GREENSTAR BIOSCIENCES PROVIDES CORPORATE UPDATE ON OPERATIONS

September 3, 2019, Vancouver, B.C. – GreenStar Biosciences Corp. (“**GreenStar**” or the “**Company**”) (CSE:GSTR), a growth-oriented technology and services company that provides real estate, financial, management and other support to licensed cannabis businesses in the United States, is pleased to provide the following update to inform shareholders about its current operations.

GreenStar’s current primary business involves the leasing, branding and intellectual property of Cowlitz County Cannabis Cultivation Inc. (“**Cowlitz**”), a licensed cannabis producer and processor located in Washington State. Cowlitz continues to generate strong sales results with revenues of approximately US\$10.27 million for the six month period ended June 30, 2019 as reported to the Washington State Liquor and Cannabis Board (“**WSLCB**”). Cowlitz previously reported to the Company that it exceeded US\$14 million in revenue for the 2018 calendar year and is on pace to exceed that figure in 2019 as the company continues to have a loyal and growing consumer base.

In Washington State, total cannabis sales continue to show year over year increases. The WSLCB reports cannabis sales (retailer, producer and processor sales) of US\$786 million for fiscal year 2016 increasing to US\$1.37 billion for fiscal year 2017. 2018 sales of US\$972 million reflect only retailer sales which increased from US\$851 million for 2017.

“We are extremely pleased with the strong sales figures of Cowlitz for the first six months of 2019. Their year over year sales growth demonstrates strong operational ability in the highly competitive Washington State market. Furthermore, GreenStar will continue to run a parallel path forward on the multi-state model, with Cowlitz as a strong base.”

Cowlitz is a leading producer, marketer and vendor in the Washington State recreational cannabis market. Known for sourcing high-quality cannabis sold at affordable prices to a broad and established consumer base, the portfolio of branded products is available at approximately 20% of cannabis retailers throughout Washington State. Cowlitz is one of the top processors of cannabis in Washington and is one of the largest independent buyers of dried flower, producing over 200,000 pre-rolls monthly. Currently, Cowlitz produces flower, dabs, pre-rolls, a full spectrum of cannabinoid powder, and infused joints under brand categories: “Dab Dudes” – affordably priced vape cartridges, butane hash oil (“BHO”) waxes and crystalline, “Hi Guys” – the ‘working man’s weed’, including flower, joints and BHO, and “Cowlitz Gold” – premium flower, joints, BHO and vape cartridges. Cowlitz branded products are currently available in over 150 of the dispensaries in Washington State.

2019 Cowlitz sales information noted above is based on sales Cowlitz had reported through the Washington State mandated seed-to-sale cannabis traceability system. While Washington State law and regulations require that such information be accurate, this information is unaudited and is not under GreenStar’s control. Cowlitz is not a subsidiary of GreenStar.

In addition, the Company announces it has granted stock options to acquire a total of 1,275,000 common shares of the Company to certain officers, directors and consultants of the Company. The options are

exercisable at a price of \$0.115 per share and expire five years from the date of grant. The options are subject to vesting provisions where 50% of the options vest immediately and 50% vest on the first anniversary of the grant date.
