INFORMATION CIRCULAR

INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the “Notice”) and is furnished to shareholders holding common shares in the capital of Railtown AI Technologies Inc. (the “Company”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “Meeting”) of the shareholders to be held at 11:00 a.m. (Vancouver time) on Tuesday, October 1, 2024 at Suite 480, 580 Hornby Street, British Columbia or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is August 27, 2024. Unless otherwise stated, all amounts herein are in Canadian dollars.

MANAGEMENT SOLICITATION OF PROXIES

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made, without special compensation, by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company may reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The Company will bear the cost of the solicitation.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT AND REVOCATION OF PROXY

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of August 27, 2024 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, National Securities Administrators Ltd. (the "Transfer Agent"), at its offices located at 777 Hornby Street, Suite 702, Vancouver, British Columbia, V6Z 1S4 by mail or fax, no later than forty eight (48) hours (excluding Saturdays, Sundays and holidays in the Province of British Columbia) prior to the time of the Meeting, or adjournment thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

VOTING OF PROXIES

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder’s name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker (collectively, “Intermediaries”). In Canada, the vast majority of such common shares are registered under the name of CDS & Co., being the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms. **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

Regulatory polices require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or “NOBOs”) or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or “OBOs”).

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the Notice, this Information Circular and a request for voting instructions (a “VIF”), instead of a proxy (the Notice, Information Circular and VIF or proxy are collectively referred to as the “Meeting Materials”) indirectly through Intermediaries to NOBOs and OBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to NOBOs and OBOs.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other registered shareholder) how to vote the Beneficial Shareholder’s shares on the Beneficial Shareholder’s behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions (“Broadridge”) in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through an Intermediary, please contact that Intermediary for assistance.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the shares which they beneficially own. A Beneficial Shareholder receiving a VIF cannot use that form to vote common shares directly at the Meeting. Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting.

Only registered shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven days before the Meeting, arrange for its Intermediary to revoke its VIF on its behalf.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you indirectly, the intermediary holding on your behalf has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Management of the Company does not intend to pay for intermediaries to forward to objecting beneficial owners (“OBOs”) under NI 54-101 the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and, in the case of an OBO, the OBO will not receive the materials unless the OBO’s intermediary assumes the cost of delivery.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company who was a director or executive officer since the beginning of the Company’s last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of common shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

To the knowledge of the directors and executive officers of the Company, other than as set forth below, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, common shares carrying more than 10% of the voting rights attached to the outstanding common shares of the Company.

The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at five (5).

Management recommends the approval of the resolution to set the number of directors of the Company at five (5).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until their successors are duly elected or appointed in accordance with the Company’s Articles or until such director’s earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed form of proxy will be voted for the nominees listed in the form of proxy, all of whom are presently members of the Board of Directors.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This discussion describes the Company's compensation program for each person who has acted as Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO") and the three most highly compensated executive officers (or three most highly compensated individuals acting in a similar capacity), other than the CEO and CFO, whose compensation was more than \$150,000 during the financial year ended September 30, 2023 (each, a "Named Executive Officer").

Significant Elements

The significant elements of compensation awarded to the Named Executive Officers are management fees and stock options. The Company does not presently have a long-term incentive plan for its Named Executive Officers. There is no policy or target regarding allocation between cash and non-cash elements of the Company's compensation program. The Board of Directors is solely responsible for determining compensation to be paid to the Company's Named Executive Officers. In addition, the Board of Directors reviews annually the total compensation package of each of the Company's executives on an individual basis.

Cash Salary

The Company's compensation payable to the Named Executive Officers is based upon, among other things, the responsibility, skills and experience required to carry out the functions of each position held by each Named Executive Officer and varies with the amount of time spent by each Named Executive Officer in carrying out his or her functions on behalf of the Company.

In particular, the Chief Executive Officer's compensation will be determined by time spent on: (i) the Company's technology development efforts and sales strategy; (ii) reviewing potential license and marketing partners of the Company; and (iii) new business ventures. The Chief Financial Officer's compensation is primarily determined by time spent preparing and reviewing the Company's financial statements.

Option-Based Awards

The Company's stock option plan (the "Stock Option Plan") is intended to emphasize management's commitment to the growth of the Company. The grant of stock options, as a key component of the executive compensation package, enables the Company to attract and retain qualified executives. Stock option grants are based on the total of stock options available under the Stock Option Plan. In granting stock options, the Board of Directors reviews the total of stock options available under the Stock Option Plan and recommends grants to newly retained executive officers at the time of their appointment and considers recommending further grants to executive officers from time to time thereafter. The amount and terms of outstanding options held by an executive are considered when determining whether and how new option grants should be made to the executive. The exercise periods are to be set at the date of grant. The stock option grants may contain vesting provisions in accordance with the Company's Stock Option Plan.

As of the date hereof, the Company has granted Nil options to its directors and officers.

Stock Option Plan

The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees, management company employees and consultants of the Company, and of its subsidiaries and affiliates, if any, to acquire common shares of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs. The Stock Option Plan provides that, subject to the requirements of any stock exchange upon which the common shares may be listed (in any case, the “Exchange”), the aggregate number of securities reserved for issuance will be 10% of the number of the Company’s common shares issued and outstanding at the time such options are granted. The Stock Option Plan will be administered by the Board of Directors, which will have full and final authority with respect to the granting of all options thereunder.

Options may be granted under the Stock Option Plan to such the directors, officers, employees, management or consultants of the Company and its affiliates, if any, as the Board of Directors may from time to time designate. The exercise price of option grants will be determined by the Board of Directors, but after listing on the Exchange will not be less than the closing market price of the common shares on the Exchange less allowable discounts at the time of grant. The Stock Option Plan provides that the number of common shares that may be reserved for issuance to any one individual upon exercise of all stock options held by such individual may not exceed 5% of the issued common shares, if the individual is a director, officer, employee or consultant, or 2% of the issued common shares, if the individual is engaged in providing investor relations services, on a yearly basis. All options granted under the Stock Option Plan will expire not later than the date that is 10 years from the date that such options are granted. Options terminate earlier as follows: (i) immediately in the event of dismissal with cause; (ii) 60 days from date of termination other than for cause; or (iii) one year from the date of death or disability. Options granted under the Stock Option Plan are not transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession.

Employment and Consulting Agreements

Management of the Company is performed by the directors and officers of the Company and not by any other person.

There are no plans in place with respect to compensation of the Named Executive Officers in the event of a termination of employment without cause or upon the occurrence of a change of control.

The Company has not entered into any consulting agreements.

Oversight and Description of Director and Named Executive Officer Compensation

Given the Company’s size and stage of operations, it has not appointed a compensation committee or formalized any guidelines with respect to compensation at this time. The compensation paid to the Named Executive Officers is determined by the Board of Directors. The Board of Directors determines the appropriate level of compensation reflecting the need to provide incentive and compensation for the time and effort expended by the Company’s officers, while taking into account the financial and other resources of the Company.

CORPORATE GOVERNANCE

Pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, the Company is required to disclose its corporate governance practices as follows:

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day-to-day management of the Company. The Board of Directors is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

The Company’s corporate governance practices are summarized below:

Board of Directors

The Board of Directors is currently comprised of five (5) members. An “independent” director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, reasonably interfere with the exercise of a director’s independent judgment. Anna-Maria Parente and Rob Goehring are independent directors of the Company, as, aside from common shares and options held by them, they have no ongoing interest or relationship with the Company other than serving as directors. Cory Brandolini, Paul Woodward and Marwan Haddad cannot be considered as independent directors because they are officers of the Company.

Directorships

The following directors are directors of other reporting issuers:

Director	Reporting Issuer	Exchange & Symbol
Cory Brandolini	Advanced Proteome Therapeutics Corp. Linceis Capital Corp.	TSXV-APC.H Not Listed
Paul Woodward	Aether Catalyst Solutions, Inc. Advanced Proteome Therapeutics Corp.	CSE-ATHR TSXV-APC.H
Rob Goehring	Aster Acquisition Corp. Riverwalk Acquisition Corp. ESGAI Technologies Inc.	TSXV-ATR.P TSXV-RAC.P Not Listed

Orientation and Continuing Education

The Board of Directors provides an overview of the Company's business activities, systems and business plan to all new directors. New director candidates have free access to any of the Company's records, employees or senior management in order to conduct their own due diligence and will be briefed on the strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing policies of the Company. The directors are encouraged to update their skills and knowledge by taking courses and attending professional seminars.

Ethical Business Conduct

The Board of Directors believes good corporate governance is an integral component to the success of the Company and to meet responsibilities to shareholders. Generally, the Board of Directors has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company.

The Board of Directors is also responsible for applying governance principles and practices, tracking development in corporate governance, and adapting "best practices" to suit the needs of the Company. Certain of the directors of the Company may also be directors and officers of other companies, and conflicts of interest may arise between their duties. Such conflicts must be disclosed in accordance with, and are subject to such other procedures and remedies as applicable under the *Business Corporations Act* (British Columbia).

Nomination of Directors

The Board of Directors has not formed a nominating committee or similar committee to assist the Board of Directors with the nomination of directors for the Company. The Board of Directors considers itself too small to warrant creation of such a committee, and each of the directors has contacts he can draw upon to identify new members of the Board of Directors as needed from time to time.

The Board of Directors will continually assess its size, structure and composition, taking into consideration its current strengths, skills and experience, proposed retirements and the requirements and strategic direction of the Company. As required, directors will recommend suitable candidates for consideration as members of the Board of Directors.

Compensation

The Board of Directors reviews the compensation of its directors and executive officers annually. Compensation of directors and the Company's executive officers will be determined by the directors and the executive officers considering the Company's business ventures and the Company's financial position. See "Executive Compensation".

Other Board Committees

The Company has established an Audit Committee. There are no other committees of the Board of Directors.

Assessments

The Board of Directors has not implemented a process for assessing its effectiveness. As a result of the Company's small size and the Company's stage of development, the Board of Directors considers a formal assessment process to be inappropriate at this time. The Board of Directors plans to continue evaluating its own effectiveness on an ad hoc basis.

The Board of Directors does not formally assess the performance or contribution of individual Board members or committee members.
