

LE MARE GOLD CORP. ANNOUNCES OFFICER CHANGES

Vancouver, BC – March 21, 2019 – LeMare Gold Corp. (TSX-V:LMGC) (“LeMare” or the “Company”), is pleased to announce that the first phase of our restructuring and general corporate renovation is complete. At this juncture board and management agree that changes reflective of general direction and next steps will best serve the company and shareholders; going forward. We would like to announce the resignation from President and CEO of Mr. Greenway. We thank him for his service and look forward to his continued participation on the board.

At this time Mr Bryson Goodwin has been asked and has agreed to assume the role of President and CEO. Mr Goodwin has a great deal of mining success and has the international acumen and contacts to shepherd Le Mare to success.

Mr Greenway comments;

“With the successful changes we have started I feel the company is poised for the next step in its development. The time requirements associated with our future endeavours and my prior commitments to Kopr Point have given me the clarity to make the best decision for Le Mare shareholders. With this in mind, I have tendered my resignation as President and CEO. I give shareholders my commitment that I will remain very active with the company as both director and key advisor. As the single largest shareholder I have a vested interest in the success of Le Mare. I thank Mr Goodwin for agreeing to the role and feel that he is the best choice for the company at this time.”
