

**LEVIATHAN NATURAL PRODUCTS ANNOUNCES CHANGE OF AUDITOR,
ENGAGES CLEARHOUSE LLP**

TORONTO, ONTARIO --- (Newsfile Corp.– August 30, 2021) – Leviathan Natural Products Inc. (CSE: EPIC; OTCQB: LVCNF) (the “**Company**” or “**Leviathan**”) announces it has changed its auditor from MNP LLP (the “**Former Auditor**”) to Clearhouse LLP (the “**Successor Auditor**”). After discussions with the Former Auditor, it was mutually agreed that the Former Auditor would resign as the auditor of the Company effective August 30, 2021. Leviathan’s board of directors has approved the appointment of the Successor Auditor effective August 30, 2021, until the next Annual General Meeting (“**AGM**”) of the Company.

“We would like to thank MNP for their service and guidance,” states Martin J. Doane, CEO of Leviathan. “Moving forward, Clearhouse’s skill set and its focus on small to midcap sized companies make it more compatible with Leviathan’s scope of operations at the present time.”

While the Company intended to re-appoint the Former Auditor at the upcoming AGM to be held on September 15, 2021, it now wishes to amend the appointment of auditor resolution provided for in the Management Information Circular dated August 11, 2021, and to recommend the appointment of the Successor Auditor.

The Company confirms that there were no reservations or modified opinions in the Former Auditor's audit reports for the Company nor any “reportable events” (as the term is defined in National Instrument 51-102 - *Continuous Disclosure Obligations* (“**NI 51-102**”)) in connection with the audits by the Former Auditor of the Company’s most recently completed financial year or any subsequent period. The Company’s board of directors approved the resignation of the Former Auditor and the appointment of the Successor Auditor in place of the Former Auditor. In accordance with NI 51-102, the Notice of Change of Auditor, together with the required letters from the Former Auditor and the Successor Auditor, have been reviewed by the audit committee and the board of directors of the Company and filed on SEDAR.

About Leviathan Natural Products

Leviathan concentrates primarily on non-psychoactive hemp derived products for the health and wellness market. Leviathan plans on executing a series of buy and build transactions extending across all vertical markets in Canada and internationally. The Company's global capabilities position it to become a leading multi-jurisdictional cannabinoid producer – one that brings together the best cannabinoid products, brands and expertise from Canada and around the world. The Leviathan portfolio currently comprises Jekyll+Hyde Brand Builders

Inc., a marketing services agency specializing in the cannabis/hemp sector; Leviathan US, Inc., which began manufacturing cannabidiol products in August 2020 from its facility in Carthage, Tennessee; LCG Holdings Inc., a cannabis and hemp cultivation and processing facility in Carmen de Viboral, Colombia, which expects to be operational in calendar Q2 2022; and Woodstock Biomed Inc., which owns a 30-acre property with greenhouse infrastructure in Pelham, Ontario. The Woodstock property operates under a lease agreement with Medical Saints Ltd., a Health Canada regulated licensed producer of industrial hemp. The agreement allows for important research and development (“R&D”) in the industrial hemp sector.
