIXING THE NUMBER OF DIRECTORS AND THE ELECTION OF DIRECTORS.

#### **2. Election of Directors**

Management of the Corporation proposes that the persons named in the following table be nominated for election as directors of the Corporation. All of the nominees for director are now directors of the Corporation and have been since the dates set opposite their names. An affirmative vote of a simple majority of the votes cast at the Meeting is sufficient for the election of directors. Each of the directors elected will hold office from the beginning of their respective terms until the close of the next annual meeting of Shareholders or until such director's successor is duly elected or appointed.

The following table sets forth the name of each person to be nominated by the management of the Corporation for election as a director, such person's principal occupation, the period or periods of his service as a director of the Corporation, and the approximate number of Common Shares beneficially owned, or controlled or directed, directly or indirectly by such person as at March 19, 2015:

Name, Province or State and Country of Residence, and of Nominee and Present Office(s) Held	Principal Occupation, Business or Employment <sup>(1)</sup>	Director Since	Number of Common Shares Beneficially Owned or Controlled <sup>(2)</sup>
Adam Radly <sup>(3)</sup> California, USA President, CEO, Director	CEO of Imerjn, Inc. from October 2013-present; President and Chief Executive Officer of Inova Technology Inc. from 2007-2013	July 20, 2014	72,000,000
Robert Bates <sup>(3)</sup> California, USA CFO, Director	Director of Imerjn Inc. from October 2013-present; Director of Orion Financial Group from 2012-present; Chief Financial Officer of Inova Technology Inc. from 2006 to 2013; Director of Catalyst Holdings Group from 2009-2012	July 20, 2014	Nil
Chip Hackley <sup>(3)</sup> California, USA Director	President of Highland Capital Management from 2002-present; Chief Executive Officer of Gazoo Energy Corp. from 2009-2012	July 20, 2014	5,748,114

- (1) The information as to principal occupation, business or employment and shares beneficially owned or controlled is not within the knowledge of the management of the Corporation and has been furnished by the respective nominees.
- (2) The approximate number of Common Shares carrying the right to vote in all circumstances beneficially owned directly or indirectly, or over which control or direction is exercised by each proposed nominee as at the date hereof is based on information furnished by the transfer agent of the Corporation and by the nominees themselves.
- (3) Member of the Audit Committee.

### Cease Trade Orders or Bankruptcies

To the knowledge of the Board, except as disclosed below, no nominee is, at the date of this Circular, or has been, within 10 years before the date of this Circular,

- (a) a director, chief executive officer or chief financial officer of any company (including the Corporation) that:
  - (i) was subject to an order that was issued while the nominee was acting in the capacity as director, chief executive officer or chief financial officer; or
  - (ii) was subject to an order that was issued after the nominee ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer,
- (b) a director or executive officer of any company (including the Corporation) that, which such nominee was acting in that capacity, or within one year of such nominee ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangements or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or became subject to or instituted any proceedings, arrangements or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such nominee.

For the purposes of section (a) above, the term “order” means a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation that was in

effect for a period of more than 30 consecutive days.

Subsequent to the resignation of Mr Radly and Mr Bates from a US entity Desert Communications (an Inova Technology subsidiary), the new board of directors decided to complete a court approved Chapter 11 reorganization. As a result of this transaction the Company's primary creditor was granted ownership of the company. The Company subsequently emerged from the reorganization in 2014 and continued operations.

The US entity Imerjn, which Mr. Radly and Mr. Bates are officers of, was subject to a 10 day trading halt on the OTC market in 2014. It then immediately resumed trading on the grey sheets market.

### **Penalties or Sanctions**

No director or executive officer of the Corporation or shareholder holding sufficient securities to affect materially the control of the Corporation has:

- (a) been subject to any material penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a director nominee.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED FOR SUCH RESOLUTION. MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF SUCH NOMINEES WILL BE UNABLE TO SERVE AS DIRECTORS. HOWEVER, IF FOR ANY REASON, ANY OF THE PROPOSED NOMINEES DO NOT STAND FOR ELECTION OR ARE UNABLE TO SERVE AS SUCH, PROXIES IN FAVOUR OF MANAGEMENT DESIGNEES WILL BE VOTED FOR ANOTHER NOMINEE IN THEIR DISCRETION UNLESS THE SHAREHOLDER HAS SPECIFIED IN HIS OR HER PROXY THAT HIS OR HER COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN THE ELECTION OF DIRECTORS.

### **3. Appointment of Auditor**

Management proposes to nominate MaloneBailey LLP, as the auditor of the Corporation to hold office until the next annual meeting of Shareholders. MaloneBailey LLP was appointed as the auditor of the Corporation on December 12, 2014.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF MALONEBAILEY LLP, AS AUDITORS OF THE CORPORATION AND THE AUTHORIZING OF THE DIRECTORS TO FIX THE REMUNERATION OF THE AUDITORS. AN AFFIRMATIVE VOTE OF A SIMPLE MAJORITY OF THE VOTES CAST AT THE MEETING IS SUFFICIENT FOR THE APPOINTMENT OF THE AUDITORS.

### **INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON**

No person or company who is, or at any time during the financial year ended October 31, 2014 was, a director or executive officer of the Corporation, a proposed management nominee for election as a director of the Corporation, or an associate or affiliate of any such director, executive officer or proposed nominee, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting other than the election of directors.

### **ADDITIONAL INFORMATION**

Additional information relating to the Corporation is available on SEDAR at [www.sedar.com](http://www.sedar.com). Financial information is provided in the Corporation's annual financial statements and management's discussion and analysis ("MD&A") for the year ended October 31, 2014. In addition, copies of the Corporation's annual financial statements and MD&A and this Circular may be obtained upon request to the Corporation. The Corporation may require the payment of a reasonable charge if the request is made by a person who is not a shareholder of the Corporation.

## SCHEDULE “A”

### AUDIT COMMITTEE CHARTER

(Implemented pursuant to National Instrument 52-110 – *Audit Committees*)

National Instrument 52-110 – *Audit Committees* (the “Instrument”) relating to the composition and function of audit committees was implemented for reporting issuers and, accordingly, applies to every TSX Venture Exchange listed company, including the Corporation. The Instrument requires all affected issuers to have a written audit committee charter which must be disclosed, as stipulated by Form 52-110F2, in the management information circular of the Corporation wherein management solicits proxies from the security holders of the Corporation for the purpose of electing directors to the board of directors. The Corporation, as a TSX Venture Exchange-listed company is, however, exempt from certain requirements of the Instrument.

This Charter has been adopted by the board of directors in order to comply with the Instrument and to more properly define the role of the Committee in the oversight of the financial reporting process of the Corporation. Nothing in this Charter is intended to restrict the ability of the board of directors or Committee to alter or vary procedures in order to comply more fully with the Instrument, as amended from time to time.

#### PART 1

##### **Purpose:**

The purpose of the Committee is to:

- (a) improve the quality of the Corporation’s financial reporting;
- (b) assist the board of directors to properly and fully discharge its responsibilities;
- (c) provide an avenue of enhanced communication between the directors and external auditors;
- (d) enhance the external auditor’s independence;
- (e) increase the credibility and objectivity of financial reports; and
- (f) strengthen the role of the directors by facilitating in depth discussions between directors, management and external auditors.

##### **1.1 Definitions**

“Accounting principles” has the meaning ascribed to it in National Instrument 52-107 *Acceptable Accounting Principles, Auditing Standards and Reporting Currency*;
