Organic Potash Corporation Receives Ghana Standards Authority License

FOR IMMEDIATE RELEASE

April 3, 2014, 2013

Toronto, Ontario, April 3, 2014 – Organic Potash Corporation (CNSX: OPC) (“OPC” or the “Corporation”) announced today that it has, as part of its ongoing process to achieve profitable commercial production obtained the right and license to use the Ghana Standards Authority “Mark of Conformity”. GC Resources Limited, our wholly owned subsidiary, is extremely proud to have achieved the USP/Food Chemicals Codex (2012) designation.

This mark is an assurance to the public that GC Resources Limited, has taken an important step forward in quality assurance, as to the consistency and purity of our product. This license has taken two years to obtain and forms one of the building blocks necessary to achieve maximum price for our organically sourced potassium carbonate.

Mrs. Welner, President, CEO and Chairwoman Stated: “We are very pleased with obtaining the GSA license as this enhances shareholder value and continues OPC on the road to profitability. The Board wishes to thank the Ghanaian team workers and management for their extraordinary efforts in achieving this goal.
