**WINSTON RESOURCES INC. EXECUTES SHARE EXCHANGE AGREEMENT WITH GREEN
TREE THERAPEUTICS**

Winston Resources Inc. (“**Winston**” or the “**Company**”) (CSE: **WRW**; FSE: **WNT**) is pleased to announce that it has entered into a definitive agreement dated effective May 31, 2017 (the “**Share Exchange Agreement**”) with GT Therapeutics Corporation, dba Green Tree Therapeutics (“**GTT**”), pursuant to which the Company will complete a reverse takeover and acquire from the shareholders of GTT, all of the issued and outstanding shares of GTT, causing GTT to become a wholly owned subsidiary of Winston (the “**Transaction**”). On completion of the Transaction, the business of the Target will become the business of Winston and the Company will abandon the Pigeon River property.

The Transaction

Terms of the Transaction were previously announced in the Company’s news release dated February 27, 2017, following the execution of a letter of intent (“**LOI**”) with GTT dated February 24, 2017. Since the execution of the LOI, certain terms, including but not limited to the purchase price of the shares of GTT and the expected composition of the board of directors and management of the Company have been renegotiated. Pursuant to the Share Exchange Agreement, the Company will issue an aggregate of 5,500,000 common shares (the “**Transaction Shares**”) to the existing shareholders of GTT, on a pro rata basis, at a deemed price of \$0.45 per Transaction Share for total consideration of \$2,475,000.

The Company’s news release dated February 27, 2017 included terms relating to the completion of a concurrent private placement. In connection with the same, on March 22, 2017, the Company announced the closing of a non-brokered private placement of 11,600,000 units (“**Units**”) at a price of \$0.25 per Unit for gross proceeds of \$2,900,000 (the “**Concurrent Financing**”). Each Unit is comprised of one common share of the Company and one common share purchase warrant of the Company (each whole warrant, a “**Warrant**”), with each Warrant exercisable into a common share of the Company at an exercise price of \$0.50 with a two-year expiry. The proceeds of the Concurrent Financing will be used by the Company for costs related to the Transaction and for general working capital of the resulting issuer.

A copy of the Share Exchange Agreement will be filed under Winston’s profile on SEDAR at www.sedar.com. For further details on the terms of the Transaction, please refer to the Agreement.

Completion of the Transaction is subject to a number of conditions, including but not limited to satisfactory due diligence and acceptance of the Canadian Securities Exchange (the “**CSE**” or the “**Exchange**”). The Transaction cannot close until the required approvals are obtained and the other conditions to the Transaction are satisfied. There can be no assurance that the Transaction will be completed as proposed or at all.

The Exchange has in no way passed upon the merits of the Transaction and has neither approved nor disapproved the contents of this press release.
