Notes to the Condensed Consolidated Interim Financial Statements

1. Nature of operations and going concern

Gideon Capital Corp. (the "Company" or "Gideon") was incorporated on June 15, 2011 under the Business Corporations Act of Ontario. The Company intends to carry on business as a capital pool company ("CPC"), pursuant to policy 2.4 (the "CPC Policy") of the TSX Venture Exchange (the "Exchange"). The registered office of the Company is located at 36 Lombard St, Suite 700, Toronto, Ontario, Canada, M5C 2X3. As at September 30, 2012, the Company has not commenced commercial operations and has no assets other than cash, sundry receivable, prepaid expenses and deposits, and loans receivable. The Company will not carry on any business other than the identification and evaluation of assets or businesses with a view to completing a Qualifying Transaction, as defined under the policies of the Exchange.

The Company must complete a Qualifying Transaction, which is subject to the approval of the Exchange and, in the case of a non-arms length Qualifying Transaction, as defined in accordance with the CPC Policy, must also receive Majority of the Minority shareholders' approval. The Exchange could suspend the trading of the Company's common shares or delist these shares if the Company does not complete an approved Qualifying Transaction within 24 months from the date it was listed on the Exchange.

The ability of the Company to continue as a going concern is dependant upon, among other things, being able to obtain additional financing, and maintaining positive operating cash flows. These condensed consolidated interim financial statements have been prepared on the basis that the Company is a going concern and do not include adjustments that would be necessary should the Company be unable to continue as a going concern. Such adjustments may be material.

During the six months ended September 30, 2012, the Company incurred a net loss of \$58,777 (period ended September 30, 2011 - loss of \$7,345) and, as of that date, the Company has an accumulated deficit of \$331,005 (March 31, 2012 - \$272,228). The ability of the Company to carry out its business plan rests with its ability to secure additional equity and other financing. Although the Company has been successful in obtaining financing from related parties and private placements in the past, the Company will likely require continued support. These material uncertainties cast significant doubt about the Company's ability to continue as a going concern.

2. Proposed qualifying transaction

On June 1, 2012, the Company entered into an amalgamation agreement (the "Amalgamation Agreement") with Monterra S.A. ("Monterra") pursuant to which the Company will complete a "three-cornered amalgamation" (the "Amalgamation") whereby the Company will acquire all of the issued and outstanding common shares of Monterra (each, a "Monterra Share"). The Amalgamation, when completed, will constitute the Company's "Qualifying Transaction" pursuant to the CPC Policy.

Pursuant to the Amalgamation Agreement, during the period the Company incorporated a wholly-owned subsidiary, Gideon Acquisition Corp., under the laws of the Republic of Panama, which will amalgamate with Monterra to form an amalgamated entity ("Amalco"). All of the shareholders of Monterra will exchange all their Monterra Shares for common shares of the Company (each, a "Gideon Share") on a one-for-one basis. Upon completion of the Amalgamation, Amalco will be a wholly-owned subsidiary of the Company.

In accordance with the terms and conditions of the Amalgamation Agreement, it is anticipated that the Company will issue approximately 75,000,000 Gideon Shares in exchange for all of the issued and outstanding Monterra Shares. At the effective time of the Amalgamation, each share purchase option ("Monterra Option") and share purchase warrant ("Monterra Warrant") of Monterra outstanding will, without any further action on the part of the holder of such Monterra Option or Monterra Warrant, be replaced with a Gideon share purchase option or share purchase warrant, as the case may be, on substantially the same terms and conditions as were applicable under the particular Monterra Option or Monterra Warrant.

2. Proposed qualifying transaction (Continued)

The Amalgamation is subject to the conditional approval of the Exchange and all other applicable regulatory approvals. The completion of the Amalgamation is also subject to additional conditions precedent, including, among other things, shareholder approval of Monterra and the completion of a brokered private placement by Monterra (the "Monterra Private Placement") of subscription receipts (each, a "Subscription Receipt") at a price of \$0.35 per Subscription Receipt, for gross proceeds of a minimum of \$5,000,000 and a maximum of \$10,000,000, to be completed on or before the closing of the Amalgamation. Upon the satisfaction of certain release events, including, among other things, the completion or satisfaction of all conditions precedent to the Amalgamation and the receipt of shareholder and applicable regulatory approvals required for the Amalgamation, each Subscription Receipt will be deemed to be exchanged, without any further payment on the part of the holder thereof, into one unit of the Company, consisting of one Gideon Share and one-half of a common share purchase warrant of the Company (each whole warrant, a "Gideon Warrant"). Each Gideon Warrant will entitle the holder thereof to purchase one additional Gideon Share for a period of twenty-four months at an exercise price of \$0.45 per Gideon Share in the first twelve months and an exercise price of \$0.55 per Gideon Share in the second twelve months, subject to acceleration.

On May 1, 2012, the Company granted a secured promissory note of \$225,000 to Monterra that bears interest at 0.5% per month, compounded monthly. The principal and accrued interests are payable at maturity which is the earlier of May 31, 2013 or completion of the Amalgamation.

As at September 30, 2012, the Amalgamation has not been completed.

These restrictions apply until completion of a Qualifying Transaction by the Company as defined under the policies of the Exchange.

5. Loans receivable

Under the terms of the letter of intent signed by the Company with Monterra on March 2, 2012 to complete the Amalgamation, the Company advanced a loan of \$25,000 to Monterra, which will be used to preserve Monterra's assets. The loan is unsecured and bears interest at 5% per annum. The principal and accrued interest is payable on maturity on March 31, 2013. As at September 30, 2012, interest of \$622 had accrued.
