

Leviathan Cannabis - Two Week Update on Default Announcement Pursuant to National Policy 12-203 - Management Cease Trade Orders

Toronto, Ontario--(Newsfile Corp. - January 14, 2019) - **Leviathan Cannabis Group Inc.** (CSE: EPIC) (the "Company" or "Leviathan") announces a two week update regarding the default announcement pursuant to national policy 12-203 - Management Cease Trade Orders filed December 31, 2018.

The Company was unable to file its audited annual financial statements for the year ended August 31, 2018 before the required filing deadline of December 31, 2018 due to an unforeseen medical emergency with Leviathan's audit committee chair, Mr. David Jarvis and additional factors that contributed to the delay in finalizing the statements.

There are no changes required to be disclosed in reference to section 10 items (a)-(d) of National Policy 12-203 - Management Cease Trade Orders, except the change disclosed below under "Other Material Information". Leviathan's management has spent the last two weeks continuing to work closely with its auditors, MNP, to complete the audit of the financial statements for the year ended August 31, 2018. The Company does not anticipate their filing occurring any later than January 31, 2019. Leviathan has dedicated all necessary financial and human resources to complete its audit. In order to achieve the filing of its audited annual financial statements by January 31, 2019, Leviathan has ensured key personnel attend the auditor's premises over the past 2 weeks and will continue to work alongside MNP for the remainder of the month to further complete the audit.

On January 7, 2019 the Ontario Securities Commission (OSC) granted the Company a management cease trade order under the provisions of National Policy 12-203 - Management Cease Trade Orders to permit the continued trading in the Company's common shares by persons other than directors, officers and insiders of Leviathan.

On July 3, 2018, the Company announced its intention to acquire all of the issued shares of Pulse Rx Inc., also carrying on business under the business name Pulse Rx LTC Pharmacy ("Pulse Rx") or the "Transaction"), a boutique-style pharmacy providing specialized services to nursing and retirement homes. On January 11, 2019, owing to the results of the due diligence, the Company decided not to pursue the Transaction.
