**GEONOVUS MEDIA CORP ANNOUNCES WIEBE AS PRESIDENT AND SUTTON TO JOIN
ADVISORY BOARD**

April 27th, 2015, VANCOUVER, B.C. – GEONOVUS MEDIA CORP. (GNM – CSE) (“GeoNovus” or the “Company”) is pleased to report the appointment of Director Colin Wiebe as the Company’s new President.

The Company further announces the appointment of Mr. Brayden R. Sutton to its Advisory Board. Mr. Sutton is a creative and “outside the box” entrepreneur with a strong passion for film and music. He thrives on creating exceptional client relationships and is very experienced in bringing small to medium-sized businesses into profitability using awareness campaigns and community building to drive revenue.

Mr. Sutton is a capital markets expert with 15 years of proven investing and business-building success. He has led various initiatives and teams in IT, media and finance and has been involved with numerous public offerings, IPOs and M&A.

Director Joe Wowk states “We are privileged and very pleased to have Brayden join our team. His long history in capital markets and high level of knowledge and expertise of both film and the main stream media will greatly benefit our company and our shareholders. We look forward to working together with him to achieve our common goals”

GeoNovus Media Corp is a global entertainment company with a diversified presence in motion picture production and distribution, music creation and music publishing, family entertainment, digital distribution, new streaming media platforms and international distribution and sales.

The new Company website will be launched in the near future. For further information please contact: 604-683-3995.

ON BEHALF OF THE BOARD

Joe Wowk

Director, GeoNovus Media Corp.
