

NEWS RELEASE

RAILTOWN AI TECHNOLOGIES INC. TO DEMO AT THE LAUNCH BUILDERS MEETUP PRESENTED BY LAUNCH, MICROSOFT VANCOUVER, AND SMYTHE

Vancouver, British Columbia – January 24, 2024 – Railtown AI Technologies Inc. (CSE: RAIL)(OTCQB: RLAIIF) ("Railtown AI", "Railtown" or the "Company") is pleased to announce that it has been invited to demo Railtown's cloud-based Application General Intelligence™ Platform for Software Developers and Teams that practice Agile Project Management at the Launch Builders Meetup presented by Launch, Microsoft Vancouver, and Smythe.

This sold-out Launch Builders Meetup happening on January 24, 2024, is a chance to see demos of some of the best new products coming out of Vancouver and mix and mingle with fellow product folk and enthusiasts. With over 100 attendees of Vancouver-based, developers, product managers, and tech founders, this event represents a targeted opportunity for direct product feedback and potential user acquisition.

[Launch Builders Meetup](#) is presented by Launch, Microsoft Vancouver & Smythe and will be hosted at Microsoft, Vancouver on January 24, 2024.

About Railtown AI Technologies Inc.

Railtown is a developer of an Application General Intelligence Platform designed to allow software developers to extract much deeper knowledge about their application and team. The Company's platform performs a variety of functions from understanding the root cause of every issue at the earliest stage of the pipeline, to knowledge around the history of all documentation, builds, deployments, assigned tasks, engineering performance and velocity to performing tasks ranging from automated progress reports to ticket generation. The platform continually learns and provides actionable knowledge for every stakeholder in the company from the developers all the way up to c-level management. Railtown's proprietary AI technology, designed to enable our clients to be more productive and profitable, is accessible on [Microsoft's Azure Marketplace](#). This news release contains forward-looking statements relating to the future operations of the Company and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will," "may", "should", "intends", "anticipates", "expects" and similar expressions. All statements other than statements of historical fact included in this release,

including, without limitation, statements regarding the future plans and objectives of the Company are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations are risks detailed from time to time in the filings made by the Company with securities regulators.

Readers are cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. As a result, the Company cannot guarantee that any forward-looking statement will materialize, and readers should not place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and the Company will only update or revise publicly any of the included forward-looking statements as expressly required by Canadian securities law.
