MANAGEMENT INFORMATION CIRCULAR

as of March 15, 2022 (unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Management Information Circular (the “Circular”) is furnished to you in connection with the solicitation of proxies by management of York Harbour Metals Inc. (Formerly, Phoenix Gold Resources Corp.) (“we”, “us”, “York Harbour” or the “Company”) for use at the annual general and special meeting (the “Meeting”) of shareholders (the “Shareholders”) of the Company to be held on Friday, April 14, 2022 and at any adjournment of the Meeting. We will conduct the solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

APPOINTMENT OF PROXY HOLDER

The persons named as **proxy holders** in the enclosed form of proxy are our directors or officers. **As a Shareholder, you have the right to appoint a person (who need not be a Shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.**

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the common share of the Company (the “York Harbour Shares”) represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your York Harbour Shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your York Harbour Shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the respective Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Circular, York Harbour's management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an "X" in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the management nominated proxy holders will vote the York Harbour Shares represented by your proxy in accordance with their judgment.**

RETURN OF PROXY

Shareholders are invited to complete the attached form of proxy and to send it to Computershare, 9th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1 or to York Harbour's head office at the address listed on the Notice of Meeting, not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only Shareholders whose names appear on the records of our registrar and transfer agent, Computershare, or validly appointed proxy holders are permitted to vote at the Meeting. Most of our Shareholders are "non-registered" Shareholders because their York Harbour Shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "**Nominee**"). If you purchased your York Harbour Shares through a broker, you are likely a non-registered Shareholder.

Non-registered Shareholders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "NOBOs". Those non-registered Shareholders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "OBOs".

In accordance with the securities regulatory requirements, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs.

Nominees are required to forward the Meeting Materials to each OBO unless the OBO has waived the right to receive them. York Harbour Shares held by Nominees can only be voted in accordance with the instructions of the non-registered Shareholder. Meeting Materials sent to non-registered Shareholders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a "**VIF**"). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered Shareholder is able to instruct the registered Shareholder (or Nominee) how to vote on behalf of the non-registered Shareholder. VIF's, whether provided by York Harbour or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered Shareholders to direct the voting of the York Harbour Shares which they beneficially own. Should a non-registered Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered Shareholder may request a legal proxy as set forth in the VIF, which will grant the non-registered Shareholder or his/her nominee the right to attend and vote at the Meeting. Non-registered Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

REVOCATION OF PROXY

If you are a registered Shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of York Harbour's registrar and transfer agent, Computershare, or to York Harbour's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered Shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting Materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

We are authorized to issue an unlimited number of common shares without par value, of which **48,840,317** common shares were issued and outstanding as of March 15, 2022.

The board of directors (the "**Board**") of the Company has fixed March 15, 2022 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date will be entitled to receive notice of, attend, and vote at the Meeting, and only such shareholders who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their common shares voted at the Meeting. On a show of hands, every Shareholder and proxy holder will have one vote and, on a poll, every Shareholder present in person or represented by proxy will have one vote for each common share of the Company. In order to approve a motion proposed at the Meeting, a majority of more than 50% of the votes cast will be required to pass an ordinary resolution, and a majority of at least 66.7% (2/3) of the votes cast will be required to pass a special resolution.

To the knowledge of the Company's directors and executive officers, the following persons beneficially own, or control or direct, directly or indirectly, common shares (the "**Shares**") of the Company carrying more than 10% of the voting rights attached to the outstanding Shares as of March 15, 2022:

Name of Shareholder	Number of Shares Owned	Percentage of Issued and Outstanding Shares
Blair Naughty ⁽¹⁾	5,773,000	11.82%

(1) Blair Naughty owns 5,773,000 Shares through a company owned or controlled by him.

ELECTION OF DIRECTORS

Directors of York Harbour are elected at each annual general meeting and hold office until the next annual general meeting or until that person sooner ceases to be a director. At the Meeting, Shareholders will be asked to pass the Directors' Resolution, being an Ordinary Resolution setting the number of directors at five (5), subject to increases permitted by York Harbour's constating documents, and to elect directors for the ensuing year, as more particularly described below.

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below, all of whom are presently members of the Board of Directors. Management does not expect that any of the nominees will be unable to serve as a director. If before the Meeting any vacancies occur in the slate of nominees listed below, the person named in the proxy will exercise his or her discretionary authority to vote the Shares represented by the proxy for the election of any other person or persons as directors.

Management proposes to nominate the persons named in the table below for election as director. The information concerning the proposed nominees has been furnished by each of them.

(e) Options granted to any Investor Relations Service Provider must vest in stages over no less than 12 months with no more than one-quarter of the Options vesting in any three month period, and both the Company and the optionee represents that the optionee is a bona fide employee, Consultant, Consultant Company, or management employee of the Company, as the case may be;

(f) the approval of the disinterested shareholders of the Company shall be obtained for any amendment to or reduction in the exercise price of an Option or extension of the term of an Option if the optionee is an insider of the Company at the time of the proposed amendment; and

The maximum term of any option is ten years from the date of grant. We do not intend to provide financial assistance to holders of stock options to help them purchase our Shares under the Option Plan. Any amendment to the Plan is subject to the approval of the TSXV and may also require Shareholder approval.

Restricted Share Unit Plan

The Board of Directors adopted a restricted share unit plan on October 13, 2020 which was approved by the shareholders of the Company on November 18, 2020, and has recently been amended by the Board

of Directors on March 15, 2020 (the “**RSU Plan**”) to meet new requirements of the TSXV's newly revised Policy 4.4 dated for reference March 15, 2022 providing for the issuance of restricted share units (“**RSUs**”) to Eligible Persons (excluding Investor Relations Service Providers). In accordance with the policies of the TSXV, the RSU Plan must receive disinterested shareholder approval being approved by a majority of the votes cast by shareholders of the Company present or represented by proxy at the Meeting other than those owned by insiders of the Company who own as of the Record Date, directly or indirectly, an aggregate total of 12,652,722 Shares. Material Terms of the RSU Plan

The Board of Directors administers the RSU Plan. The RSU Plan provides that we may grant RSUs pursuant to the RSU Plan in accordance with the policies of the TSXV, to Eligible Persons excluding Investor Relations Service Providers in consideration of their services to the Company. The Board may determine the number of RSUs granted to such Eligible Persons, and the terms of vesting thereof, provided that the RSUs shall not vest earlier than 12 months from the date of grant, and the term of the RSUs may not exceed ten years from the date of grant. Holders of RSUs are not entitled to participate in dividends of the Company in respect of the RSUs. Any RSUs that have not vested within the term for such RSUs expire and are cancelled. In the event that a holder of any RSUs is terminated as a director, officer, employee or consultant, other than death, disability, termination without cause, or eligible retirement, then any such unvested RSUs shall expire and be cancelled. The Board may suspend or terminate the RSU Plan at any time, provided that such suspension or termination shall not affect any RSUs that became effective pursuant to the RSU Plan prior to such suspension or termination.

Settlement of RSUs in Shares shall be made by delivery of one Share for each such vested RSU being settled, unless at the sole discretion of the Board, settlement is made by payment of the cash value of the market price (as defined under the policies of the TSXV) for the Shares as at the date of vesting in lieu of delivery of one Share for each such RSU for any or all such RSUs.

The maximum number of Shares that may be reserved for issue at any time in connection with the grant of RSUs under the RSU Plan shall not exceed **4,884,031** Shares at any point in time (being 10% of the issued and outstanding number of Shares as at a date on which the board of directors of the Company approved the RSU Plan) unless the Company has received disinterested shareholder approval pursuant to the policies of the TSXV. For greater certainty, at no time shall the number of Shares that may be reserved for issue under the RSU Plan exceed 10% of the total number issued and outstanding Shares (calculated on a non-diluted basis) on the date of any grant of RSUs. In addition, and notwithstanding any other terms of the RSU Plan, so long as the Shares are listed on the TSXV:

- (a) the maximum number of Shares which may be reserved for issue pursuant to the RSU Plan to all insiders shall not, at any point in time, exceed a total aggregate of **4,884,031** Shares (being 10% of the issued and outstanding number of Shares on a non-diluted basis) less the number of Shares issuable at any point in time to all insiders under all other Security Based Compensation Plans, unless the Company has received disinterested shareholder approval pursuant to the policies of the TSXV;
- (b) the maximum number of Shares which may be reserved for issue pursuant to the RSU Plan to all insiders within a 12 month period shall not exceed **4,884,031** Shares (being 10% of the issued and outstanding number of Shares on a non-diluted basis) less the number of Shares issuable to all Insiders in any such 12 month period under all other Security Based Compensation Plans, calculated as at the date of grant or issuance to any insider, unless the Company has received disinterested shareholder approval pursuant to the policies of the TSXV;

- (c) the maximum number of Shares which may be reserved for issue pursuant to the RSU Plan to any one Person within a 12 month period shall not exceed **2,442,015** Shares (being 5% of the number of Shares issued and outstanding on a non-diluted basis) less the number of Shares issuable in any such 12 month period to such Person under all other Security Based Compensation Plans, calculated as at the date of grant or issuance to any Person, unless the Company has received disinterested shareholder approval pursuant to the policies of the TSXV;
- (d) the maximum number of Shares which may be reserved for issue pursuant to the RSU Plan to any one Consultant or Consultant Company in any 12 month period shall not exceed **976,806** Shares (being 2% of the number of Shares issued and outstanding on a non-diluted basis) less the number of Shares issuable in any such 12 month period to such Consultant or Consultant Company under all other Security Based Compensation Plans, calculated as at the date of grant or issuance, unless the Company has received disinterested shareholder approval pursuant to the policies of the TSXV; and

Employment, Consulting and Management Agreements

For the year ended January 31, 2021, other than described above, the Company does not have any employment, consulting or management agreements or arrangements with any of the current NEOs or directors.

Oversight and Description of Director and NEO Compensation

Philosophy and Objectives

The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- to align executive compensation with Shareholders' interests;
- to attract and retain highly qualified management;
- to focus performance by linking incentive compensation to the achievement of business objectives and financial results; and
- to encourage retention of key executives for leadership succession.

York Harbour's executive compensation program comprises three elements: base salary, bonus incentives and equity participation. The compensation program is designed to pay for performance. Employees, including senior executives, are rewarded for the achievement of annual operating and financial goals, progress in executing York Harbour's long-term growth strategy and delivering strong total Shareholder return performance.

York Harbour reviews industry compensation information and compares its level of overall compensation with those of comparable sized mineral exploration companies. Generally, York Harbour targets base management fees at levels approximating those holding similar positions in comparably sized companies

in the industry and hopes to achieve competitive compensation levels through the fixed and variable components.

York Harbour's total compensation mix places a significant portion of the executive's compensation at risk and relies heavily on the award of stock options. The design takes into account individual and corporate performance. Compensation practices, including the mix of base management fees, short-term incentives and long-term incentives, are regularly assessed to ensure they are competitive, take account of the external market trends and support York Harbour's long-term growth strategies. Due to the early stage of York Harbour's development programs, the flexibility to quickly increase or decrease appropriate human resources is critical. Accordingly, York Harbour does not enter into long-term commitments with its officers.

Base Compensation

In the Board's view, paying base salaries or management fees which are competitive in the markets in which York Harbour operates is a first step to attracting and retaining talented, qualified and effective executives. Base compensation is compensation for discharging job responsibilities and reflects the level of skills and capabilities demonstrated by the executive. Annual adjustments take into account the market value of the role and the executive's demonstration of capability during the year.

Bonus Incentive Compensation

York Harbour's objective is to achieve certain strategic objectives and milestones. The Board will consider executive bonus compensation dependent upon the executive meeting those strategic objectives and milestones, the executive's individual performance and sufficient cash resources being available for the granting of bonuses. The Board approves executive bonus compensation dependent upon comparable compensation levels based on recommendations of the Board as a whole, and such recommendations are generally based on survey data provided by independent consultants.

Equity Participation

York Harbour believes that encouraging its executives and employees to become Shareholders is the best way of aligning their interests with those of its Shareholders. Equity participation is accomplished through the Stock Option Plan. Stock options are granted to executives and employees taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. The amounts and terms of options granted are determined by the Board.

Option-Based Awards

Stock options are granted to provide an incentive to the directors, officers, employees and consultants of York Harbour to achieve the long-term objectives of York Harbour; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of York Harbour; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire and increase proprietary interest in York Harbour. York Harbour awards stock options to its executive officers based upon the recommendation of the Board, which recommendation is based upon the Board's review of a proposal from the CEO. Previous grants of incentive stock options are taken into account when considering new grants.

Implementation and amendments to the existing stock option plan are the responsibility of the Board, subject to compliance with applicable TSXV and regulatory requirements.

As part of this review, the Board noted the following factors which discourage the Company's executive officers from taking unnecessary or excessive risks:

- there is limited opportunity for the small management team to undertake unnecessary or excessive risk to maximize compensation at the expense of the Company;
- there are limited opportunities for executive officers to artificially inflate financial and operating performance of the Company to increase the value of equity awards to such persons;
- all of the directors are regularly apprised of the Company's financial position throughout the year;
- with respect to Andrew Lee (President and CEO) and Sean Choi (CFO), there is an effective balance between cash and equity, near-term and long-term focus, corporate and individual performance, and financial and non-financial performance;
- with respect to Andrew Lee (President and CEO) and Sean Choi (CFO), the Company's approach to performance evaluation and compensation provides greater rewards to Andrew Lee and Sean Choi achieving both short-term and long-term objectives; and
- incentive plan awards granted are not awarded upon the accomplishment of a task.

Based on this review, the Board believes that the compensation policies and practices do not encourage executive officers to take unnecessary or excessive risk.

Under the Company's compensation policies and practices, NEOs and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Pension Benefits

The Company does not have a pension benefit arrangement under which the Company have made payments to the directors and or Named Executive Officers of the Company during its fiscal year ended January 31, 2021 or intends to make payments to the Company's directors or Named Executive Officers upon their retirement (other than the payments set out above and those made, if any, pursuant to the Canada Pension Plan or any government plan similar to it).

Ethical Business Conduct

The Board of Directors relies on the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law to ensure the Board operates independently of

The Board of Directors has found that these, combined with the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest, have been sufficient.

Nomination of Directors

ANNUAL APPROVAL OF OPTION PLAN

The Option Plan is a rolling maximum stock option plan providing for the number of Shares of the Company reserved for issuance under such plan to be equal to 10% of the Company's issued and outstanding Shares at the time of any option grant. In accordance with the policies of the TSXV, rolling stock option plans must be approved by shareholders annually. Accordingly, at the Meeting, the shareholders of the Company will be asked to approve the Option Plan.

The Option Plan is intended to provide the Board with the ability to issue options to provide the employees, consultants, officers and directors of the Company with long-term equity-based performance incentives which are a key component of the Company's executive compensation strategy. The Company believes it is important to align the interests of management and employees with Shareholder interests

and to link performance compensation to enhancement of Shareholder value. This is accomplished through the use of Options whose value over time is dependent on market value. The Option Plan is described further above and a copy of the Option Plan is attached as Schedule "C".

Accordingly, the Shareholders will be asked to pass an ordinary resolution, in substantially the following form, to ratify and approve the Option Plan:

"BE IT RESOLVED, as an ordinary resolution, that:

The Company's Board of Directors unanimously recommends that Shareholders vote IN FAVOUR of the Option Plan Resolution.

In order to pass the Option Plan Resolution, a simple majority of the votes cast by Shareholders, present in person or by proxy at the Meeting, is required.

Unless the Shareholder has specified in the enclosed form of proxy that the Shares represented by such proxy are to be voted against the Option Plan Resolution, the persons named in the enclosed form of proxy will vote FOR the Option Plan Resolution.

Approval of Restricted Share Unit Plan

The Board of Directors adopted a restricted share unit plan (the "**RSU Plan**") dated for reference March 15, 2022 providing for the issuance of RSUs to directors, officers, employees, and a company wholly owned by such individuals, and consultants and consultant companies, but excluding investor relations service providers. The RSU Plan is described above under the heading "Executive Compensation – RSU Plan" in this Information Circular.

In accordance with the policies of the TSXV, the RSU Plan must receive Shareholder approval being approved by ordinary resolution of the votes cast by Shareholders present or represented by proxy at the Meeting. A copy of the RSU Plan is attached hereto as Schedule "D" and will be available at the Meeting or on Request from the Company.

At the Meeting, the Shareholders will be asked to consider and, if deemed advisable, approve the following ordinary resolution approving the RSU Plan and all unallocated RSUs under the RSU Plan:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. the Company's RSU Plan, as attached as Schedule "D" to the Information Circular of the Company dated March 15, 2022, is hereby approved;
2. the Company shall have the ability to continue granting restricted share units under the Company's RSU Plan until all issuances under the RSU Plan have been reduced to nil;
3. any one director or officer of the Company be and is hereby authorized and directed to do all such further acts and things and to execute such further agreements and other documents for and on behalf of the Company as such director or officer may consider necessary, desirable, or useful having regard to this resolution; and
4. notwithstanding that this resolution has been passed by the shareholders of the Company, the directors of the Company are hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable by the directors."

In order for the foregoing resolution to be passed, it must be approved by ordinary resolution with a simple majority of the votes cast by Shareholders present in person or by proxy at the Meeting. **The Board recommends that you vote FOR the foregoing resolution. It is the intention of management proxyholders to vote proxies FOR approval of the above ordinary resolution unless otherwise directed.**

Approval of Grant of RSUs

The Board of Directors granted a total aggregate of 2,417,003 restricted share units ("**RSUs**") on November 3, 2021 (the "**RSU Grants**") pursuant to its restricted share unit plan as it then was to certain directors, officers and consultants, or the companies owned by them (the "**RSU Grantees**"), having a market price of \$0.49 per common on the date of grant, vesting one year after the date of grant, and expiring after five years. The RSU Grants are a cost-effective way for compensating such directors, officers and consultants instead of cash payments to them.

In accordance with the policies of the TSXV, the RSU Grants must receive disinterested Shareholder approval being approved by ordinary resolution of the votes cast by the Shareholders present or represented by proxy at the Meeting other than those owned by the RSU Grantees or their Associates or Affiliates (as such terms are defined by the policies of the TSXV). Therefore, at the Meeting, the disinterested Shareholders, comprised of all the Shareholders other than the RSU Grantees and their Associates and Affiliates (who hold a total aggregate of 12,652,722 Shares), will be asked to consider and, if deemed advisable, approve the following ordinary resolution approving the RSU Grants:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. all RSU Grants, as described in the Information Circular of the Company dated March 15, 2022, be and are hereby ratified, approved and confirmed; and

2. notwithstanding that this resolution has been passed by the shareholders of the Company, the directors of the Company are hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable by the directors."

In order for the foregoing resolution to be passed, it must be approved by ordinary resolution with a simple majority of the votes cast by disinterested Shareholders present in person or by proxy at the Meeting. **The Board recommends that you vote FOR the foregoing resolution. It is the intention of management proxyholders to vote proxies FOR approval of the above ordinary resolution unless otherwise directed.**

Appendix "A" to Schedule "A"

CORPORATE GOVERNANCE POLICY

OBJECTIVE AND SCOPE

The objective of this Corporate Governance Policy is to clearly articulate the York Harbour Metals Inc.'s (the "Corporation" or "York Harbour Metals Inc." as the context requires) governance policy and its practice among the Corporation's Board of Directors ("Board") and senior management. Set forth below is a description of the Corporation's approach to governance including the constitution and independence of the Board, the functions to be performed by the Board and its committees, and the effectiveness of the administration by Board members.

It is the duty of directors to act in good faith to reasonably ensure that adequate compliance procedures are in place to avoid and uncover violations that could lead to liability for the Corporation.

To be adequate, information and reporting systems must be capable of providing senior management and the Board with timely and accurate information.

MANDATE OF THE BOARD OF DIRECTORS

The Board has overall responsibility for the stewardship of the Corporation, as more particularly described in the Charter of the Board, a copy of which is available from the Corporation.

COMPOSITION AND SIZE OF THE BOARD OF DIRECTORS

The Board will:

- A. examine the size of the Board with a view to determining the impact of the number of directors upon the effectiveness of the Board; and
- B. determine the status of each director as a related or unrelated director¹, based on each director's relationship with the Corporation:
 - (i) determine the status of each Director as dependent or independent² when considering Audit Committee composition; and
 - (ii) to the extent practicable, take steps to ensure that a majority of the directors qualify as reasonably independent and unrelated directors.

The Board will disclose annually whether or not the Board has a majority of independent directors and whether the Board is constituted with the appropriate number of directors who are not related to the Corporation or a significant shareholder. It will also disclose annually the analysis of the application of the principles it used in supporting its conclusion.

¹ An unrelated director is a director who is independent of management and free from any interest and any business or other relationship that could, or could reasonably be perceived to, materially interfere with the director's ability to act with a view to the best interests of the Corporation, other than interests and relationships arising from the holding of shares of the Corporation.

² An independent director is a director who is not an employee or officer of the Corporation and is not receiving remuneration from the Corporation beyond directors' fees. In the context of the Audit Committee, as defined in Multilateral Instrument 52-110, no material relationship with the Corporation is a further requirement.

The Board, through a sub-committee of the Compensation and Corporate Governance Committee (the “Nominating Sub-Committee”), in determining its composition, shall be mindful of the nature of its business and the specialized knowledge that the Board should possess or acquire.

Independence of the Board of Directors

In order that the Board can function independently of management, it will seek to maintain an equal or majority of the Board as independent and unrelated.

The Chairman of the Board should take such reasonable steps to ensure that the Board:

- A. understands the boundaries between the Board and management responsibilities;
- B. addresses its responsibilities under this Corporate Governance Policy; and
- C. meets on a regular basis without management present.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of the Corporation currently provides for three committees of the Board described below, although it may appoint other committees or create sub-committees as needed.

The Corporation’s corporate governance practices require that committees of the Board generally be composed of directors, a majority of whom are both independent directors and unrelated directors.

The Committees of the Board include:

- 1. Audit Committee; and**
- 2. Compensation and Corporate Governance Committee.**

DECISIONS REQUIRING PRIOR APPROVAL BY THE BOARD OF DIRECTORS

The Board may delegate to senior management or to a committee of the Board certain of its authorities, but it will maintain policies with respect to matters that cannot be delegated and that require prior approval of the Board. These policies, and the understanding between management and the Board through previous Board practice and accepted legal practice, will require that the Corporation’s annual strategic, operating and capital plans, significant capital expenditures and all transactions or other matters of a material nature or dealing with non-arm’s length parties must be presented by management for approval by the Board.

NEW DIRECTORS

New directors, as part of the orientation program, meet with senior management to discuss the business of the Corporation and receive historical and current operating and financial information and may tour offices and locations of the Corporation.

SHAREHOLDER FEEDBACK AND CONCERNS

In addition to the information provided to shareholders in connection with the annual general meeting of shareholders and the continuous disclosure requirements of securities regulatory authorities, the Corporation maintains a policy of ongoing communication with investors and representatives of the investment community, which the Board should be familiar with.

EXPECTATIONS OF MANAGEMENT

The Board will determine its expectations of senior management and take reasonable steps to ensure that senior management understands these expectations.

As part of the ongoing process of monitoring the performance of management, the Board will receive operational updates at each Board meeting. These updates will compare actual performance to the Corporation's annual plans and include discussion of all significant variances.

DISCLOSURE POLICY

The Corporate Disclosure Policy is available upon request from the Corporation. Its purpose is to ensure, in so far as is practicable, that all material issues relating to the Corporation are adequately communicated to shareholders and other stakeholders, and includes provisions regarding the release of annual and quarterly reports and press releases. It is reviewed annually by the Board.

In addition to annual general meetings, meetings will be held from time to time in each year between management and various investors, investment analysts, credit rating agencies and financial institutions. Selective disclosure to investors and investment analysts will not be permitted and the Corporate Disclosure Policy contains measures to prevent this from occurring.

QUIET PERIOD

The Corporation has adopted a quiet period in accordance with the recommended guidelines set out in National Policy 51-201 during which no earnings guidance or comments with respect to the current quarter's operations or expected results will be provided to analysts, investors or other market professionals. The quiet period will run between the first day of the month following the quarter end and the release of a quarterly earnings announcement. Communications that may occur during the quiet period must be limited to responding to inquiries concerning publicly available or non-material information.

8. ADJUSTMENT OF AND CHANGES IN THE OPTION SHARES

- (a) If the Common Shares are at any time to be listed or quoted on any stock exchange or stock quotation system other than the TSX Venture Exchange, to the extent that there are any Options which are outstanding and unexercised at the time of such application for listing, the Option Price, the aggregate number of Option Shares, the exercise period, and any other relevant terms of such Options, and the Option Agreements in relation thereto, shall be amended in accordance with the requirements of any applicable securities regulation or law or any applicable governmental or regulatory body (including the Exchange). Subject to the requirements of the Exchange, any such amendment shall be effective upon receipt of Board approval of it, subject to approval of disinterested shareholders of the Company, and approval of any of the Optionees is not required to give effect to such amendment.
- (b) If the Common Shares, as presently constituted, are changed into or exchanged for a different number or kind of shares or other securities of the Company or of another Company (whether by reason of merger, consolidation, amalgamation, recapitalization, reclassification, split, reverse split, combination of shares, or otherwise) or if the number of such Common Shares are increased through the payment of a stock dividend, then there shall be substituted for or added to each Option Share subject to or which may become subject to an Option under this Plan, the number and kind of shares or other securities into which each outstanding Option Share is so changed, or for which each such Option Share is exchanged, or to which each such Option Share is entitled, as the case may be. Outstanding Options under the Option Agreements shall also be appropriately amended as to price and other terms as may be necessary to reflect the foregoing events. In the event that there is any other change in the number or kind of the outstanding Common Shares or of any shares or other securities into which such Option Shares are changed, or for which they have been exchanged, then, if the Board shall, in its sole discretion, determine that such change equitably requires an

adjustment in any Option theretofore granted or which may be granted under the Plan, such adjustment shall be made in accordance with such determination. Notwithstanding the foregoing, any adjustment or amendment to an Option Agreement outstanding Options under this Plan other than as a consequence of a consolidation or split of Common Shares shall be subject to prior acceptance of the Exchange.

Notice of any adjustment shall be given by the Company to each holder of an Option which has been so adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

10. SECURITIES LAW REQUIREMENTS

No Option shall be exercisable in whole or in part, nor shall the Company be obligated to issue any Option Shares pursuant to the exercise of any such Option, if such exercise and issuance would, in the opinion of counsel for the Company, constitute a breach of any applicable laws from time to time, or the rules from time to time of the Exchange. Each Option shall be subject to the further requirement that if at any time the Board determines that the listing or qualification of the Option Shares under any securities legislation or other applicable law, or the consent or approval of any governmental or other regulatory body (including the Exchange), is necessary as a condition of, or in connection with, the issue of the Option Shares hereunder, such Option may not be exercised in whole or in part unless such listing, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Board.

11. AMENDMENT OF THE PLAN

12. POWER TO TERMINATE OR AMEND PLAN

Subject to the approval of any stock exchange on which the Company's securities are listed, the Board may terminate, suspend or amend the terms of the Plan; provided, that any such amendment is subject to shareholder approval or disinterested shareholder approval of the Company, as the case may be, pursuant to the policies of the Exchange.

- (c) **Source of Shares.** Except as expressly provided in the RSU Plan, Shares delivered to Participants in connection with the exercise or settlement of Awards may be authorized but unissued Shares, Shares purchased in the open-market or in private transactions. The Board shall take such action as may be necessary to authorize and reserve for issue from unissued Shares such number of Shares as may be necessary to permit the Issuer to meet its obligations under the RSU Plan, provided, however, that the Issuer may satisfy its obligations from treasury shares or Shares purchased in the open market or private transactions.
- (d) **Legends.** In addition to any resale restrictions required under applicable securities laws or the policies of the TSXV, all Awards issued to Insiders or granted at a discount to the Market Price, and any Shares issued upon the Vesting of the Awards prior to the expiry of the TSXV Hold Period, must be legended as prescribed under the policies of the TSXV with the TSXV Hold Period commencing on the date the Awards were granted.

5. General Provisions Relating to Awards

- (a) **Eligibility.** Awards will be granted only to those Persons who are, at the time of the grant, Eligible Persons. If any Participant is (pursuant to the terms of his or her employment or otherwise) subject to a requirement that he or she not benefit personally from an Award, the Granting Authority may grant any Award to which such Person would otherwise be entitled to the Person's employer or to any other entity designated by them that directly or indirectly imposes such requirement on the Person. The Granting Authority shall have the power to determine other eligibility requirements with respect to Awards or types of Awards.
- (b) **Terms of Grant.** Subject to the other express terms of this RSU Plan, grants of Awards under the RSU Plan shall contain such terms and conditions as the Granting Authority may specify. Without limiting the foregoing,
- (i) Each Award granted under the RSU Plan shall be evidenced by an instrument of grant, in such form or forms as the Granting Authority shall approve from time to time, which shall set forth such terms and conditions consistent with the terms of the RSU Plan as the Granting Authority may determine. Each instrument of grant shall set forth, at a minimum, the type and Effective Date of the Award evidenced thereby, the number of Shares subject to such Awards and the applicable Vesting

conditions. Reference in the RSU Plan to an instrument of grant shall include any supplements or amendments thereto.

- (ii) The term or Restricted Period of each Award that is a Restricted Share Unit shall be for such period as may be determined by the Granting Authority, provided, however, that in no event shall the term of any Restricted Share Unit exceed a period of 10 years (or such other shorter term as may be required in respect of an Award so that such Award does not constitute a "salary deferral arrangement" as defined in subsection 248(1) of the ITA), subject to extension of such term where such term expires during the Restricted Period, provided that such extension may not be longer than 10 business days after the expiry of the Restricted Period.
 - (iii) The terms, conditions and/or restrictions contained in an Award may differ from terms, conditions and restrictions contained in any other Awards.
 - (iv) The Granting Authority may specify such other terms and conditions, consistent with the terms of the RSU Plan, as the Granting Authority shall determine or as shall be required under any other provisions of the RSU Plan. Such terms may include, without limitation, provisions requiring forfeiture of Awards in the event of termination of employment by the Participant and provisions permitting a Participant to make elections relating to his or her Award.
- (c) **Vesting Conditions.** Subject to terms of the RSU Plan, the Granting Authority shall determine any and all conditions to the Vesting of all and/or any portion of Awards and shall specify the material terms thereof in the applicable instrument of grant on, or as soon as reasonably practicable following, the Effective Date of the Award. Vesting of an Award, or portion thereof, may be conditioned upon passage of time, continued employment, satisfaction of Performance Criteria, or any combination of the foregoing, as determined by the Granting Authority.
- (d) **Change of Control.** Any Restricted Share Units that are not yet Vested shall, upon the date of a Change of Control, become fully Vested and the holder shall receive a cash payment within 30 days of the date of Change of Control equal to the number of the holder's Restricted Share Units multiplied by the fair market value of the Company's Shares as at the date of the Change of Control.
- (e) **Fractional Shares.** No fractional Shares shall be issued under the RSU Plan and there shall be no entitlement or payment for any fractional Shares and no payment shall be made in lieu of a fractional Share.
- (f) **Compliance with the ITA.** The terms and conditions applicable to any Award (or portion thereof) granted to a Participant who is subject to taxation under the ITA are intended to comply with the ITA. Without limiting the foregoing,
- (i) the terms of any such Award (or portion thereof) permitting the deferral of payment or other settlement thereof shall be subject to such requirements and shall be administered in such manner as the Committee may determine to be necessary or appropriate to comply with the applicable provisions of the ITA as in effect from time to time; and
 - (ii) any elections allowed to be exercised by a Participant shall be deemed to be void or shall be deemed amended or altered so as not to cause the Award to be considered a "salary deferral arrangement" under the ITA, as defined in subsection 248(1) or create adverse tax consequences under the ITA.

6. **Restricted Share Units**

- (a) **Grants.** The Granting Authority may from time to time grant one or more Awards of Restricted Share Units to Eligible Persons on such terms and conditions, consistent with the RSU Plan, as the Granting Authority shall determine and which terms shall be contained in a grant agreement substantially in the form annexed hereto as Schedule A in respect of Restricted Share Units.

- (b) **Vesting Terms.** Restricted Share Units shall become Vested, no earlier than one year from the date of grant except in the event of death of the holder or the holder ceases to be an Eligible Person in connection with a change of control, takeover bid, reverse takeover, or similar transaction, at such times, in such instalments and subject to such terms and conditions consistent with subsection 5(c) hereof as may be determined by the Granting Authority and set forth in the applicable instrument of grant, provided that the conditions to Vesting of Restricted Share Units may be based on the Participant's continued employment and having regard to the satisfaction of any Performance Criteria established by the Granting Authority, provided however that Restricted Share Units shall become Vested and be paid out no later than December 31 of the third calendar year following the calendar year in which the Grantee rendered the services in respect of which the Award is being made (the "**Trigger Date**").
- (c) **Settlement.** Unless otherwise determined by the Granting Authority (including by the terms of the Award of the RSU Plan) and subject to the immediately preceding sentence and to subsection 6(b) hereof, Restricted Share Units shall be settled upon or as soon as reasonably practicable following the Vesting thereof subject to payment or other satisfaction of all related withholding obligations in accordance with the provisions of this RSU Plan.

Notwithstanding the foregoing, Restricted Share Units shall also Vest in accordance with the following terms:

- (i) upon the death of the Participant, all unvested Restricted Share Units credited to the Participant will Vest on the date the Issuer is duly notified of the Participant's death. The Shares represented by the Restricted Share Units held by the Participant shall be issued, as determined by the Granting Authority, to the Participant's estate forthwith;
- (ii) in the case of Eligible Retirement of the Participant, all unvested Restricted Share Units credited to the Participant will Vest on the date of Eligible Retirement, and the Shares represented by Restricted Share Units held by the Participant shall be issued to the Participant forthwith;
- (iii) in the case of total Disability of the Participant, all unvested Restricted Share Units credited to the Participant will Vest within 60 days following the date on which the Participant is determined to be totally disabled, and the Shares represented by Restricted Share Units held by the Participant shall be issued to the Participant forthwith; and
- (iv) in the case of termination without cause by the Issuer of a Participant (other than Eligible Retirement), all unvested Restricted Share Units credited to the Participant shall Vest on the date of such termination, and the Shares represented by Restricted Share Units held by the Participant shall be issued to the Participant forthwith. For clarity, where a Participant is terminated for cause or where the Participant has voluntarily terminated his/her employment or service with the Issuer, all unvested Restricted Share Units as at the date of such termination or cessation of service shall be immediately cancelled without liability or compensation therefor and be of no further force and effect.

Settlement of Restricted Share Units in Shares shall be made by delivery of one Share for each such Restricted Share Unit then being settled, unless at the sole discretion of the Granting Authority, settlement is made by payment of the cash value of the market price (as defined under the policies of the TSXV) for the Shares as at the date of Vesting in lieu of delivery of one Share for each such Restricted Share Unit for any or all such Restricted Share Units.

Upon payment of any amount pursuant to settlement of Restricted Share Units granted under this section 6 in Shares, the particular Restricted Share Units in respect of which such payment was made shall be cancelled and no further payments (whether in Shares or otherwise) shall be made in relation to such Restricted Share Units.

If any Restricted Share Unit is cancelled in accordance with the terms of the RSU Plan or the agreements evidencing the grant, the Shares reserved for issue pursuant to such Award shall, upon cancellation of such Restricted Share Unit, revert to the RSU Plan and shall be available for other Awards.

- (d) **Dividend Equivalents.** Neither the Participant nor his or her legal personal representative shall have any rights or privileges of a shareholder in respect of any of the Shares issuable upon exercise of the Award granted to him or her (including any right to receive dividends or other distributions therefrom or thereon) unless and until certificates representing such Shares have been issued and delivered.
- (e) **No Other Benefit.**
- (i) No amount will be paid to, or in respect of, a Participant (or a Person with whom the Participant does not deal at arm's length within the meaning of the ITA) under the RSU Plan to compensate for a downward fluctuation in the price of a Share or the value of any Award granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant (or a person with whom the Participant does not deal at arm's length within the meaning of the ITA), for such purpose.
 - (ii) The Issuer makes no representations or warranties to Participants with respect to the RSU Plan or any Restricted Share Units whatsoever. Participants are expressly advised that the value of any Restricted Share Units in the RSU Plan will fluctuate as the trading price of the Shares fluctuates.
 - (iii) In seeking the benefits of participation in the RSU Plan, a Participant agrees to exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of Restricted Share Units.

7. **Consequences of Termination**

- (a) **General Provisions.** Unless otherwise determined by the Granting Authority (including by the terms of the Award or the RSU Plan).
- (i) If a Grantee is terminated for any reason whatsoever other than death, total Disability, Eligible Retirement, termination without cause by the Issuer, subject to subsection 6(c) hereof, any non-vested Award granted pursuant to the RSU Plan outstanding at the time of such termination and all rights thereunder shall wholly and completely terminate and no further Vesting shall occur.
 - (ii) If employment of a Grantee is terminated for cause or retirement which is not Eligible Retirement or is otherwise voluntarily terminated by the Grantee, any non-Vested Award granted pursuant to the RSU Plan outstanding at the time of such termination and all rights thereunder shall wholly and completely terminate and no further Vesting shall occur.
- (b) **Discretion of the Granting Authority.** Notwithstanding any other provision hereof and without limiting the discretion of the Granting Authority, the Granting Authority may (whether by terms of the Award or by its election notwithstanding the terms of an Award):
- (i) allow non-Vested Awards to be treated as Vested upon termination of employment or service of a Participant, as to any or all of termination, death or total Disability;
 - (ii) provide that the Awards with respect to certain classes, types or groups of Participants will have different acceleration, forfeiture, termination, continuation or other terms than other classes, types or groups of Participants;
 - (iii) provide for the continuation of any Award for such period which is not longer than 12 months and upon such terms and conditions as are determined by the Granting Authority in the event that a Participant ceases to be an Eligible Person;
 - (iv) subject to the applicable rules of the Exchange, provide that Vested Awards may be exercised for periods longer or different from those set forth in subsection 7(a) hereof; or
 - (v) set any other terms for the exercise or termination of Awards upon termination of employment or service.

Notwithstanding the foregoing, all Awards granted to Participants who are subject to the ITA shall be on terms that will be designed to prevent them from being considered a "salary deferral arrangement" as defined in subsection 248(1) of the ITA.

- (c) **Leave of Absence.** If an Employee is on sick leave or other bona fide leave of absence, such Person shall be considered an "Employee" for purposes of an outstanding Award during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Granting Authority in its sole discretion), or, if longer, so long as the Person's right to reemployment is guaranteed either by statute or by contract. If the period of leave exceeds 90 days (or such longer period as may be determined by the Granting Authority in its sole discretion), the employment relationship shall be deemed to have been terminated on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Granting Authority) of such leave, unless the Person's right to reemployment is guaranteed by statute or contract.

8. **Transferability**

- (a) **Transfer Restrictions.** No Award, and no rights or interests therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged or otherwise hypothecated or disposed of by a Participant other than by testamentary disposition by the Participant or the laws of intestate succession. No such interest shall be subject to execution, attachment or similar legal process including without limitation seizure for payment of the Participant's debts, judgments, alimony or separate maintenance.
- (b) **Transfer upon Death of Participant.** In the case where transfer is made following the death of a Participant to the Participant's legal personal representative, such legal personal representative may only receive the entitlement under the Award provided that it is exercised (if exercisable) at any time up to and including, but not after, 5:00 p.m. (Vancouver time) on the date which is one year following the date of death of the Participant or up to 5:00 p.m. (Vancouver time) on the date on which the Award granted to such participant expires, whichever is the earlier; such entitlement shall only occur in cases where the Award has Vested in accordance with the provisions of the RSU Plan and where it is found that the Participant is legally entitled to the Award.

9. **Adjustments**

- (a) **No Restriction on Action.** The existence of the RSU Plan and/or the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the shareholders of the Issuer to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the capital structure or business of the Issuer, (ii) any merger, consolidation, amalgamation or change in ownership of the Issuer, (iii) any issue of bonds, debentures, capital, preferred or prior preference shares ahead of or affecting the capital Share of the Issuer or the rights thereof, (iv) any dissolution or liquidation of the Issuer, (v) any sale or transfer of all or any part of the assets or business of the Issuer, or (vi) any other corporate act or proceeding with respect to the Issuer. No Participant or any other Person shall have any claim against any member of the Board or the Granting Authority, or the Issuer or any employees, officers or agents of the Issuer as a result of any such action.

(b) Recapitalization Adjustment

- (i) In the event that (A) a dividend shall be declared upon the Shares or other securities of the Issuer payable in Shares or other securities of the Issuer, (B) the outstanding Shares shall be changed into or exchanged for a different number or kind of shares or securities of the Issuer or of another Company or entity, whether through an arrangement, plan of arrangement, amalgamation, or other similar statutory procedure or a share recapitalization, subdivision, consolidation or otherwise, (C) there shall be any change, other than those specified in (A) or (B) above, in the number or kind of outstanding Shares or of any securities into which such Shares shall have been changed or for which they shall have been exchanged, or (D) there shall be a distribution of assets or shares to shareholders of the Issuer out of the ordinary course of business then, the Granting Authority shall determine whether an adjustment in the number or kind of Shares theretofore authorized but not yet covered by Awards, in the number or kind of Shares theretofore subject to outstanding Awards, in the number or kind of Shares generally available for Awards or available in any calendar year under the RSU Plan and/or such other adjustment as may be appropriate should be made, in order to ensure that, after any such event, the Shares subject to the RSU Plan and each Participant's proportionate interest shall be maintained substantially as before the occurrence of the event, and if the Granting Authority determines that an adjustment should be made, such adjustment shall be made and be effective and binding for all purposes. Any such adjustment other than a Share consolidation or Share split shall be subject to prior approval of the Exchange.
- (ii) Any adjustment to any Award granted to a Participant which has been designed to fall within a specific exemption to the definition of "salary deferral arrangement" in subsection 248(1) of the ITA shall be such as to ensure the continued availability of such exemption.

10. Amendment and Termination

- (a) **General.** Subject to subsection 10(b), the prior approval of any stock exchange on which the Companies securities are listed, the Board may terminate, suspend or amend the terms of this RSU Plan; provided that any such amendment is, subject to subsection 10(b), subject to shareholder approval or disinterested shareholder approval of the Company, as the case may be, pursuant to the policies of such stock exchange.
- (b) **Shareholder Approval.** Any amendment to this RSU Plan shall be subject to shareholder approval or disinterested shareholder approval, as the case may be, as well prior approval of the Exchange (prior to such shareholder approval or disinterested shareholder approval) is necessary for any amendment to this RSU Plan; provided however, that this RSU Plan shall not be subject to approval of the Exchange or approval of the shareholders of the Company for: (i) amendments to fix typographical errors; and (ii) amendments to clarify existing provisions of this RSU Plan that do not have the effect of altering the scope, nature and intent of such provisions.

11. Regulatory Approval

Notwithstanding anything herein to the contrary, the Issuer shall not be obligated to cause to be issued any Shares or cause to be issued and delivered any certificates evidencing Shares pursuant to the RSU Plan, unless and until the Issuer is advised by its legal counsel that the issue and delivery of the Shares and such Share certificates is in compliance with all applicable laws, regulations, rules, orders of governmental or regulatory authorities in Canada, the United States and any other applicable jurisdiction, and the requirements of the Exchange. The Issuer shall in no event be obligated to take any action in order to cause the issue or delivery of Shares or such certificates to comply with any such laws, regulations, and delivery of such Shares or certificates and in order to ensure compliance with such laws, regulations, rules, orders and requirements, that the Participant, or any permitted transferee of the Participant under section 7 hereof or, after his or her death, the Participant's estate, as described in section 7 hereof, make such covenants, agreements and representations as the Granting Authority deems necessary or desirable.

12. No Additional Rights

No Person shall have any claim or right to be granted Awards under the RSU Plan, and the grant of any Awards under the RSU Plan shall not be construed as giving a Participant any right to continue in the employment of the Issuer or affect the right of the Issuer to terminate the employment of a Participant. Unless otherwise determined by the Granting Authority, neither any period of notice, if any, nor any payment in lieu thereof, upon Termination shall be considered as extending the period of employment for the purposes of the RSU Plan.

13. Miscellaneous Provisions

- (a) **Shareholder Rights.** A Participant shall not have the right or be entitled to exercise any voting rights, receive any dividends or have or be entitled to any other rights as a shareholder in respect of Shares subject to an Award unless and until such Shares have been paid for in full and issued and certificates therefor have been issued to the Participant. A Participant entitled to Shares as result of the settlement of a Restricted Share Unit shall not be deemed for any purpose to be, or have any such rights as a shareholder of the Issuer by virtue of such exercise or settlement, except to the extent a Share certificate is issued therefor and then only from the date such certificate is issued. No adjustment shall be made for dividends or distributions or other rights for which the record date is prior to the date such Share certificate is issued.
- (b) **Withholding.** The Issuer or any Affiliate may withhold from any amount payable to a Participant, either under this RSU Plan or otherwise, such amount as may be necessary so as to ensure that the Issuer or any Affiliate will be able to comply with the applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or that any other required deductions are paid or otherwise satisfied, at the minimum statutory rate. Subject to the other provisions of the RSU Plan, the Issuer shall also have the right in its discretion to satisfy any such liability for withholding or other required deduction amounts by retaining or acquiring any Shares, or retaining any amount payable, which would otherwise be issued or delivered, provided or paid to a Participant hereunder. The Issuer may require a Participant, as a condition to the settlement of a Restricted Share Unit, to pay or reimburse the Issuer for any such withholding (at the minimum statutory rate) or other required deduction amounts related to the settlement of Restricted Share Units.
- (c) **Governing Law.** The RSU Plan, all instruments of grant evidencing Awards granted hereunder and any other agreements or other documents relating to the RSU Plan shall be interpreted and construed in accordance with the laws of British Columbia (and the federal laws having application therein), except to the extent the terms of the RSU Plan, any supplement to the RSU Plan, or the Award in question expressly provides for application of the laws of another jurisdiction. The Granting Authority may provide that any dispute as to any Award shall be presented and determined in such forum as the Granting Authority may specify, including through binding arbitration. Any reference in the RSU Plan, in any instruments of grant evidencing Awards granted hereunder or in any other agreement or document relating to the RSU Plan to a provision of law or to a rule or regulation shall be deemed to include any successor law, rule or regulation of similar effect or applicability.
- (d) **Compliance with Securities Laws.** The obligation of the Issuer to issue and deliver Shares in accordance with the RSU Plan is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Issuer. If Shares cannot be issued to a Participant upon the exercise of an Award for any reason whatsoever, the obligation of the Issuer to issue such Shares shall terminate and any funds paid to the Issuer in connection with the exercise of such Award will be returned to the relevant Participant as soon as practicable.
- (e) **Compliance with Laws of Other Jurisdictions.** Awards may be granted to Participants who are citizens or residents of a jurisdiction other than Canada or the United States on such terms and conditions different from those under the RSU Plan as may be determined by the Granting Authority to be necessary or advisable to achieve the purposes of the RSU Plan while also complying with applicable local laws, customs and tax practices, including any such terms and conditions as may be set forth in any supplement to the RSU Plan intended to govern the terms of any such Award. In no event shall the eligibility, grant, exercise or settlement of an Award constitute a term of employment, or entitlement with respect to employment, of any employee.

- (f) **Funding.** Except as would not result in adverse tax consequences to a Participant, no provision of the RSU Plan shall require or permit the Issuer, for the purpose of satisfying any obligations under the RSU Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Issuer maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the RSU Plan other than as unsecured general creditors of the Issuer, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other Eligible Persons under general law.
- (g) **No Guarantee of Tax Consequences.** Neither the Board, nor the Issuer nor the Granting Authority makes any commitment or guarantee that any specific tax treatment will apply or be available to any Person participating or eligible to participate hereunder.

14. **Effective Date and Term of RSU Plan**

- (a) **Effective Date of the Plan.** The RSU Plan shall initially become effective on the Shareholder Approval Date, which follows the prior approval of the Exchange. The effective date of any amendment to this RSU Plan shall be the date of approval by the shareholders of the Issuer following prior approval of the Exchange. If the shareholders do not approve the RSU Plan or any amendments to the RSU Plan, the RSU Plan or such amendments shall not be effective, and any and all actions taken prior thereto under the amendments effected hereby, including the making of any Awards subject to such approval being obtained, shall be null and void or shall, if necessary, be deemed to have been fully rescinded.
- (b) **Effect on Existing Awards.** Subject to subsection 14(a) hereof, all new Awards granted on or after the effective date of the amendments as provided in subsection 14(a) hereof are granted under and subject to the terms of this RSU Plan as amended and restated and shall continue to be governed by the terms of such RSU Plan and to the terms of their individual granting instruments as in effect from time to time including provisions concerning change of control or other related events.
- (c) **Termination.** The Board may suspend or terminate the RSU Plan at any time, provided that such suspension or termination shall not affect any Awards that became effective pursuant to the RSU Plan prior to such termination or suspension.

THIS RESTRICTED SHARE UNIT AGREEMENT (the "**Agreement**") is made as of the ● day of ●, ●.

B E T W E E N :

York Harbour Metals Inc.

(herein called the "**Issuer**")

- and -

●

(herein called the "**Grantee**")

This Agreement is made pursuant to the terms and conditions of the Issuer's Restricted Share Unit Compensation Plan (in effect from time to time, the "**RSU Plan**"), which is incorporated by reference herein. The Grantee accepts the terms and conditions of the RSU Plan and all rules and procedures adopted thereunder, as amended from time to time. In the event of any inconsistency between the terms of this Agreement and the terms of the RSU Plan, the terms of the RSU Plan shall prevail. Certain terms with initial capital letters used in this Agreement have the meanings set out in the RSU Plan.

Each RSU (as defined below) granted to the Grantee hereunder represents a right of the Grantee to receive one common share of the Issuer as presently constituted (each a "**Share**") on the terms set out herein.

The Issuer has granted to the Grantee, as of the Grant Date set out in exhibit 1 attached hereto, that number of restricted share units (the "**RSUs**") equal to the number of RSUs set out in exhibit 1 attached hereto, upon the terms and conditions set out in this Agreement, including the following:

Restricted Share Units. Each RSU granted to the Grantee hereunder represents a right of the Grantee to receive one Share on the date the said RSU vests.

Grantee's Notional Account. The Issuer shall maintain in its books a notional account for the Grantee (the "**Grantee's Account**") recording the number of RSUs granted to the Grantee and the number of RSUs that have Vested. Upon payment in satisfaction of vested RSUs through the issue of Shares from treasury, such Vested RSUs shall be cancelled.

Vesting. Subject to the earlier vesting provisions set out herein, the RSUs granted by the Issuer to the Grantee as set out on exhibit 1 attached hereto shall vest in accordance with the vesting provisions set out on exhibit 1 attached hereto (provided that in no event will the Grantee become entitled to acquire a fraction of a Share).

Notwithstanding the vesting provisions above, in the event of a Change of Control while the Grantee is employed by the Issuer or a wholly owned subsidiary of the Issuer or in the event that the Grantee terminates employment with the Issuer and its Subsidiaries by reason of Eligible Retirement, death or total Disability (as determined by the Committee in good faith) (each an "Accelerated Vesting Event"), the non-vested RSUs will:

- (i) in the case of a Change of Control, Eligible Retirement or death being the Accelerated Vesting Event, immediately become 100% vested, or
- (ii) in the case of total Disability being the Accelerated Vesting Event, vest on the 60th day following the Grantee's termination.

If the Grantee terminates employment with the Issuer and its Subsidiaries for any reason other than such Eligible Retirement, total Disability or death or termination without cause, any non-vested RSUs granted hereunder will be immediately cancelled without liability or compensation therefor and be of no further force and effect. For clarity, where the Grantee voluntarily terminates his/her employment with the Issuer or is otherwise terminated by the Issuer for cause, all non-Vested RSUs of the Grantee shall be immediately cancelled without compensation or liability therefor and be of no further force and effect.

In no event will the Grantee become entitled to acquire a fraction of a Share.

Settlement of Vested RSUs. Payment to the Grantee in respect of Vested RSUs will be made in the form of Shares only and will be evidenced by book entry registration or by a certificate registered in the name of the Grantee as soon as practicable following the date on which the RSUs become Vested; provided that the settlement date shall not be later than the third anniversary of the Grant Date and all payments in respect of Vested RSUs in the Grantee's Account shall be paid in full on or before December 31 of the same calendar year.

No Shareholder Rights. The Grantee will have none of the rights of a shareholder of the Issuer with respect to any Shares underlying the RSUs, including the right to vote such shares and receive any dividends that may be paid thereon, until such time, if any, that the Grantee has been determined to be a shareholder of record by the Issuer's transfer agent or one or more certificates of Shares are delivered to the Grantee in settlement thereof. Further, nothing herein will confer upon the Grantee any right to remain in the employ of the Issuer or its Subsidiaries.

RSUs Non-Transferable. RSUs are non-transferable (except to a Grantee's estate as contemplated under this Agreement).

No Other Benefit. No amount will be paid to, or in respect of, the Grantee under the RSU Plan to compensate for a downward fluctuation in the value of the Shares, nor will any other form of benefit be conferred upon, or in respect of, the Grantee for such purpose.

The Issuer makes no representations or warranties to the Grantee with respect to the RSU Plan or the RSUs whatsoever. The Grantee is expressly advised that the value of the RSUs in the RSU Plan will fluctuate as the value of Shares fluctuates.

In seeking the benefits of participation in the RSU Plan, the Grantee agrees to exclusively accept all risks associated with a decline in the value of Shares and all other risks associated with participation in the RSU Plan.

Withholding Tax. As set out in section 13 of the RSU Plan, if the Issuer determines that under the requirements of applicable tax laws the Issuer is obligated to withhold for remittance to any taxing authority any amount, the Issuer may require the Grantee to pay to the Issuer, such amount as the Issuer is obliged to remit in connection with the issue of the Shares as set out in section 13 of the RSU Plan.

Income Taxes: The Grantee acknowledges that he/she will be liable for income tax relating to grants and dispositions of RSUs. The Grantee hereby acknowledges that the Issuer is making no representation to him/her regarding taxes applicable to the Grantee and the Grantee will confirm the tax treatment with his/her own tax advisor.

No Inducement. By executing a copy of this Agreement, the Grantee hereby accepts the grant of RSUs and hereby confirms and acknowledges that his or her participation in the RSU Plan is voluntary and that he or she has not been induced to enter into this Agreement or participate in RSU Plan by expectation of employment or continued employment with the Issuer.

Reorganization. The existence of any RSUs shall not affect in any way the right or power of the Issuer or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Issuer's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Issuer or to create or issue any bonds, debentures, shares or other securities of the Issuer or the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Issuer or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Binding Effect. This Agreement shall enure to the benefit of and be binding upon the Issuer and the Grantee and each of their respective heirs, executors, administrators, successors and assigns.

Unfunded and Unsecured RSU Plan. Unless otherwise determined by the Board, this Agreement and the RSU Plan shall be unfunded and the Issuer will not secure its obligations under this Agreement or the RSU Plan. To the extent any Grantee or his or her estate holds any rights by virtue of a grant of RSUs under this Agreement, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Issuer.

Governing Law. This Agreement shall be governed by, and interpreted in accordance with, the laws of the Province of British Columbia and the laws of Canada applicable therein, without regard to principles of conflict of laws.

Effective Date. The effective date of this Agreement shall be the Grant Date.

Severability. The invalidity or unenforceability of any provision of the RSU Plan or Agreement shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from this Agreement.
