

Leviathan Cannabis Announces Repricing and Extension of Warrants

Toronto, Ontario--(Newsfile Corp. - June 19, 2020) - **Leviathan Cannabis Group Inc.** (CSE: EPIC) (the "**Company**" or "**Leviathan**") announced today that it has repriced and extended the expiry date of an aggregate of 15,000,000 outstanding private placement warrants expiring in July 2020. The warrants were issued pursuant to a private placement financing that closed in several tranches in July 2018. The warrants will be repriced from \$1.00 to \$0.75 and the expiry date extended to December 31, 2020. All other terms of the warrants remain unchanged.

The Company will not issue new warrant certificates in connection with the repricing and extension. Previously issued warrant certificates remain valid and enforceable at the amended exercise price of \$0.75. Warrant holders may exercise their warrants by returning a completed subscription notice/form (included with the warrant certificate), the original warrant certificate and payment by bank draft (made payable to "Leviathan Cannabis Group Inc.") to the Company's legal counsel at: Friedman Law Professional Corporation, 150 Ferrand Drive, Suite 800, Toronto, ON M3C 3E5 (C/O Leviathan Cannabis Group Inc.). For warrant exercises that will be paid by wire transfer or any questions related to the warrants, please contact info@LeviathanCannabis.com.

About Leviathan Cannabis

Leviathan plans on executing a series of buy and build transactions extending across all vertical markets in Canada and internationally. The Company's global capabilities position it to become a leading multi-jurisdictional cannabinoid producer - one that brings together the best cannabinoid products, brands and expertise from Canada and around the world. The Leviathan portfolio currently comprises Jekyll+Hyde Brand Builders Inc., a marketing services agency specializing in the cannabis sector; Leviathan US Inc., which intends to begin manufacturing cannabidiol products in the summer of 2020 from its facility in Smith County, Tennessee; LCG Holdings Inc., a hemp cultivation and processing facility in Carmen de Viboral, Colombia, which expects to be operational in calendar Q4 2020; and Woodstock Biomed Inc., which is planning to retrofit a substantial greenhouse production facility in Pelham, Ontario, pending the termination of the interim control by-law imposed by the Town of Pelham in July 2020.
