**(containing information as at June 1, 2016)**

**For the Annual General Meeting**  
**To Be Held on July 8, 2016**

**SOLICITATION OF PROXIES**

This Information Circular is furnished in connection with the solicitation of proxies by the Management of Bethpage Capital Corp. (the "Company"), for use at the Annual General meeting (the "Meeting"), of the shareholders (the "Shareholders") of the Company, to be held on Friday, the 8th day of July, 2016, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

**APPOINTMENT AND REVOCATION OF PROXIES**

The persons named in the accompanying form of Proxy (the "Proxy") are Directors and/or Officers of the Company. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY ("INSTRUMENT OF PROXY"). TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE COMPANY'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE TRUST COMPANY OF CANADA, 100 UNIVERSITY AVENUE, 9TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF.**

The Instrument of Proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited at the Company's Registrar and Transfer Agent, Computershare Trust Company of Canada, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

**VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES**

On any poll, the persons named in the enclosed Instrument of Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The Instrument of Proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "Ordinary Resolution") unless the motion requires a "Special Resolution", in which case a majority

of not less than 66⅔% of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval (the "**Disinterested Shareholder Approval**"), common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

### **ADVICE TO BENEFICIAL SHAREHOLDERS**

**The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name.** Shareholders who do not hold their common shares in their own name (referred to in this information circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own ("**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are ("**NOBOs**" for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs.

This year, the Company has decided to take advantage of those provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (VIF) from our Transfer Agent, Computershare Trust Company of Canada ("**Computershare**"). These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

With respect to Beneficial Shareholders who are OBOs, regulatory rules require intermediaries/brokers to seek voting instructions in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders who are OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder who is an OBO by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such common shares are voted.**

These security holder materials are being sent to both registered and non-registered owners of the shares of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

In accordance with the provisions of National Instrument 54-101, the Company has elected not to pay for mailing to OBO's. As a result, OBO's will only receive paper copies of proxy-related materials if the OBO's intermediary assumes the costs of delivery.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.**

#### **VOTING SHARES AND PRINCIPAL HOLDERS THEREOF**

The Company's authorized capital consists of an unlimited number of common shares ("**Common Shares**") without par value, each share carrying the right to one vote, of which 8,300,000 Common Shares are issued and outstanding as at June 1, 2016 and an unlimited number of Preferred Shares of which none are outstanding as at June 1, 2016. The Company has no other classes of securities.

Any Shareholder of record at the close of business on June 1, 2016 who either personally attends the Meeting or who has completed and delivered a Proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

To the best of the knowledge of the directors and senior officers of the Company, no person holds, directly or indirectly, or exercise control or direction, over more than 10% of the issued and outstanding Common Shares of the Company

## **COMPENSATION DISCUSSION AND ANALYSIS**

The Company's process for determining executive compensation is simple. All matters relating specifically to senior executive compensation are reviewed and approved by the board of directors based on the Company's operational and management needs from time to time. The Company has not established a formal compensation plan or performance milestones applicable to NEO compensation. Rather, the board of directors of the Company is responsible for determining compensation payable to the individual directors and officers of the Company, including the NEOs.

The Company's overall policy regarding compensation of the Company's executive officers is structured to provide competitive salary levels and compensation incentives that support both the short-term and long-term goals of the Company, attract and retain qualified executive management and establish a compensation framework which is industry competitive, while taking into account the time and commitment each NEO must devote to the management of the affairs of the Company. The Company's policy is to recognize and reward individual performance as well as to place executive compensation within the range of the compensation levels in the industry, based on comparison to compensation paid by other reporting issuers on whose boards the directors of the Company currently serve, which are listed in Schedule B to this Information Circular. Currently, NEOs are paid management fees on an hourly basis for work performed. See disclosure in *Summary Compensation Table*, below.

Officers are eligible under the Company's Stock Option Plan (the "**Plan**") to receive grants of stock options. The Plan is an important part of the Company's long-term incentive strategy for its officers, permitting them to participate in any appreciation of the market value of the Common Shares over a stated period of time. The Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Company and the degree to which such officer's long-term contribution to the Company will be key to its long-term success.

The board has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the board when implementing its compensation policies and the board do not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

The Company does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, management is not aware of any NEO or director purchasing such an instrument.

The following table sets out certain information respecting the compensation paid to NEOs during the three most recently completed financial years:

#### ITEM 1. BOARD OF DIRECTORS

Generally, the board of directors (the "**Board**") of the Company facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board. As circumstances require, the Board meets without management present, and convenes meetings, as deemed necessary, of the independent directors, at which meetings non-independent directors and members of management are not in attendance. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. Mr. Vince Sorace is the President of the Company and is therefore not independent.

#### ITEM 3. ORIENTATION AND CONTINUING EDUCATION

The Board briefs all new directors with the policies of the Board, and other relevant corporate and business information.

#### ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance

for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

**ITEM 5. NOMINATION OF DIRECTORS**

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

**ITEM 6. COMPENSATION**

The Board conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies.

**ITEM 7. OTHER BOARD COMMITTEES**

The Board has no other committees other than the audit committee.

**ITEM 8. ASSESSMENTS**

On an ongoing basis, the Boards monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the board and committees. On an ongoing annual basis, the Board assesses the performance of the Board as a whole, each of the individual directors and each committee of the Board in order to satisfy itself that each is functioning effectively. The Board will review its composition on an on-going basis with a view to ensuring its membership includes sufficient independent directors. Where circumstances arise where the Board determines that the principals of independence described in Item 1, above, are not adequately met, the Board will endeavour to increase its membership to include additional independent directors and to ensure it is functioning independently of management.
