Item 5 Full Description of Material Change

5.1 Full Description of Material Change

The Company announced on January 7th that the Company and its wholly owned subsidiary, Mag One Operations Inc. (“**Mag One Ops**”) and Blue Lagoon Resources Inc. (“**Blue Lagoon**”) signed a definitive earn-in and operating agreement (the “**Agreement**”) pursuant to which Blue Lagoon may acquire up to a 70% equity interest in Mag One Ops by purchasing up to \$5.25 million of shares of Mag One Ops, a wholly owned subsidiary of MOPI (the “**Transaction**”). On February 27th, the transaction closed following the receipt of the initial payment of \$100,000 from Blue Lagoon, that included funding of a National Instrument NI 43-101 compliant technical report on the Thetford Mines Normandie Tailings Pile.

The terms of the Agreement require that within 3 months of the Closing date, Blue Lagoon will transfer and additional \$300,000 to Mag One Ops. MOPI has been advised in advance of this date that Blue Lagoon does not intend to acquire further interest in Mag One Ops as they intend to focus on their Dome Mountain Gold Mine project. Under the circumstances, and for the benefit of Mag One Ops to pursue other financing opportunities, the Company and Blue Lagoon have mutually agreed to terminate the Agreement.

PRESS RELEASE

**MAG ONE PRODUCTS ANNOUNCES TERMINATION OF DEFINITIVE AGREEMENT
WITH BLUE LAGOON RESOURCES**

Vancouver, B.C., Canada – April 17, 2020 – Mag One Products Inc. (the “**Company**” or “**MOPI**”) announced on January 7th that the Company and its wholly owned subsidiary, Mag One Operations Inc. (“**Mag One Ops**”) and Blue Lagoon Resources Inc. (“**Blue Lagoon**”) signed a definitive earn-in and operating agreement (the “**Agreement**”) pursuant to which Blue Lagoon may acquire up to a 70% equity interest in Mag One Ops by purchasing up to \$5.25 million of shares of Mag One Ops, a wholly owned subsidiary of MOPI (the “**Transaction**”). On February 27th, the transaction closed following the receipt of the initial payment of \$100,000 from Blue Lagoon, that included funding of a National Instrument NI 43-101 compliant technical report on the Thetford Mines Normandie Tailings Pile.

The terms of the Agreement require that within 3 months of the Closing date, Blue Lagoon will transfer and additional \$300,000 to Mag One Ops. MOPI has been advised in advance of this date that Blue Lagoon does not intend to acquire further interest in Mag One Ops as they intend to focus on their Dome Mountain Gold Mine project. Under the circumstances, and for the benefit of Mag One Ops to pursue other financing opportunities, the Company and Blue Lagoon have mutually agreed to terminate the Agreement.

“Although Mag One Ops was excited to work with Blue Lagoon, we appreciate their willingness to terminate the Agreement in advance of the subsequent payment deadline”, said Tony Louie. In light of the mutual termination of the Agreement with Blue Lagoon, there will be no need for shareholders to vote on the Earn-In Agreement Resolution at the Company’s Annual General and Special Meeting being held Monday, April 20, 2020 as outlined in the proxy circular previously mailed to shareholders.

“Given that Mag One Ops has applied for a significant non repayable grant from the Canadian Government, it is imperative that MOPI attract investors with the ability to fund the Company to rapidly advance its technology and commercialization plan. We have never been more excited about the future and are confident that with the global pandemic behind us, Mag One will become one of Canada’s companies to watch.”

On behalf of the Board, “**Tony Louie**”, President & CEO, Mag One Products Inc.
