GORILLA SIGNS DEFINITIVE AGREEMENT

WITH CNRP MINING FOR REVERSE TAKE OVER

Vancouver, BC - **Gorilla Resources Corp.** ("Gorilla" or the "Company") is pleased to announce that it has signed a Definitive Agreement (the "Agreement") to conclude a proposed reverse take over transaction ("RTO") with CNRP MINING Inc. ("CNRP") a private company incorporated in British Columbia, the controlling shareholder of which is Danny Wettreich, as previously announced in Gorilla's news release dated April 10, 2012.

Closing of the Agreement will be subject to approval by the shareholders of Gorilla, and other conditions. It is proposed that the name of Gorilla will be changed to Winston Resources Inc. and the proposed new trading symbol will be WRW.

It is a term of the RTO that CNRP acquire from Castle Resources Inc. ("Castle") all rights, title and interest to an option agreement (the "Castle Option Agreement") executed between Castle and Stratabound Minerals Corp. ("Stratabound") whereby Castle has the right to acquire up to a 70% interest in their 100% owned New Brunswick based Elmtree Gold Property ("Elmtree")

It is also a term of the RTO that CNRP acquire from Stratabound all of Stratabound's rights, title and interest in Elmtree, including all of Stratabound's interest in the Castle Option Agreement. As a result of these transactions, CNRP will own 100% of Elmtree.

A further term of the RTO is that CNRP acquire from Green Swan Capital Corp. ("Green Swan") the option agreement executed between Green Swan and Melkior Resources Inc. whereby Green Swan can acquire up to a 70% interest in the mining areas commonly known as the RiverBank and Broke Back claims located in the Ring of Fire area in Ontario.

CNRP has agreed to a \$500,000 private placement with Danny Wettreich, its CEO, and will seek to complete a further private placement with Euro Pacific Canada to raise \$750,000 to coincide with the RTO.

Prior to closing the RTO, Gorilla will spin off to its present shareholders by way of a statutory arrangement under the *Business Corporations Act* (British Columbia) two subsidiary companies comprising all its interest in certain mining exploration properties in the Yukon.

Upon completing the RTO, Gorilla will have a total of 63,884,481 issued and outstanding common shares, of which Castle will dividend 18,000,000 shares to the shareholders of Castle, and Stratabound will dividend 10,000,000 shares to the shareholders of Stratabound.

Closing of the transactions shall be done in accordance with all applicable stock exchange and securities requirements.
