INFORMATION CIRCULAR
(As at April 10, 2015, except as indicated)

Unique Resources Corp. (the "**Company**") is providing this Information Circular and a form of proxy in connection with management's solicitation of proxies for use at the annual and special general meeting (the "**Meeting**") of the Company to be held on Wednesday, May 13, 2015 at 10am PST and at any adjournments. The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation.

NOTICE-AND-ACCESS

The Company is not sending this Information Circular to registered or non-registered (beneficial) shareholders using "notice-and-access" as defined under NI 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder's behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, TMX Equity Transfer Services, 650 West Georgia Street, Suite 2700, Vancouver, British Columbia, V6B 4N9 not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as: a brokerage firm through which they purchased the shares; a bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or a clearing agency such as The Canadian Depository for Securities Limited (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the form of proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you are a non-registered holder and wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In addition, Canadian securities legislation permits the Company to forward meeting materials directly to "non objecting beneficial owners". These securityholder materials are being sent to both registered and non-registered holders. If you are a non-registered holder, and the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

REVOCABILITY OF PROXY

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the

Meeting. **Only registered shareholders have the right to revoke a proxy. Non-registered holders who wish to change their vote must, at least 7 days before the Meeting, arrange for their Nominees to revoke the proxy on their behalf.**

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value (the "shares"), of which 14,454,148 shares are issued and outstanding as of April 10, 2015. Persons who are registered shareholders at the close of business on April 10, 2015 will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held.

To the knowledge of the directors and officers of the Company, no person beneficially owns, as of the date hereof, directly or indirectly, or exercises control or direction over, more than 10% of the Company's Common Shares other than the following:

In the absence of instructions to the contrary, the enclosed proxy will be voted by the Management Proxyholders for the nominees herein listed.

No proposed director is to be elected under any arrangement or understanding between the proposed director and any other person or company, except the directors and executive officers of the Company acting solely in such capacity.

To the knowledge of the Company, except as disclosed below, none of the directors or executive officers is, as at the date of this Information Circular, or has been, within ten years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company that:

- a) was subject to an Order (as defined below) that was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer; or
- b) was subject to an Order that was issued after the director or executive officer ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

In May 2006, management of Peterborough Capital Corp. ("Peterborough") applied to the British Columbia Securities Commission (the "BCSC") for, and the BCSC issued on May 2, 2006, a management

cease trade order as part of a voluntary process where specific insiders and management are subject to a cease trade order as a result of the delay in the filing of Peterborough's audited financial statements for the year ended December 31, 2005. On May 19, 2006, the Alberta Securities Commission issued a similar management cease trade order, which expired on July 10, 2006. Peterborough filed its audited financial statements for the year ended December 31, 2005 on July 6, 2006, and the management cease trade order was revoked by the BCSC on August 10, 2006. At the time, Gary Freeman was a director of Peterborough and Mr. Freeman was subject to the management cease trade order.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development, although no formal benchmark group of companies is established. The Compensation of NEOs (as defined below) is determined by the Company's Compensation Committee. The Company pays GRF Consulting Corp. and Cardey Management Corp. (companies controlled respectively by Gary Freeman and Darryl Cardey) monthly fees, as described below. All other compensation awarded to NEOs is in the form of incentive stock options based on the value such NEOs create for the Issuer's shareholders.

Option-based awards

The Company's current stock option plan has been used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers, the Compensation Committee takes into account the number of options, if any, previously granted to each executive officer, and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSX Venture Exchange (the "TSXV"), and closely align the interests of the executive officers with the interests of shareholders.

The Compensation Committee has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based awards.

Summary Compensation Table

The following table sets forth all annual and long term compensation for services in all capacities to the Company for the three most recently completed financial years of the Company in respect of each of the individuals comprised of each Chief Executive Officer and the Chief Financial Officer who acted in such capacity for all or any portion of the most recently completed financial year, and each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, (other than the Chief Executive Officer and the Chief Financial Officer), as at September 30, 2014 whose total compensation was, individually, more than \$150,000 for the financial year and any individual who would have satisfied these criteria but for the fact that individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of the most recently completed financial year (collectively the "**Named Executive Officers**" or "**NEOs**").

NEO Name and Principal Position	Year	Salary (\$)	Share-Based Awards (\$)	Option-Based Awards (\$)	Non-Equity Incentive Plan Compensation (\$)		Pension Value (\$)	All Other Compensation (\$)	Total Compensation (\$)
					Annual Incentive Plans	Long-term Incentive Plans			
Gary Freeman CEO	2014	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil

	2012	Nil	Nil	20,036 ⁽¹⁾	Nil	Nil	Nil	118,000 ⁽³⁾	137,536

- (1) The Company used the Black-Scholes model as the methodology to calculate the grant date fair value, and relied on the following key assumptions and estimates for each calculation: fair value of common shares on grant date – \$0.15; estimated stock price volatility 110.61%; expected dividend rate – Nil%; risk free rate 1.66%
- (2) Consulting fees paid to GRF Consulting Corp., a company controlled Gary Freeman.

National Policy 58-201 establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Independence of Members of Board

The Company's board of directors consists of four directors, two of whom are independent based upon the tests for independence set forth in NI 52-110. Cale Moodie and James Dawson are independent. Gary Freeman is not independent as he is the President, Chief Executive Officer, Corporate Secretary and Director of the Company. Darryl Cardey is not independent, as he is the Chief Financial Officer of the Company.

Management Supervision by Board

The size of the Company is such that all the Company's operations are conducted by a small management team which is also represented on the Board. The Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing and supervising the operations of the Company and have regular and full access to management. The independent directors are however able to meet at any time without any members of management including the non-independent directors being present. PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Adoption of New Articles

The Company is seeking shareholder approval for a new form of articles ("**Articles**"). The directors of the Company believe that adopting the Articles will enable the Company to be more efficient, flexible and cost-effective and will bring the Company's charter documents into line with charter documents of other public companies.

The Articles will provide the Company with greater flexibility for future corporate activities, including the consolidation of the Company's shares and change of name contemplated in connection with the proposed acquisition of Bee Vectoring Technology Inc., as described in the Company's news release of March 13, 2015. If the Articles are approved by shareholders, the Company expects that it will, by way of directors' resolution, approve a 2.4 to 1 share consolidation and a name change in connection with its acquisition of Bee Vectoring Technology Inc.

Major changes from the existing articles include provisions in the Articles allowing certain changes to the share structure of the Company to be made by way of directors' resolution, instead of requiring a special resolution of shareholders, including changes to:

- (a) create one or more classes or series of shares or, if none of the shares of a class or series of shares are allotted or issued, eliminate that class or series of shares;

- (b) increase, reduce or eliminate the maximum number of shares that the Company is authorized to issue of any class or series of shares or establish a maximum number of shares that the Company is authorized to issue out of any class or series of shares for which no maximum is established;
- (c) subdivide or consolidate all or any of its unissued, or fully paid issued, shares;
- (d) if the Company is authorized to issue shares of a class of shares with par value:
 - i. decrease the par value of those shares; or
 - ii. if none of the shares of that class of shares are allotted or issued, increase the par value of those shares;
- (e) change all or any of its unissued shares with par value into shares without par value or any of its unissued shares without par value into shares with par value or change all or any of its fully paid issued shares with par value into shares without par value; or
- (f) alter the identifying name of any of its shares.

The Articles will also allow directors, by way of directors' resolution, to approve a change of the Company's name without the necessity for shareholder approval.

In addition, the Articles include provisions to ensure that the Company may make use of the new "notice-and-access" method of sending proxy materials to shareholders, if and when the Company desires to do so.

The information above regarding the Articles is subject to and qualified in its entirety by reference to the full text of the Articles. The Articles and the Company's existing articles will be available for inspection by shareholders during normal business hours prior to the date of the Meeting at the Company's office at Suite 480, 789 West Pender Street, Vancouver, B.C., and can also be requested by contacting the Company at 604-638-8063. These documents will also be available at the Meeting.

The resolution approving the Articles must be passed by not less than two-thirds of the votes cast by the shareholders present in person or by proxy at the Meeting. Shareholders will be asked to consider and, if thought fit, to pass the following special resolution:

"UPON MOTION IT WAS RESOLVED, as a special resolution, that:

- (a) the Company adopt the new form of articles in substitution for the existing articles of the Company;
- (b) any director or officer of the Company is authorized to execute and file such documents and take such further action as may be necessary to effect the adoption of the new form of articles; and
- (c) the board of directors of the Company is hereby authorized, at any time in its sole discretion, to determine whether or not to proceed with this resolution without further approval, ratification or confirmation by the shareholders."

The Board of Directors of the Company recommends that shareholders vote FOR the resolution to approve the Articles. Unless otherwise instructed, the persons named as proxyholder in the enclosed form of proxy intend to vote in favour of approving the Articles.

The Articles shall have effect immediately on the date and time the Articles are deposited for filing in the Company's records office.

Approval and Ratification of Stock Option Plan

The board of directors of the Company implemented and adopted a stock option plan (the "**Stock Option Plan**") effective November 17, 2011, which was subsequently approved by the TSXV and the Company's shareholders. The number of common shares which may be issued pursuant to options previously granted and those granted under the Stock Option Plan is a maximum of 10% of the issued and outstanding common shares at the time of the grant. Under TSXV policy, all such "rolling" stock option plans must be approved and ratified by shareholders on an annual basis.

The purpose of the Stock Option Plan is to attract and motivate directors, senior officers, employees, management company employees and consultants (collectively, the "Optionees") and to give such persons, as additional compensation, the opportunity to participate in the success of the Company. Under the Stock Option Plan, options are exercisable over periods of up to 10 years as determined by the Company's board of directors and are required to have an exercise price no less than the closing market price of the Company's common shares on the trading day immediately preceding the day on which the Company announces the grant of options (or, if the grant is not announced, the closing market price prevailing on the day that the option is granted), less the applicable discount, if any, permitted by the policies of the TSXV and approved by the Company's board of directors. The number of shares which may be reserved for issuance to any one individual may not exceed 5% of the issued shares on a yearly basis (without shareholder approval) or 2% if the optionee is engaged in investor relations activities or is a consultant. The Stock Option Plan contains no vesting requirements, but permits the Company's board of directors to specify a vesting schedule in its discretion, subject to the minimum vesting requirements of the TSXV, if any.

The Stock Option Plan provides that, on the death or disability of an option holder, all vested options will expire at the earlier of 365 days after the date of death or disability and the expiry date of such options. Where an optionee is terminated for cause, any outstanding options (whether vested or unvested) are cancelled as of the date of termination. If an optionee retires or voluntarily resigns or is otherwise terminated by the Company other than for cause, then all vested options held by such optionee will expire at the earlier of (i) the expiry date of such options and (ii) the date which is 90 days (30 days if the optionee was engaged in investor relations activities) after the optionee ceases its office, employment or engagement with the Company.

The full text of the Stock Option Plan is available for viewing up to the date of the Meeting at the Company's registered and records office 10th Floor, 595 Howe Street, Vancouver, British Columbia and will also be available for review at the Meeting.

Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote for the approval of the Stock Option Plan.

At the Meeting, shareholders will be asked to pass a resolution in the following form:

"UPON MOTION IT WAS RESOLVED that the Company approve and ratify, subject to regulatory approval, the stock option plan pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding common shares at the time of the grant, with a maximum of 5% of the Company's issued and outstanding shares being reserved to any one person on a yearly basis."
