Re: Asante Gold Corporation's use of quotes from the Technical Report entitled "Kubi Gold Project"

We refer to our Technical Report entitled "Kubi Gold Project, Ghana, West Africa" dated October 20, 2014 (the "**Report**") as referenced in the Asante Gold Corporation 2016 AGM Information Circular.

This letter acts as our consent to the use of our firm's name and quotes from the Report in the Asante Gold Corporation 2016 AGM Information Circular, pages 20 to 25.

We confirm that we have read the AGM Information Circular and that it fairly and accurately represents the information in the Report that the Qualified Person is responsible for.

Yours truly,
