SOLICITATION OF PROXIES

This information circular (the "Circular") is provided in connection with the solicitation of proxies by the management of ALEXANDRA CAPITAL CORP. (the "Company"). The form of proxy which accompanies this Circular (the "Proxy") is for use at the Annual General & Special Meeting of the shareholders of the Company to be held on Thursday, October 6, 2016 (the "Meeting"), at the time and place set out in the accompanying notice of meeting (the "Notice of Meeting"). The Company will bear the cost of this solicitation. The solicitation will be made by mail, but may also be made by telephone. Advance notice of the Meeting was filed on SEDAR on August 5, 2016.

APPOINTMENT, REVOCATION AND VOTING OF PROXIES

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "**Proxy**") are officers and/or directors of the Company. **IF YOU ARE A SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, YOU HAVE THE RIGHT TO APPOINT A PERSON OR COMPANY OTHER THAN EITHER OF THE PERSONS DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING. YOU MAY DO SO EITHER BY INSERTING THE NAME OF THAT OTHER PERSON IN THE BLANK SPACE PROVIDED IN THE PROXY OR BY COMPLETING AND DELIVERING ANOTHER SUITABLE FORM OF PROXY.** If your Common Shares are held in physical form (ie. paper form) and are registered in your name, then you are a registered shareholder ("**Registered Shareholder**"). However, if, like most shareholders, you keep your Common Shares in a brokerage account, then you are a Beneficial Shareholder. The manner for voting is different for Registered Shareholders and Beneficial Shareholders. The instructions below should be read carefully by all shareholders.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified or where both choices have been specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

(a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by mail or by hand to Attention: Investor Services Division, 3rd Floor, 510 Burrard Street, Vancouver, BC V6C 3B9;

(b) using a touch-tone phone to transmit voting choices to the following toll-free number 1-866-732-8683. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the holder's account number and the Proxy control number; or

(c) using the Internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the Proxy control number.

In all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients. There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for "**Objecting Beneficial Owners**") and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for "**Non-Objecting Beneficial Owners**").

The Corporation is taking advantage of the provisions of National Instrument 54-101 of the Canadian Securities Administrators, which permit it to directly deliver Proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (a "**VIF**") from Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and Internet voting

as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Corporation. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The form of Proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Corporation. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a similar voting information form (the "**Broadridge VIF**") in lieu of a Proxy provided by the Corporation. The Broadridge VIF will appoint the same persons as the Corporation's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation), other than the persons designated in the Broadridge VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Broadridge VIF. The completed Broadridge VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting.

Voting in Person

If you plan to vote in person at the Meeting:

- nominate yourself as proxyholder by printing your name in the space provided on the enclosed voting instruction form. Your vote will be counted at the Meeting so do NOT complete the voting instructions on the form;
- sign and return the form, following the instructions provided by your nominee; and
- register with the Scrutineer when you arrive at the Meeting.

You may also nominate yourself as proxyholder online, if available, by typing your name in the "Appointee" section on the electronic ballot.

If you bring your voting instruction form to the Meeting, your vote will not count. Your vote can only be counted if you have followed the instructions above and attend the Meeting and vote in person.

Your Voting Instructions

If you do not specify how you want to vote, the appointed proxyholders will vote FOR each item of business. If you appointed someone else to attend the Meeting and vote on your behalf, he or she can vote as they see fit.

If you submit your voting instructions and later wish to change them, you may re-submit your instructions prior to the cut-off time noted above. The latest instructions will be recognized as the only valid ones.

Provisions Relating to Voting of Proxies

The shares represented by proxy in the enclosed form will be voted by the designated holder in accordance with the direction of the shareholder appointing him. If there is no direction by the shareholder, those shares will be voted for all proposals set out in the Proxy as set out in this Circular. The Proxy gives the person named in it the discretion to vote as they see fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Circular, the management of the Company knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.

APPROVAL OF MATTERS

Unless otherwise noted, approval of matters to be placed before the Meeting is by an “ordinary resolution” which is a resolution passed by a simple majority (50%+1) of the votes cast by shareholders of the Company present and entitled to vote in person or by proxy.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed in this Information Circular, no person who has been a director or executive officer of the Company at any time since the beginning of the Company’s last financial year, no proposed nominee of the Company for election as a director of the Company, and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed in this Information Circular, during the fiscal year commencing December 1, 2014, no informed person of the Company, proposed nominee for director or any associate or affiliate of an informed person or proposed nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

An “informed person” means: (a) a director or executive officer of the Company; (b) a director or executive officer of a person or corporation that is itself an informed person or subsidiary of the Company; (c) any person or Corporation who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or corporation as underwriter in the course of a distribution; and (d) the Company itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its shares.

STATEMENT OF EXECUTIVE COMPENSATION

NAMED EXECUTIVE OFFICERS

Set out below are particulars of compensation paid to the following persons (the "Named Executive Officer"):

- (a) the Company's chief executive officer ("CEO");
- (b) the Company's chief financial officer ("CFO");
- (c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 as determined in accordance with subsection 1.3(6) of Form 51-102F6 Statement of Executive Compensation, for that financial year; and

- (d) each individual who would be a Named Executive Officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

During the financial year ended November 30, 2015, the Company had two Named Executive Officers, being Blake Olafson, President, CEO and Treasurer, and Vivian Katsuris, CFO and Secretary.

Compensation Discussion and Analysis

The objective of the Company's compensation strategy is to attract, retain and motivate directors, officers, employees and other service providers by providing them with the opportunity, through share options, to acquire a proprietary interest in the Company and benefit from its growth.

Currently the Company has granted an aggregate of 875,000 incentive stock options (the "**Options**") to its officers and directors.

1,000,000 Options were granted on May 1, 2012 with an exercise price of \$0.10 per Option and expiring on May 1, 2022. 500,000 of these Options have lapsed. 125,000 Options were granted on July 30, 2013 with an exercise price of \$0.15 per Option and expiring on July 30, 2023. 250,000 Options were granted on November 12, 2014 with an exercise price of \$0.30 per Option and expiring on November 11, 2019.

On March 8, 2016 the Company voluntarily moved the listing of its common shares from the TSX Venture Exchange ("**TSXV**") to the Canadian Securities Exchange ("**CSE**"). With the move from the TSXV to the CSE, the Company adopted a new form of stock option plan with all stock options outstanding under the TSXV Stock Option Plan rolled into the new stock option plan (the "**CSE Stock Option Plan**"). A summary of the CSE Stock Option Plan follows under the heading "Particulars of Other Matters to be Acted Upon".

With respect to the grant of Options, the Chief Executive Officer recommends to the Board the individual equity incentive awards for each executive officer and director. The Board then takes these recommendations into consideration when making final decision on compensation for those executive officers/directors. The Board does not use formulas for each grant, but is restricted by the policies of the CSE and the Plan in how many Options it may grant. Options granted under the Plan are awarded to executive officers and directors by the Board based upon the level of responsibility and contribution of the individuals towards the Company's goals and objectives. Previous grants of Options to a particular individual will be taken into account when considering future grants of Options to that particular individual.

The Company has no equity compensation plans other than the Plan.

During the year ended November 30, 2015, the Company paid an aggregate of \$6,000 to Vivian Katsuris for services provided as the Company's Chief Financial Officer and Secretary.

Share-Based and Non-Equity Incentive Plan Compensation

The Company has not at any time granted any share-based awards nor has it provided any awards pursuant to a non-equity incentive plan.

Benefit, Contribution, Pension, Retirement, Deferred Compensation and Actuarial Plans

The Company currently has no defined benefit, defined contribution, pension, retirement, deferred compensation or actuarial plans for its Named Executive Officers.

MANAGEMENT CONTRACTS

There are no management functions of the Company which are to any substantial degree performed by a person other than the directors or executive officers of the Company.

Company. In addition, NI 58-101 prescribes certain disclosure by the Company of its corporate governance practices.

The following report by the Board of Directors describes the analysis and disclosure of corporate governance practices of the Company.

CORPORATE GOVERNANCE DISCLOSURE

General

The Board views effective corporate governance as an essential element for the effective and efficient operation of the Corporation. The Corporation believes that effective corporate governance improves corporate performance and benefits all of its shareholders. The following statement of corporate governance practices sets out the Board's review of the Corporation's

governance practices relative to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines*.

Board of Directors

An “independent director” generally is one who has no direct or indirect material relationship with the Corporation. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board, which is responsible for supervising the management of the business and affairs of the Corporation, is currently comprised of three directors of which two are independent as such term is defined in NI 52-110. The independent directors are Patrick Morris and Ioannis Tsitos. Blake Olafson is not independent as he is a member of the Corporation’s management and holds greater than 10% of the Corporation’s issued and outstanding securities.

Other Board Positions

The following table sets out the directors, officers and promoter(s) of the Corporation that are, or have been within the last five years, directors, officers or promoters of other issuers that are or were reporting issuers in any Canadian jurisdiction:

Orientation and Continuing Education

Given the current size of the Corporation and the Board, the Corporation provides only a limited orientation and education program for new directors. This process includes discussions with management and the Board, with respect to the business and operations of the Corporation. Each new Board member is also entitled to review all previous minutes of the Board and the shareholders.

Ethical Business Conduct

The board has found that the fiduciary duties place on individual directors pursuant to corporate legislation and the common law, and the conflict of interest provisions under corporate legislation which restricts an individual director’s participation in decisions of the Board in which the director

has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

All members of the Board are encouraged to identify prospective additions to the Board. Any recommendations would be approved by the entire Board and elected annually by the shareholders of the Corporation.

The Board must have a sufficient number of directors to carry out its duties efficiently, presenting a diversity of views and experience. The Board as a whole reviews the contributions of the directors and considers whether the current size of the Board promotes effectiveness and efficiency, and currently believes that the appropriate size of the Board is three members.

Compensation of Directors and Officers

The Board has no other standing committees other than the Audit Committee.

Assessments of Directors, the Board and Board Committees

The Board monitors the adequacy of information given to directors, the communications between the Board and management and the strategic direction and processes of the Board and its Audit Committee, to satisfy itself that the Board, its Audit Committee and its individual directors are performing effectively.

MNP LLP, Chartered Accountants were first appointed as the auditors of the Company in November 2011.

B. APPROVAL OF NEW STOCK OPTION PLAN

The Company's common shares were listed and posted for trading on the TSXV until March 8, 2016. On November 12, 2014, the Board of Directors of the Company established a TSXV Tier 2 issuer stock option plan (the "**TSXV Stock Option Plan**"). The TSXV Stock Option Plan - a "rolling" 10% stock option plan - was most recently approved by the shareholders of the Company at the last Annual General and Special Meeting of shareholders held June 8, 2015.

On March 8, 2016, the Company voluntarily delisted from the TSXV and its common shares commenced trading on the CSE. With the move from the TSXV to the CSE, the Company adopted a new form of stock option plan with all stock options outstanding under the TSXV Stock Option Plan rolled into the new stock option plan (the "**CSE Stock Option Plan**"). The CSE Stock Option Plan is substantially similar to the Company's former TSXV Stock Option Plan, except that it does not contain references to the TSXV or its policies. A summary of the CSE Stock Option Plan follows and its full text is attached hereto as Appendix II. A copy of the CSE Stock Option Plan will be presented to and available for inspection by shareholders at the Meeting.

At the Meeting, the Company will be seeking shareholder approval and ratification of its CSE Stock Option Plan, a "rolling" stock option plan whereby 10% of the number of issued and outstanding shares of the Company at any given time may be reserved for issuance pursuant to the exercise of options.

The CSE Stock Option Plan was established to attract and retain directors, officers, employees and consultants and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company through options granted under the CSE Stock Option Plan to purchase common shares of the Company. The intention of management in proposing

the CSE Stock Option Plan is to increase the proprietary interest of such persons in the Company and, thereby, aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company.

The CSE Stock Option Plan provides for a floating maximum limit of 10% of the outstanding common shares, as permitted by the policies of the CSE. As of the date of this Circular, the Company was eligible to grant up to 1,293,400 options under its CSE Stock Option Plan and there are presently 875,000 stock options outstanding and 418,400 available for issuance. Incentive stock options to be issued in the future will be subject to the terms and conditions of the CSE Stock Option Plan.

The CSE Stock Option Plan contains provisions such that:

- (a) the term of an option cannot exceed ten (10) years from the date of grant;
- (b) no more than 5% of the issued and outstanding shares of the Company may be granted to any one individual in any 12 month period;
- (c) no more than 4% of the issued and outstanding shares of the Company may be granted to any one consultant in any 12 month period;
- (d) no more than 1% of the issued and outstanding shares of the Company may be granted to any one person conducting investor relations activities in any 12 month period;
- (e) options will vest at the discretion of the Company's directors;
- (f) options are non-assignable and non-transferable, except as provided for in the event of a death of an optionee;
- (g) the period in which an optionee's heirs or administrators can exercise any portion of outstanding options must not exceed 12 months from the optionee's death;
- (h) option grants are limited to bona fide directors, officers, employees or consultants, or corporations wholly owned by such directors, officers, employees or consultants, as the case may be; and
- (i) vested options terminate 90 days subsequent to any director, officer, employee or consultant ceasing to be engaged by the Company for any reason other than death; and
- (j) vested options terminate 30 days subsequent to any optionee engaged in investor relations activities ceasing to be engaged by the Company.

The CSE Stock Option Plan is administered by the Company's Board of Directors, which, subject to the limitations of the CSE Stock Option Plan, has the authority to:

- (a) grant options to purchase common shares to eligible persons;
- (b) determine the terms, limitations, restrictions and conditions respecting such grants;
- (c) interpret the CSE Stock Option Plan and adopt, amend and rescind such administrative guidelines and other rules and regulations relating to the CSE Stock Option Plan as it shall from time to time deem advisable; and
- (d) make all other determinations and take all other actions in connection with the implementation and administration of the CSE Stock Option Plan including, without limitation, for the purpose of ensuring compliance with securities laws and CSE policies, as it may deem necessary or advisable.

Pursuant to the CSE Stock Option Plan, the exercise price of an option is set by the Board of Directors and cannot be lower than the greater of the closing market price of the Company's common shares on the trading day prior to the date of grant of the stock options, and the date of grant of the stock options.

In addition, the CSE Stock Option Plan contains provisions for changes in options pursuant to, among other corporate actions, any share consolidation or subdivision, stock dividend, take-over bid, or change of control.

Accordingly, shareholders of the Company will be asked at the Meeting to pass an ordinary resolution, in substantially the following form, to approve for the ensuing year, the Company's CSE Stock Option Plan:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT the Company's CSE Stock Option Plan, as described in the Company's Information Circular dated September 1, 2016, be hereby approved and ratified."

Management of the Company recommends that shareholders vote in favour of approving and ratifying the CSE Stock Option Plan, and the persons named in the enclosed form of proxy intend to vote FOR approval and ratification of the CSE Stock Option Plan at the Meeting, unless otherwise directed by the shareholders appointing them.

A copy of the Plan is available upon request from the Corporation.

OTHER BUSINESS

While there is no other business other than that business mentioned in the Notice of Meeting to be presented for action by the shareholders at the Meeting, **it is intended that the proxies hereby solicited will be exercised upon any other matters and proposals that may properly come before the Meeting or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.**

- 1.2 Governing Law. The validity and construction of this Plan shall be governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.
- 1.3 Gender. Throughout this Plan, whenever the singular or masculine or neuter is used, the same shall be construed as meaning the plural or feminine or body politic or corporate, and vice-versa as the context or reference may require.

PART 2 PURPOSE

- 2.1 Purpose. The purpose of this Plan is to attract and retain Directors, Officers, Employees and Consultants and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company through options granted under this Plan to purchase Shares.

PART 3 GRANTING OF OPTIONS

- 3.1 Administration. This Plan shall be administered by the Board or, if the Board so elects, by a committee (which may consist of only one person) appointed by the Board from its members.

- 3.2 Committee's Recommendations. The Board may accept all or any part of any recommendations of any committee appointed under Section 3.1 or may refer all or any part thereof back to such committee for further consideration and recommendation.
- 3.3 Board Authority. Subject to the limitations of this Plan, the Board shall have the authority to:
- (a) grant options to purchase Shares to Eligible Persons;
 - (b) determine the terms, limitations, restrictions and conditions respecting such grants;
 - (c) interpret this Plan and adopt, amend and rescind such administrative guidelines and other rules and regulations relating to this Plan as it shall from time to time deem advisable; and
 - (d) make all other determinations and take all other actions in connection with the implementation and administration of this Plan including, without limitation, for the purpose of ensuring compliance with Section 7.1, as it may deem necessary or advisable.
- 3.4 Grant of Option. A resolution of the Board shall specify the number of Shares that shall be placed under option to each Eligible Person; the exercise price to be paid for such Shares upon the exercise of such option; any applicable hold period; and the period, including any applicable vesting periods required by Exchange Policies or by the Board, during which such option may be exercised.
- 3.5 Written Agreement. Every option granted under this Plan shall be evidenced by a written agreement between the Company and the Optionee substantially in the form attached hereto as Appendix "A", containing such terms and conditions as are required by Exchange Policies and applicable Securities Laws, and, where not expressly set out in the agreement, the provisions of such agreement shall conform to and be governed by this Plan. In the event of any inconsistency between the terms of the agreement and this Plan, the terms of this Plan shall govern.
- 3.6 Withholding Taxes. If the Company is required under the Income Tax Act or any other applicable law to make source deductions in respect of Employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of any Shares upon the exercise of options, then any Optionee who is deemed an Employee shall:
- (a) pay to the Company, in addition to the exercise price for such options, the amount necessary to satisfy the required tax remittance as is reasonably determined by the Company;
 - (b) authorize the Company, on behalf of the Optionee, to sell in the market on such terms and at such time or times as the Company determines a portion of the Shares issued upon the exercise of such options to realize proceeds to be used to satisfy the required tax remittance; or,
 - (c) make other arrangements acceptable to the Company to satisfy the required tax remittance.

PART 4
RESERVE OF SHARES

- 4.1 Sufficient Authorized Shares to be Reserved. A sufficient number of Shares shall be reserved by the Board to permit the exercise of any options granted under this Plan. Shares that were the subject of any option that has lapsed or terminated shall thereupon no longer be in reserve and may once again be subject to an option granted under this Plan.
- 4.2 Maximum Number of Shares Reserved. Unless authorized by the shareholders of the Company, this Plan, together with all of the Company's other previously established or proposed stock options, stock option plans, employee stock purchase plans or any other compensation or incentive mechanisms involving the issuance or potential issuance of Shares, shall not result, at any time, in the number of Shares reserved for issuance pursuant to options exceeding 10% of the issued and outstanding Shares as at the date of grant of any option under this Plan.
- 4.3 Limits with Respect to Individuals. The aggregate number of Shares subject to an option that may be granted to any one individual in any 12 month period under this Plan shall not exceed 5% of the issued and outstanding Shares determined at the time of such grant.
- 4.4 Limits with Respect to Consultants. The aggregate number of Shares subject to an option that may be granted to any one Consultant in any 12 month period under this Plan shall not exceed 4% of the issued and outstanding Shares determined at the time of such grant.
- 4.5 Limits with Respect to Investor Relations Activities. The aggregate number of Shares subject to an option that may be granted to any one person conducting Investor Relations Activities in any 12 month period under this Plan shall not exceed 1% of the issued and outstanding Shares determined at the time of such grant.

PART 5
CONDITIONS GOVERNING THE GRANTING AND EXERCISING OF OPTIONS

- 5.1 Exercise Price. Subject to Section 5.2, the exercise price of an option may not be lower than the greater of the closing market price of the Shares on the trading day immediately preceding the date of grant of the option, and the date of grant of the options, less any applicable discount allowed by the Exchange.
- 5.2 Exercise Price if Distribution. If any options are granted within 90 days of a public distribution by prospectus, then the minimum exercise price shall be the greater of that specified in Section 5.1 and the price per share paid by the investors for Shares acquired under the public distribution. The 90 day period shall commence on the date the Company is issued a final receipt for the prospectus.
- 5.3 Expiry Date. Each option shall, unless sooner terminated, expire on a date to be determined by the Board which shall not be later than the Expiry Date.
- 5.4 Different Exercise Periods, Prices and Number. The Board may, in its absolute discretion, upon granting an option under this Plan and subject to the provisions of Section 5.3, specify a particular time period or periods following the date of granting such option during which the Optionee may exercise the option and may designate the exercise price and the number of Shares in respect of which such Optionee may exercise the option during each such time period.
- 5.5 Termination of Employment. If a Director, Officer, Employee or Consultant ceases to be so engaged by the Company for any reason other than death, such Director, Officer, Employee or Consultant shall have the right to exercise any vested option granted to him under this Plan and not exercised prior to such termination within a period of 90 days after the date of termination, or such shorter period as may be set out in the Optionee's written agreement.

- 5.6 Termination of Investor Relations Activities. If an Optionee who is engaged in Investor Relations Activities ceases to be so engaged by the Company, such Optionee shall have the right to exercise any vested option granted to the Optionee under this Plan and not exercised prior to such termination within a period of 30 days after the date of termination, or such shorter period as may be set out in the Optionee's written agreement.
- 5.7 Death of Optionee. If an Optionee dies prior to the expiry of an option, his heirs or administrators may within 12 months from the date of the Optionee's death exercise that portion of an option granted to the Optionee under this Plan which remains vested and outstanding.
- 5.8 Assignment. No option granted under this Plan or any right thereunder or in respect thereof shall be transferable or assignable otherwise than as provided for in Section 5.7.
- 5.9 Notice. Options shall be exercised only in accordance with the terms and conditions of the written agreements under which they are granted and shall be exercisable only by notice in writing to the Company substantially in the form attached hereto as Appendix "B".
- 5.10 Payment. Options may be exercised in whole or in part at any time prior to their lapse or termination. Shares purchased by an Optionee upon the exercise of an option shall be paid for in full in cash at the time of their purchase.

PART 6 CHANGES IN OPTIONS

- 6.1 Share Consolidation or Subdivision. In the event that the Shares are at any time subdivided or consolidated, the number of Shares reserved for option and the price payable for any Shares that are then subject to option shall be adjusted accordingly.
- 6.2 Stock Dividend. In the event that the Shares are at any time changed as a result of the declaration of a stock dividend thereon, the number of Shares reserved for option and the price payable for any Shares that are then subject to option may be adjusted by the Board to such extent as it deems proper in its absolute discretion.
- 6.3 Effect of a Take-Over Bid. If a bona fide offer to purchase Shares (an "Offer") is made to an Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of Section 1(1) of the Securities Act, the Company shall, upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon all Shares subject to option (the "Option Shares") shall become vested and such option may be exercised in whole or in part by such Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise pursuant to the Offer. However, if:
- (a) the Offer is not completed within the time specified therein including any extensions thereof; or
 - (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become vested pursuant to Section 3.4 shall be reinstated. If any Option Shares are

returned to the Company under this Section 6.3, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

- 6.4 Acceleration of Expiry Date. If, at any time when an option granted under this Plan remains unexercised with respect to any unissued Option Shares, an Offer is made by an offeror, the Board may, upon notifying each Optionee of full particulars of the Offer, declare all Option Shares issuable upon the exercise of options granted under this Plan vested, and declare that the Expiry Date for the exercise of all unexercised options granted under this Plan is accelerated so that all options shall either be exercised or shall expire prior to the date upon which Shares must be tendered pursuant to the Offer.
- 6.5 Effect of a Change of Control. If a Change of Control occurs, all outstanding options shall become vested, whereupon such options may be exercised in whole or in part by the applicable Optionee.
- 6.6 Other Stock Exchange Listing. In the event that the Company applies or intends to apply for listing on a stock exchange other than the CSE and, based on the policies and requirements of the other stock exchange, the Company believes that any or all options granted hereunder will not be accepted or approved by the other stock exchange, then the Company may, in its sole discretion, immediately cancel any or all options that remain outstanding to meet the listing requirements of the other stock exchange. If the Company cancels any such options pursuant to this Section 6.6, then no compensation will be owed by the Company to the applicable Optionee.
- 6.7 Approval and Cancellation. In the event that approval from the CSE or other stock exchange, as applicable, is not received for the grant of any options hereunder, each Optionee agrees that the Company may immediately cancel any or all such options that remain outstanding. If the Company cancels any of such options pursuant to this Section 6.7, then no compensation shall be owed by the Company to the applicable Optionee.

PART 7 SECURITIES LAWS AND EXCHANGE POLICIES

- 7.1 Securities Laws and Exchange Policies Apply. This Plan and the granting and exercise of any options hereunder are also subject to such other terms and conditions as are set out from time to time in applicable Securities Laws and Exchange Policies and such terms and conditions shall be deemed to be incorporated into and become a part of this Plan. In the event of an inconsistency between such terms and conditions and this Plan, such terms and conditions shall govern. In the event that the Shares are listed on a new stock exchange, in addition to the terms and conditions set out from time to time in applicable Securities Laws, the granting or cancellation of options shall be governed by the terms and conditions set out from time to time in the policies, bylaws, rules and regulations of the new stock exchange and unless inconsistent with the terms of this Plan, the Company shall be able to grant or cancel options pursuant to the policies, bylaws, rules and regulations of such new stock exchange without requiring shareholder approval.

PART 8 AMENDMENT

- 8.1 Board May Amend. The Board may, by resolution, amend or terminate this Plan, but no such amendment or termination shall, except with the written consent of the Optionees concerned, affect the terms and conditions of options previously granted under this Plan which have not then lapsed, terminated or been exercised.
- 8.2 Exchange Approval. Any amendment to this Plan or options granted pursuant to this Plan shall not become effective until such Exchange and shareholder approval as is required by Exchange Policies and applicable Securities Laws has been received.

- 8.3 Amendment to Insider's Options. Any amendment to options held by Insiders which results in a reduction in the exercise price of the options at the time of the amendment shall be conditional upon obtaining disinterested shareholder approval for that amendment.

PART 9
EFFECT OF PLAN ON OTHER COMPENSATION OPTIONS

- 9.1 Other Options Not Affected. This Plan is in addition to any other existing stock options granted prior to and outstanding as at the date of this Plan and shall not in any way affect the policies or decisions of the Board in relation to the remuneration of Directors, Officers, Employees and Consultants.

PART 10
OPTIONEE'S RIGHTS AS A SHAREHOLDER

- 10.1 No Rights Until Option Exercised. An Optionee shall be entitled to the rights pertaining to share ownership, such as to dividends, only with respect to Shares that have been fully paid for and issued to the Optionee upon the exercise of an option.

PART 11
EFFECTIVE DATE OF PLAN

- 11.1 Effective Date. This Plan shall become effective upon its approval by the Board.
