

PlantX announces partnership with Geoponics to distribute fresh indoor plants throughout Canada

VANCOUVER, BC, Sept. 8, 2020 /CNW/ - Vegaste Technologies Corp. (the "**Company**" or "**Vegaste**") (CSE: VEGA) (Frankfurt: WNT1), is pleased to announce the Company has entered into a partnership with Geoponics Inc. ("**Geoponics**") to distribute fresh indoor plants throughout Canada using its extensive e-commerce platform www.PlantX.com.

The partnership allows PlantX, the one-stop shop for everything plant-based and the digital face of the plant-based community, to expand its category verticals by offering a wide variety of fresh indoor plants for sale on PlantX.com/plants-shop/, all sourced from Geoponics grow houses.

PlantX believes that fresh indoor plants are a vital part of a plant-based lifestyle. Aside from natural home decor plants may offer air-purification and may contribute to lowering carbon footprints. Geoponics is committed to bringing fresh, hand picked and quality-checked plants to its customers and offers ready-to-grow plants with natural lava rock potting mix. The porous mineral rock allows for air and water circulation throughout the roots of the plant offering a quality product.

Geoponics is a live plant company offering customized Eco-giving—using plants as alternative gifts for any occasion or event—with the intention of creating a more sustainable world. Each plant is grown and nurtured for 2-3 months by Geoponics' plant experts, hand-picked, meticulously inspected and once through quality control are bagged, wrapped and carefully packaged. Every order includes care manuals and growth requirements specific to each plant to keep them healthy and thriving.

"We believe it is very important to offer indoor plants as a plant-based company," said Julia Frank, PlantX CEO. "PlantX wants to cover all facets of the plant-based lifestyle and Geoponics is helping us do just that."

"Working with PlantX is allowing us to spread greenery through homes across Canada," said Ibrahim Shafi, Geoponics Inc. Regional Sales Specialist. "Plants make people happy!"

Since its inception in October 2019, the Company's PlantX platform has quickly emerged as an industry leader. As the fledgling plant-based sector continues its explosive growth, the Company will be at the forefront by continually evolving and delivering new ways to expand PlantX. With its forward-looking, cutting edge approach, the Company will continue to secure significant partnerships across North America while exploring innovative ways to expand both its e-commerce capabilities and digital resources to help educate, inspire, and uplift consumers.

About Vegaste

As the digital face of the plant-based community, Vegaste's PlantX platform is the one-stop-shop for everything plant-based. With its fast growing category verticals, the Company will offer customers across North America more than 10,000 plant-based products by the end of September. In addition to offering meal and indoor plant deliveries, Vegaste currently has plans underway to expand its product lines to include cosmetics, vitamins, clothing, and its own water brand — but the business is not limited to an e-commerce platform. Vegaste uses its digital platform to build a community of like-

minded consumers and most importantly, provide education. Its successful enterprise is being built and fortified on partnerships with top nutritionists, chefs, and brands. Vegaste eliminates the barriers to entry for anyone interested in living a plant-based lifestyle, and thriving in a longer, healthier, and happier life.

The Company's lynchpin www.PlantX.com is the digital face of everything plant-based and fueled by the power of education and accessibility. For those who don't have the time to cook their own healthy plant-based meals, Vegaste offers a wide array of pre-made meals curated by Executive Chefs and nutritionists. For those looking to learn how to cook their own plant-based meals, Vegaste offers regularly updated weekly recipes. Unlike other plant-based e-commerce companies, Vegaste has a large selection of indoor plants for sale. The site educates consumers on the benefits of a plant-based diet with a specialized blog, connects like-minded individuals with its forum, and provides resources for the best plant-based restaurants, pop-up retailers and products across Canada and the USA.

Forward-Looking Information

This press release contains "forward-looking information" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking information. In some cases, forward-looking information can be identified by words or phrases such as "may", "will", "expect", "likely", "should", "would", "plan", "anticipate", "intend", "potential", "proposed", "estimate", "believe" or the negative of these terms, or other similar words, expressions and grammatical variations thereof, or statements that certain events or conditions "may" or "will" happen, or by discussions of strategy. The forward-looking information contained herein includes statements regarding the Company's platform emerging as an industry leader, the expansion of PlantX, the expansion of the Company's e-commerce capabilities, the growth of the plant-based sector and the Company's position at the forefront of the sector, the Company's plans to secure future partnerships, and the business and strategic plans of the Company.

By their nature, forward-looking information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. A variety of factors, including known and unknown risks, many of which are beyond our control, could cause actual results to differ materially from the forward-looking information in this press release including, without limitation: the Company's ability to comply with all applicable governmental regulations including all applicable food safety laws and regulations; impacts to the business and operations of the Company due to the COVID-19 epidemic; the risks inherent in having a limited operating history, the ability of the Company to access capital to meet future financing needs; the Company's reliance on management and key personnel; competition; changes in consumer trends; foreign currency fluctuations; and general economic, market or business conditions.

Additional risk factors can also be found in the Company's continuous disclosure documents which have been filed on SEDAR and can be accessed at www.sedar.com. Readers are cautioned to consider these and other factors, uncertainties and potential events carefully and not to put undue reliance on forward-looking information. The forward-looking information contained herein is made as of the date of this press release and is based on the beliefs, estimates, expectations and opinions of management on the date such forward-looking information is made. The Company undertakes no obligation to update or revise any forward-looking information, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.
