RE: Signal Exploration Inc. (The "Company")

I, John Ostler; M.Sc., P.Geo., am a Qualified Person as defined in Part 1.1 of National Instrument 43-101 and I was responsible for the preparation of the Technical Report entitled "Noranda/Kuroko-type Sulphide Mineralization on the Scotch Creek Property" dated March 15, 2011 as amended July 30, 2011 (the "Technical Report").

I do hereby consent to the public filing of the Technical Report on the SEDAR website and to the filing on the Technical Report with the regulatory authorities to which this consent is addressed.

I do hereby consent to being named in the Preliminary Prospectus of Signal Exploration Inc., dated August 12, 2011 (the "Preliminary Prospectus"), and to the Company's use of written disclosure of the Technical Report and of extracts from or a summary of the Technical Report in the Preliminary Prospectus.

I confirm that I have read the Preliminary Prospectus and have no reason to believe that there are any misrepresentations in the information contained therein that are: (1) derived from the Technical Report; or (2) within my knowledge as a result of the services performed by me in connection with the Technical Report.

This consent letter is provided to those to which it is addressed pursuant to the requirements of applicable securities legislation and not for any other purpose.
