## **Herbal Clone Bank Canada Inc. to resume trading**

Further to the Company's news release of August 29, 2014 which advised that the Company had received conditional approval for its fundamental change of business, the Company expects that the CSE will publish a bulletin shortly to announce the resumption of trading at the opening on September 08, 2014 with a new trading symbol of CSE: HC.

The Company wishes to welcome Mr. Marc Geen to the Company's Board of Directors and also as Director of Business Development. As the owner and general manager of GreenworksRx, Rock Creek BC, Mr. Geen brings additional marijuana industry expertise to the Company. Formerly operations manager for Canada's third largest ginseng operation and with over 25 years of horticultural and agriculture operation experience, he is uniquely qualified to assess business opportunities.

"With many opportunities at our doorstep, having Marc on our team will allow us to better investigate projects presented to us in a more timely fashion. In addition to working with Health Canada on our MMPR license to forward our Canadian business model, we are also working with a Washington State Tier 3 licensee to provide our technology, expertise and greenhouse operating model to the contemplated production and processing business of the licensee" states Ron Shenton, Director.
