About Imagination Park

Imagination Park Technologies Inc. (CSE: IP) (OTC: IPNFF) is an augmented reality (AR) platform that enables businesses of any size to create and implement their own AR campaigns with no programming or technology experience. Every organization, from professional sports franchises to small retailers, can develop interactive AR campaigns that blend the real and digital worlds.

Customers simply point their mobile device at logos, signs, buildings, products, landmarks and more to instantly engage videos, information, advertisements, coupons, 3D holograms and any interactive content all hosted in the cloud and managed using a menu-driven portal. Integrated real-time analytics means that all customer interaction is tracked and measured in real-time. The AR Enterprise platform supports both IOS and Android mobile devices and upcoming wearable technologies.
