

Press Release

Velocity completes US\$311K Project For Maryland Procurement Office

Vancouver. August March 10, 2015. Velocity (CSE:VCT)(FRANKFURT:9VD), announced that it has completed a US\$311,000 project for Maryland Procurement Office. This transaction has been completed and not subject to any further supply of products or services.

Velocity CEO, Adam Radly, said "We are starting to enter the busy season for government opportunities. Our team has done a great job of servicing our customers' needs throughout the year and will continue to do everything we can to assist through the busy season." Mr. Radly also said, "We will continue to provide updates regarding the commencement and completion of other major projects as they occur."

The Company's revenue for the previous year ending October 31 2014 was US\$41 million, representing an increase of 17% over the same period in 2013 where revenue was US\$34 million.

Forward-Looking Information:

This press release may include forward-looking information within the meaning of Canadian securities legislation, concerning the business of Velocity. Forward-looking information is based on certain key expectations and assumptions made by the management of Velocity, including future plans for acquisitions. Although Velocity believes that the expectations and assumptions on which such forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because Velocity can give no assurance that they will prove to be correct. Forward-looking statements contained in this press release are made as of the date of this press release. Velocity disclaims any intent or obligation to update publicly any forward-looking information, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.

Not an Offer In the United States:

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities described herein in the United States. The securities described herein have not been and will not be registered under the *United States Securities Act of 1933*, as amended, or any applicable securities laws or any state of the United States and may not be offered or sold in the United States or to the account or benefit of a person in the United States absent an exemption from the registration requirements.
