Notice and Access

The Canadian Securities Regulators have adopted new rules effective for meetings held after March 1, 2013, which permit the use of notice-and-access for proxy solicitation instead of traditional physical delivery of proxy material. This new process provides the option to post meeting related materials including management information circulars as well as annual financial statements and management's discussion and analysis ("MD&A"), on a website in addition to SEDAR. Under notice-and-access, meeting related materials will be available for viewing up to one year from the date of posting and a paper copy of the materials can be requested at any time during this period.

Disclosure regarding each matter or group of matters to be voted on at the Meeting is in the Circular under the heading "Business of the Meeting – Matters to be Acted Upon". You should review the Circular before voting.

The Corporation has elected to utilize notice-and-access and provide you with the Meeting materials which are available electronically on www.sedar.com and also TARTISAN NICKEL CORP.

If you wish to receive a paper copy of the Meeting materials or have any questions about notice-and-access, please call 416-350 5007. In order to receive a paper copy in time for voting before the Meeting, your request should be received by September 3, 2018.
