About PlantX Life Inc.

As the digital face of the plant-based community, PlantX’s platform is the one-stop shop for everything plant-based. With its fast-growing category verticals, the Company offers customers across North America more than 10,000 plant-based products. In addition to offering meal and indoor plant deliveries, the Company currently has plans underway to expand its product lines to include cosmetics, clothing and its own water brand — but the business is not limited to an e-commerce platform. The Company uses its digital platform to build a community of likeminded consumers and, most importantly, provide education. Its successful enterprise is being built and fortified on partnerships with top nutritionists, chefs and brands. The Company eliminates the barriers to entry for anyone interested in living a plant-based lifestyle and thriving in a longer, healthier and happier life.

Non-IFRS Measures

This press release includes references to “gross margin”, which is a non-International Financial Reporting Standards (“**IFRS**”) financial measure. Non-IFRS measures are not recognized measures under IFRS, do not have a standardized meaning prescribed by IFRS and are therefore unlikely to be comparable to similar measures presented by other companies. PlantX defines gross margin as the difference between revenue and cost of goods sold divided by revenue (expressed as a percentage),

prior to the effect of a fair value adjustment for inventory. Readers are cautioned that such non-IFRS measure may not be appropriate for any other purpose. Non-IFRS measures should not be considered in isolation or as a substitute for measures of performance prepared in accordance with IFRS.
