Alexandra Announces LOI, Closing of Private Placement

Proposed Acquisition of WMC ApS

Vancouver, B.C. – December 1, 2017 – **Alexandra Capital Corp. (CSE: AXC)** (“**Alexandra**” or the “**Company**”) is pleased to announce it has entered into a further non-binding letter of intent (“**Letter of Intent**”) with WMC ApS (“**WMC**”), a private Danish company based in Copenhagen which brokers and develops payment processes in crypto currency transactions (the “**Technology**”). The Company previously entered into a non-binding letter of intent (the “**LOI**”) with WMC for the grant by WMC to the Company of an exclusive license to use, market, sub-license, sell and distribute the Technology in Canada and the United States of America.

The new Letter of Intent supercedes and replaces the previous LOI.

Pursuant to the new Letter of Intent, the Company, WMC and its shareholders will enter into a definitive agreement (the “**Definitive Agreement**”) whereby the Company will acquire all of the issued and outstanding common shares of WMC in consideration for the issuance by the Company of 26,000,000 common shares of the Company at closing. The Company will issue an additional 15,000,000 common shares on the 13th month after closing the acquisition, provided that WMC achieves an average of \$5,000,000.00 in gross monthly transaction volume over the preceding 12 months.

All common shares issued as consideration for the WMC shares will be subject to CSE escrow requirements and a statutory four month hold period.

Closing of the proposed transaction is subject to a number of conditions being satisfied or waived at or before closing, including the following:

- Execution of a mutually acceptable Definitive Agreement;
- Satisfactory completion of due diligence by each of the parties by January 29, 2018;
- No material adverse change with respect to WMC or its business having occurred;
- Completion of further financing for gross proceeds of at least \$3,000,000.00; and
- Receipt of all required regulatory and Canadian Securities Exchange approvals.

Completion of Private Placement

The Company also announced it has closed its previously announced non-brokered private placement offering by issuing 5,500,000 common shares of the Company for aggregate gross proceeds of \$550,000.00. The Company also issued 490,500 common shares as finder’s fees on a portion of the offering. The common shares issued in the offering are subject to a four month hold period, expiring on March 30, 2018.

Proceeds from the private placement will be used for working capital.

ON BEHALF OF THE BOARD OF DIRECTORS
