

## CERTIFICATE OF AUTHOR

To accompany the NI 43-101 Technical Report entitled– Magnesium bearing Waste Dumps Recycling Project which is effective as of June 15, 2017 and issued on September 25, 2017 (the “Technical Report”) prepared for Mag One Products Inc. (the “Corporation”).

I, **Gillian Holcroft**, Eng., M. Eng. do hereby certify that:

- 1) I am the President and a Director of Mag One Products Inc having its head office at #145- 925 Georgia St West, Vancouver BC V6C 3L2
- 2) I am a graduate of “McGill University”, Montreal, Quebec with a B.Eng (Chemical) in 1989 and a M.Eng (Chemical) in 1994.
- 3) I am a registered member of “Ordre des Ingénieur du Québec” (118591);
- 4) I have worked as a Chemical Engineer and Project Manager continuously since my graduation from University. Specific experience relevant to this project, includes being employed by Noranda for 12 years. During this time, I held positions as a Research Engineer within the hydrometallurgy group, a Production Engineer in the Hydrometallurgical sector at Canadian Electrolytic Zinc and was directly involved in the start-up of Noranda’s Magnesium operation in Asbestos Quebec.
- 5) I have read the definition of “qualified person” set out in the National Instrument 43-101 and certify that by reason of my education, affiliation with a professional association and past relevant work experience, I fulfill the requirements to be an independent qualified person for the purposes of NI 43-101;
- 6) I am responsible for Item 13;
- 7) I have visited the locations on numerous occasions where the test work was performed and have inherent knowledge on the procedures used to perform this work and the analytical methods used;
- 8) I have no personal knowledge as of the date of this certificate of any material fact or change, which is not reflected in this Report;
- 9) I confirm that I am an insider of the Corporation and as such am not independent of the issuer;
- 10) I have read National Instrument 43-101 and Form 43-101 F1 and have reviewed the parts of the Technical Report for which I am responsible in compliance with National Instrument 43-101 and Form 43-101F1; and have reviewed the parts of Technical Report for which I am responsible in conformity with generally accepted Canadian mining industry practice, and as of the effective date of the Technical Report, to the best of my knowledge, information and belief, the parts of Technical Report for which I am responsible contains all scientific and technical information that is required to be disclosed to make the Technical Report for which I am responsible not misleading.

Signed, in Montreal, this 25<sup>th</sup> day of September 2017.

Gillian Holcroft, Eng., M.Eng.  
President and Director, Mag One Products Inc.
