NEWS RELEASE

LANEBURY PROVIDES BI-WEEKLY STATUS UPDATE REGARDING MANAGEMENT CEASE TRADE ORDER

November 13, 2019 – Vancouver, British Columbia – **Lanebury Growth Capital Ltd. (CSE: LLL)** ("**Lanebury**" or the "**Company**") provides status update on the Management Cease Trade Order ("**MCTO**"), which was granted last month by the British Columbia Securities Commission and the release of its audited annual financial statements and accompanying management's discussion and analysis for the fiscal year ended June 30, 2019 (the "**Annual Filings**").

As a result of recent changes in International Financial Reporting Standards 9 ("**IFRS 9**") related to the determination of the fair value of investments made by an issuer and the resulting accounting treatment for such interests in financial statements for public issuers, certain of the Company's historical investments will now need to be accounted for using the fair value method of accounting provided for under IFRS 9. This in turn requires an audit of the companies invested, which has resulted in unforeseen delays. The Company has made progress in respect of the Annual Filings and currently expects to complete its financial statements by December 15, 2019.

Until the Company files the Annual Filings, it will comply with the alternative information guidelines set out in National Policy 12-203 – Management Cease Trade Order for issuers who have failed to comply with a specified continuous disclosure requirement within the times prescribed by applicable securities laws. The guidelines, among other things, require the Company to issue bi-weekly default status reports by way of a news release so long as the Annual Filings have not been filed.

A blackout period is in effect, until the required records are filed and the MCTO is revoked.
