

ImagineAR (OTCQB: IPNFF) Announces World Tens Series Rugby Three Year \$380,000 Partnership Through Global Sports Initiatives

Rapidly growing rugby series tournament features teams worldwide.

VANCOUVER, BC, March 1, 2021 /CNW/ - [ImagineAR](#) (CSE: IP) (OTCQB: IPNFF) an Augmented Reality Company that enables sports teams, brands and businesses to instantly create mobile phone AR immersive engagement campaigns, is pleased to announce a three year agreement with World Tens Series, LLC (WTS) and their partner Global Sports Initiatives (GSI). The three-year ImagineAR white-label mobile app agreement is for a \$380,000 guarantee plus revenue sharing. ImagineAR and GSI announced their strategic partnership on February 16, 2021. GSI markets "digital infrastructure as a monetization service" to Sports, Esports, and Leagues throughout the world.

The World Tens Series will be held this August and the official location will be announced shortly.

Paul M. Holmes, Chief Executive Officer of World Tens Series stated "World Tens is a quickly growing rugby series tournament with teams based around the world from Miami to Hong Kong. We chose Global Sports Initiatives as our media content production and distribution partner because of the incredible things Augmented Reality can do through the power of ImagineAR. When leveraged with GSI's Artificial Intelligence software, and the global platform ImagineAR provides, we are now the first sports league in the world to be able to globally distribute immersive and interactive content."

"World Tens is a great partner with a blank canvas for implementation of GSI's next generation technology. Paul and his team truly think outside the box and we are going to utilize all that we have to engage their fans voluntarily with content, both old and new, live and/or recorded, and distribute globally to monetize exponentially more than ever thought of before" stated Kevin J. Meredith, Esq., Chief Executive Office of Global Sports Initiatives, Inc.

"ImagineAR started working with GSI targeting sports franchises and leagues two weeks ago," said Alen Paul Silverstieen, CEO and President of Imagine AR. "This partnership has quickly generated significant new global revenue opportunities for both companies, and we are very impressed with World Tens and their digital fan engagement vision is the future of sports."

Silverstieen continued "With this executed three-year agreement, ImagineAR has almost equaled the total bookings for Calendar year 2020 within 60 days in 2021. We feel this is the year AR goes mainstream around the world and ImagineAR is well positioned to be a leader in sports and entertainment immersive fan engagement and activation".

This press release is available on the Company's [AGORACOM Discussion Forum](#), a moderated social media platform that enables civilized discussion and Q&A between Management and Shareholders.

About Global Sports Initiatives

Forward-Looking Information and Statements

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and may also contain statements that may constitute "forward-looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Such forward-looking information and forward-looking statements are not representative of historical facts or information or current condition, but instead represent only the Company's beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of the Company's control. Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information and forward-looking statements contained herein may include, but is not limited to, information concerning the ability of the Company to generate revenues, roll out new programs and to successfully achieve business objectives, and expectations for other economic, business, and/or competitive factors.

By identifying such information and statements in this manner, the Company is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such information and statements. In addition, in connection with the forward-looking information and forward-looking

statements contained in this press release, the Company has made certain assumptions. Among the key factors that could cause actual results to differ materially from those projected in the forward-looking information and statements are the following: changes in general economic, business and political conditions, including changes in the financial markets; changes in applicable laws; compliance with extensive government regulation. Should one or more of these risks, uncertainties or other factors materialize, or should assumptions underlying the forward-looking information or statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected.

Although the Company believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to the Company or persons acting on its behalf is expressly qualified in its entirety by this notice.
