

## Far Resources Appoints Vice President, Corporate Development and Issues Securities

**February 7, 2018** – Far Resources Ltd (CSE:FAT) (FSE:FOR) (OTC:FRRSF) ([www.farresources.com](http://www.farresources.com)) (“**Far Resources**” or the “**Company**”) announces that Mr. Toby Mayo, a Director of the Company, has accepted the position of Vice President, Corporate Development, in addition to his role as Director. Keith Anderson, President and CEO of Far Resources, commented, “We are very pleased that Toby is taking on an expanded role within the organization. With the addition of Hidden Lake, the ongoing work at Zoro and the spin out on the horizon, we anticipate a busy year and we are pleased to add such a dedicated and talented member to the management team.”

The Company also announces that it has granted 250,000 options to acquire common shares in the equity of the Company to certain insiders of the Company (the “Options”). Each Option is exercisable into one (1) common share in the equity of the Company at an exercise price of \$0.59 per option share, expiring 5 years from date of grant. The Company has also renewed its ongoing consulting arrangement with one of its directors, who has agreed to be paid in Common shares of the Company. The Company will issue up to a total of 120,000 shares over a 12-month term, at a deemed price of \$0.59 per share, payable monthly at the rate of 10,000 shares per month.

The Company has also renewed a consulting agreement with a member of its corporate communications team, whereby the Company will pay \$5000 per month to its consultant payable half in cash and half in Common shares. The Common shares will be issued at the end of each month in which services are provided at a deemed price that is equal to the closing price of the shares as of the first day of the month in which services were provided.

### About the Company

Far Resources Ltd. is an exploration company, publicly traded on the Canadian Securities Exchange under the symbol FAT, focused on the identification and development of high potential mineral opportunities in stable jurisdictions. Far Resources may acquire or option properties of merit to meet its ongoing goal to locate, advance and unlock the potential of these mineral opportunities. Far Resources currently has two mineral projects in place. The Zoro Lithium project covers a number of known lithium pegmatite occurrences and is located near Snow Lake, MB. Manitoba has been ranked as the world’s second best jurisdiction for mining investment by the Fraser Institute. The second project is the Winston project in New Mexico, USA, another historic mining property with potential for silver and gold; New Mexico is also listed by the Fraser Institute, ranking in the top 25 mining jurisdictions in the world. Please visit our website at [www.farresources.com](http://www.farresources.com) for full details on our current projects. Far Resources has optioned its wholly owned Tchentlo Lake Property in British Columbia, Canada to Alchemist Mining Inc.
