Coachella Planning Commission Grants Approval of Conditional Use Permit (CUP) to High Hampton's CoachellaGro Operation

Toronto, Ontario - High Hampton Holdings Corp. (CSE: HC)(FSE: OHCN) ("**High Hampton**" or the "**Company**") today announced that it has appeared in front of the Coachella City Planning Commission on May 2nd to present and respond to final questions regarding its 10.8 acre CoachellaGro property situated in the cannabis industrial park in Coachella, California. The purpose was to grant approval by the planning commission for a conditional use permit (CUP) for cannabis farming. The Company is pleased to report that the remaining questions were resolved to the satisfaction of the commission who has now approved and recommended to Coachella City Council to grant a conditional use permit for the CoachellaGro property, which is expected to be issued at the next city council meeting before month's end.

David E. Argudo, CEO of High Hampton, commented:

"It has been a diligent application process with significant work completed by our executive management team and our experienced Infrastructure Engineers team, and we are very pleased to have received an approval from the Coachella Planning Commission to award a conditional use permit. Once City Council issues the permit, we can move forward with the selection of a construction team and breaking ground at CoachellaGro."

About High Hampton Holdings Corp.

High Hampton Holdings Corp. is a cannabis sector investment company focused on opportunities in California. The Company's wholly owned subsidiary, CoachellaGro Corp., is a California corporation focused on the development of a 10.8-acre property situated in the proposed cannabis industrial park located in Coachella, California. CoachellaGro is in the application process for a conditional use permit for development of a full-service production facility in order to serve third party state licensed medical marijuana operators. The City of Coachella has been progressive in setting up city ordinance that sets aside over 90 acres within

which will be a legal framework for the cultivation, production, extraction and transportation of cannabis. The complex is intended to contain all the necessary; security, infrastructure, equipment, labour and skilled management, supplies and ancillary services for a closed loop production process flow.
