INFORMATION CIRCULAR

FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON JULY 14, 2015

PURPOSE OF SOLICITATION

This information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by the management of Vogogo Inc. (“Vogogo” or the “Corporation”) for use at the annual and special meeting (the “Meeting”) of the holders (“Shareholders”) of common shares in the capital of Vogogo (“Common Shares”).

The Meeting will be held at Torys LLP, Eighth Avenue Place, East Tower, 46th Floor, 525 – 8th Avenue S.W., Calgary, Alberta, T2P 1G1 at 2:00 p.m. (Calgary time) on July 14, 2015 and at any adjournment(s) or postponement(s) thereof for the purposes set forth in the Notice of Annual and Special Meeting of Shareholders (the “**Notice of Meeting**”) accompanying this Information Circular. Information contained herein is given as of June 11, 2015 unless otherwise specifically stated.

Solicitation of proxies will be primarily by mail but may also be by telephone, facsimile or in person by directors, officers and employees of Vogogo who will not be additionally compensated therefor. Brokers, nominees or other persons holding Common Shares in their names for others shall be reimbursed for their reasonable charges and expenses in forwarding proxies and proxy material to the beneficial owners of such shares. The costs of soliciting proxies will be borne by Vogogo.

Vogogo will not send proxy related materials directly to non-objecting Beneficial Shareholders (as defined herein) and such materials will be delivered to non-objecting Beneficial Shareholders through their intermediaries.

APPOINTMENT AND REVOCATION OF PROXIES

Enclosed herewith is a form of proxy for use at the Meeting. The persons named in the form of proxy are directors and/or officers of Vogogo. **A Shareholder submitting a proxy has the right to appoint a nominee (who need not be a Shareholder) to represent such Shareholder at the Meeting other than the persons designated in the enclosed form of proxy by inserting the name of the chosen nominee in the space provided for that purpose on the form of proxy and by striking out the printed names.**

A form of proxy will not be valid for the Meeting or any adjournment(s) or postponement(s) thereof unless it is signed by the Shareholder or by the Shareholder’s attorney authorized in writing or, if the Shareholder is a corporation, it must be executed by a duly authorized officer or attorney thereof. The proxy, to be acted upon, must be deposited with CST Trust Company, the registrar and transfer agent of the Corporation, Attention: Proxy Department, P.O. Box 721, Agincourt, Ontario, Canada, M1S 0A1, or by facsimile, at 866-781-3111 (North America) or 416-368-2502 (outside of North America), by no later than 2:00 p.m. (Calgary time) on July 10, 2015 or two business days preceding the date of any adjournment or postponement.

A Shareholder who has given a proxy may revoke it prior to its use, in any manner permitted by law, including by an instrument in writing executed by the Shareholder or by his or her attorney authorized in writing or, if the Shareholder is a corporation, executed by a duly authorized officer or attorney thereof and deposited at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the proxy is

to be used or with the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (“**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of Vogogo as the registered Shareholders can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of Vogogo. Such Common Shares will more likely be registered under the names of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Depository and Clearing Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the broker’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Beneficial Shareholder is requested to complete and return the voting instruction form to them by mail or facsimile. Alternatively, the Beneficial Shareholder can call a toll free telephone number or visit Broadridge’s dedicated voting website at www.proxyvote.com to vote the Common Shares held by the Beneficial Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for a registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for a registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

VOTING BY INTERNET FOR REGISTERED HOLDERS OF COMMON SHARES

Shareholders may use the website at www.cstvotemyproxy.com to transmit their voting instructions. Shareholders should have the form of proxy in hand when they access the website. Shareholders will be prompted to enter their control number, which is located on the form of proxy. If Shareholders vote by Internet, their vote must be received not later than 2:00 p.m. (Calgary time) on July 10, 2015 or 48 hours prior to the time of any adjournment or postponement of the Meeting. **The website may be used to appoint a proxy holder to attend and vote on a Shareholder's behalf at the Meeting and to convey a Shareholder's voting instructions. Please note that if a Shareholder appoints a proxy holder and submits their voting instructions and subsequently wishes to change their appointment, a Shareholder may resubmit their proxy and/or voting direction, prior to the deadline noted above. When resubmitting a proxy, the most recently submitted proxy will be recognized as the only valid one, and all previous proxies submitted will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.**

VOTING OF PROXIES

All Common Shares represented at the Meeting by properly executed proxies will be voted on any matter that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the accompanying form of proxy, the Common Shares represented by the proxy will be voted in accordance with such instructions. **In the absence of any such instruction, the persons whose names appear on the printed form of proxy will vote in favour of all the matters set out thereon. The enclosed form of proxy confers discretionary authority upon the persons named therein. If any other business or amendments or variations to matters identified in the Notice of Meeting properly comes before the Meeting, then discretionary authority is conferred upon the person appointed in the proxy to vote in the manner they see fit, in accordance with their best judgment.**

At the time of the printing of this Information Circular, the management of Vogogo knew of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The board of directors of Vogogo (the "**Board**") has fixed June 12, 2015 as the record date (the "**Record Date**") for the Meeting. Shareholders at the close of business on the Record Date are entitled to receive notice of the Meeting and to vote thereat or at any adjournment(s) or postponements(s) thereof on the basis of one vote for each Common Share held, except to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than 10 days before the Meeting, that his or her name be included on the list of persons entitled to vote at the Meeting, in which case, the transferee shall be entitled to vote such Common Shares at the Meeting.

As of the date hereof, 41,418,378 Common Shares were issued and outstanding as fully paid and non-assessable, 2,761,951 warrants ("**Warrants**") were issued and outstanding which are exercisable to purchase up to 2,761,951 Common Shares, and 3,406,750 stock options ("**Options**") were issued and outstanding to purchase up to 3,406,750 Common Shares under Vogogo's option plan ("**Option Plan**").

As of the date hereof, to the knowledge of the directors and executive officers of Vogogo, there are no persons or companies who beneficially own, directly or indirectly, or control or direct Common Shares carrying 10% or more of the voting rights attached to all of the Common Shares other than Robert (Geoff)

Gordon and Rodney Thompson who each own or control, directly or indirectly, 5,166,166 Common Shares representing approximately 12.47% of the issued and outstanding Common Shares.

As of the date hereof, the directors and executive officers of Vogogo, as a group, beneficially own, directly or indirectly, 10,903,318 Common Shares representing approximately 26.3% of the issued and outstanding Common Shares.

As of the date hereof, the directors and executive officers of Vogogo, as a group, beneficially own, directly or indirectly: (a) Options to purchase 1,075,000 Common Shares issuable pursuant to the Option Plan and Warrants to purchase 144,231 Common Shares. If all such Options and Warrants, directly or indirectly were exercised, the directors and executive officers of Vogogo, as a group, would beneficially own 12,122,549 Common Shares representing approximately 25.5% of the issued and outstanding Common Shares (on a fully diluted basis).

Mr. Teja was Chief Financial Officer of Preo Software Inc. (“**Preo**”) from June 2008 to September 2012. On March 26, 2013, an order was issued by the Court of Queen’s Bench of Alberta to appoint a receiver to liquidate the assets of Preo. The major creditor recently sold the intellectual property assets to a company in the US.

Personal Bankruptcies

To the knowledge of management of Vogogo, no director of Vogogo has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or became subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold such person’s assets.

Penalties or Sanctions

To the knowledge of management of Vogogo, no director of Vogogo has: (i) been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, other than penalties for late filing of insider reports; or (ii) been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable Shareholder in deciding whether to vote for a proposed director.

Annual Approval of the Option Plan

The Board may allocate a maximum of 10% of the issued and outstanding Common Shares for issuance under the Option Plan. The Option Plan is attached as Appendix “A”.

The highlights of the Option Plan are as follows:

- (a) Options may be granted to directors, officers, consultants, employees and management company employees of the Corporation;
- (b) the exercise price of Options granted shall be determined by the Board in accordance with the policies of the TSX Venture Exchange (the “TSXV”);
- (c) the directors may allocate up to a maximum of 10% of the issued and outstanding Common Shares for the issuance of Options; no single participant may be issued Options representing greater than 5% percent of the number of outstanding Common Shares in any 12-month period; and the number of Common Shares reserved for issuance to any one consultant of the Corporation may not exceed 2% percent of the number of outstanding Common Shares in any 12-month period;
- (d) the aggregate number of Options granted to persons employed in investor relations activities must not exceed 2% percent of the outstanding Common Shares in any 12-month period unless the TSXV permits otherwise. Options issued to consultants providing investor relations services must vest in stages over at least 12 months with no more than one quarter of the Options vesting in any three-month period;
- (e) the Board may determine the term of the Options, but the term shall in no event be greater than ten years from the date of issuance;
- (f) generally, the Options expire 90 days from the date on which a participant ceases to be a director, officer, consultant, employee or management company employee of the Corporation; and
- (g) terms of vesting of the Options, the eligibility of directors, officers, consultants, employees and management company employees to receive Options and the number of Options issued to each participant shall be determined at the discretion of the Board, subject to the policies of the TSXV.

Since the Option Plan is a “rolling plan”, annual shareholder approval of the Option Plan is required by the TSXV. In accordance with the policies of the TSXV, the Corporation requests Shareholders to consider, and if thought fit, approve an ordinary resolution substantially in the form set forth below:

“BE IT RESOLVED THAT:

- (a) as an ordinary resolution, pursuant to and in compliance with the policies of the TSX Venture Exchange and subject to regulatory approval, the Corporation’s stock option plan is hereby approved, whereby a maximum of 10% of the common shares of the Corporation will be reserved for issuance under the stock option plan; and
- (b) any one director or officer of the Corporation be and is hereby authorized and directed, upon the board of directors resolving to give effect to this resolution, to take all necessary steps and proceedings, and to execute, deliver and file any and all applications, declarations, documents and other instruments and do all such other acts or things (whether under corporate seal of the Corporation or otherwise) that may be necessary or desirable to give effect to the provisions of this resolution.”

Recommendation of the Board

The Board unanimously recommends that Shareholders vote **FOR** the foregoing resolution.

- (h) reviewing the adequacy and form of the compensation of directors periodically to determine if the compensation realistically reflects the responsibilities and risks involved in being an effective director and committee member, and reporting and making recommendations to the Board accordingly.

Compensation Philosophy and Objectives of Compensation Programs

The executive compensation program adopted by Vogogo and applied to its executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of Vogogo. The Corporation is currently exploring additional forms of compensation to reward success and create a strong link between corporate performance and compensation.

Vogogo's executive compensation program in 2014 consisted of three components as set forth in the following chart:

Compensation Components	Description and Purpose
<i>Base Compensation</i>	A base level of income that reflects the executive's position and level of responsibility, as well as base compensation norms in the sector and the general marketplace.
<i>Options</i>	A pay-at-risk component of compensation that rewards long-term performance by allowing executives to participate in the market appreciation of the Common Shares over an extended period. This component is also intended to make the Corporation competitive from a total remuneration standpoint and encourage executive retention through time-based vesting of awards.
<i>Benefits</i>	Group health and dental care and various forms of life, disability, critical illness and health insurance, plus certain additional perquisites for NEOs such as parking and priority healthcare insurance.

See "Compensation Discussion and Analysis - Elements of Compensation."

The goals of the compensation program are to attract and retain highly qualified people, to motivate and reward such individuals on a short-term and long-term basis, and to create alignment between corporate performance and compensation. While the Corporation did not award cash bonuses for the year ended December 31, 2014, the intention of the Corporation is to award performance-based cash bonuses to management and employees of the Corporation when the Corporation becomes cash flow positive. The Compensation Committee is also examining alternative long-term incentive awards.

The Corporation does not believe that its compensation program encourages excessive or inappropriate risk-taking as the Corporation's employees receive a balanced mix of competitive salaries (that provide a steady income regardless of the stock price) and stock options that vest over a period of years. As mentioned above, it is planned that this balance will be further reinforced with the introduction of a performance-based short-term incentive plan when the Corporation becomes cash flow positive. The short-term incentive plan will feature specified annual targets other than share price performance.

Pursuant to Vogogo's disclosure and insider trading policy, the directors and Named Executive Officers of Vogogo are not permitted to purchase financial instruments designed to hedge or offset a decrease in

market value of equity securities granted as compensation or held by the director or Named Executive Officer of Vogogo.

Determining Compensation

The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to compensation matters. The Compensation Committee operates under a written mandate adopted by the Board. The Compensation Committee is comprised of the following directors: Ms. Gilmour and Messrs. Johnson (Chair) and Lacavera. Mr. Lacavera will not stand for re-election at the Meeting. Each member of the Compensation Committee is an independent director as such term is defined by National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) and all members of the Compensation Committee have expertise and experience in compensation and other human resource areas through their tenure in executive roles.

Elements of Compensation

Base Salaries

Base salary is intended to reflect an executive officer’s position within the corporate structure, his or her years of experience and level of responsibility, and salary norms in the sector and the general marketplace. As such, decisions with respect to base salary levels for executive officers are not based on objective identifiable performance measures but for the most part are determined by reference to competitive market information for similar roles and levels of responsibility, as well as more subjective performance factors such as leadership, commitment, accountability, industry experience and contribution. The Corporation’s view is that a competitive base salary is a necessary element for retaining qualified executive officers, as it creates a meaningful incentive for individuals to remain at Vogogo and not be unreasonably susceptible to recruiting efforts by the Corporation’s competitors.

Prior to the Amalgamation, Robert (Geoff) Gordon, Karim Teja and Wade Lawson had employment agreements with Redfall and Southtech, as applicable, which set out their base compensation. In connection with the Amalgamation, Mr. Gordon entered into an employment agreement and Mr. Teja entered into a consulting agreement that set out their base compensation. Base compensation was determined by the Board so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalization and profit margin. In setting such levels, the Board relied primarily on its own experience and knowledge.

The base salaries and compensation of the Named Executive Officers of the Corporation for the years ended December 31, 2014, 2013 and 2012 are disclosed in the Summary Compensation Table below.

Options

The Corporation believes that long-term performance and increases in shareholder value are enhanced through an ownership culture that encourages performance by all employees, including executives, through the use of at-risk long-term incentives. The Corporation established the Option Plan to provide employees, including executive officers, with incentives to help align those employees’ interests with the performance of the Corporation as reflected in the Common Share price. For a description of the Option Plan, see “Equity Plan Compensation”.

Benefits

The Corporation's group benefits program consists of health and dental care and various forms of life, disability, critical illness and health insurance consistent with industry norms. In addition, the NEOs receive a reimbursement of parking costs up to a defined limit or a transportation allowance in lieu of parking, as well as priority healthcare insurance.

Severance and Change of Control Agreements

Executive employment and consulting agreements were put in place for the NEOs providing for severance or other payouts upon a change of control event. See "Employment and Consulting Agreements and Termination and Change of Control Benefits".

NEO Compensation

Summary Compensation Table

The following table provides information concerning compensation of the NEOs for the years ended December 31, 2014, 2013 and 2012, as applicable.

Rodney Thompson Chief Relationship Officer	2014	64,167	491,779 ⁽¹⁾⁽³⁾	Nil	Nil	555,946

Notes:

- (1) This does not represent cash paid to the NEO. This figure is based on the grant date fair value of such Options as at March 17, 2014, April 28, 2014 and September 11, 2014 calculated through the use of the Black-Scholes Model. Each grant date fair value was determined in accordance with International Financial Reporting Standards. This model was chosen in order to be consistent with the accounting fair value used by the Corporation in its financial statements since Black-Scholes is a commonly used model for valuing options that provides an objective and reasonable estimate of fair value. The key assumptions of this valuation include current market price of the stock, exercise price of the option, option term (weighted average expected life), risk-free interest rate, dividend yield of stock and volatility of stock return. The actual assumptions and estimates used for the summary compensation table values were as follows for the March 17, 2014, April 28, 2014 and September 11, 2014 grant dates, respectively: (i) Fair Value of \$0.09, \$0.33 and \$0.75 per share; (ii) Risk-Free Interest Rate of 1.04%, 1.08% and 1.61%; (iii) Expected Life of 3.04 years, 4.38 years and 4.95 years; (iv) Expected Volatility of 109%, 105%, 127%; and (v) Dividend per Share of nil for all grant dates.
- (2) This does not represent cash paid to the NEO. The value of options granted was calculated by Southtech using the Black-Scholes model. Southtech chose this model because it is recognized as the most common model for valuing options and determining value comparisons. The Black-Scholes weighted average assumptions used by Southtech were: (i) an expected useful life of 10 years; (ii) a forfeiture rate of 0%; (iii) a volatility of 110%; and (iv) a risk free interest rate of 2%.
- (3) The actual value of the Options granted to the NEOs will be determined based on the market price of the Common Shares at the time of exercise of such Options, which may be greater or less than grant date fair value reflected in the table above.
- (4) Nil indicates that perquisites and other personal benefits did not exceed \$50,000 or 10% of the total salary of the NEO for the financial year.

Employment and Consulting Agreements and Termination and Change of Control Benefits

Each of the NEOs is a party to an executive employment agreement (the “**Executive Employment Agreements**”) or consulting services agreement (“**Consulting Services Agreement**”) with the Corporation, except Mr. Larson whose employment with the Corporation terminated on September 11, 2014 in connection with the Amalgamation without any termination or change of control payment. The Executive Employment Agreements have an indefinite term and contain standard confidentiality and non-solicitation provisions. The Consulting Services Agreement has a one-year term, which is renewable for an additional one-year term, and may be terminated with 30 days’ notice by either party.

Vogogo has agreed pursuant to the Executive Employment Agreements that the NEOs will receive base salaries determined by the Board and may receive discretionary bonuses, grants of Options, reimbursement of expenses, benefits and certain perquisites as set forth in the Executive Employment Agreements. The amounts paid in 2014 with respect to such matters are set forth in the Summary Compensation Table.

In the event any of Messrs. Gordon, Thompson or Read is terminated without cause, resigns for good reason or is terminated within twelve (12) months of a Change of Control (as defined in each Executive Employment Agreement), each will be entitled to receive a lump sum payment equal to two years’ salary. Mr. Teja is not entitled to any payments in the event his Consulting Services Agreement is terminated.

In addition, in the event of termination of employment for any reason, any outstanding Options shall be treated in the manner set forth in the Option Plan and applicable stock option agreement, which provide that all unvested Options shall terminate as of the date notice is given in respect of such termination. Notwithstanding the foregoing, in the event of a Proposed Transaction (as defined in the Option Plan) or upon the death or disability of the NEO, all unexercised and unvested outstanding Options granted shall vest and become immediately exercisable unless otherwise determined by the Board in accordance with the Option Plan and the applicable stock option agreement.

The following table sets forth information with respect to the estimated aggregate dollar amount to which each NEO would have been entitled if the event resulting in termination of employment occurred on December 31, 2014.

Those who violate the Code of Business Conduct and Ethics are subject to disciplinary action.

There are potential conflicts of interest to which the directors of the Corporation may be subject in connection with the operations of the Corporation. Certain of the directors of the Corporation are involved in director or executive positions with other companies whose operations may, from time to time, be in direct competition with those of the Corporation or with entities which may, from time to time, provide financing to, or make equity investments in the Corporation or in competitors of the Corporation.

Conflicts, if any, are subject to the procedures and remedies available under the *Business Corporations Act* (Alberta) (the “**ABCA**”). The ABCA provides that, in the event that a director has an interest in a contract or proposed contract or agreement, the director shall disclose his interest in such contract or agreement and shall refrain from voting on any matter in respect of such contract or agreement unless otherwise provided by the ABCA. As of the date hereof, the Board is not aware of any existing or potential material conflicts of interest between the Corporation and any director of the Corporation.

As part of this mandate, the Corporate Governance Committee determines the criteria for identifying potential nominees and seeks guidance from the Chairman of the Board and other Board members in identifying and assessing potential candidates to be nominated and the competencies, skills and personal qualities that the Board should seek in new members to add value to the Corporation. The Board as a whole is then responsible for nominating new directors.

Compensation

The Compensation Committee determines compensation for the directors and CEO. See “Compensation Discussion and Analysis” in this Information Circular.

Board Committees

The Board has three standing committees, being the Audit Committee, Compensation Committee and Corporate Governance Committee. Below is a description of the committees and their current membership.

Audit Committee

For a description of the Audit Committee, see “Audit Committee”.

Compensation Committee

The Compensation Committee is comprised of Mr. Johnson (Chair), Ms. Gilmour and Mr. Lacavera.

The Compensation Committee is responsible for reviewing and making recommendations to the Board with respect to salary and other remuneration to be awarded to senior officers, including the CEO, and the directors of Vogogo. For further discussion of the Compensation Committee, its mandate and the process for determining compensation, see “Executive Officer and Director Compensation”.

Corporate Governance Committee

The Corporate Governance Committee is comprised of Mr. Johnson (Chair), Ms. Gilmour and Messrs. Gordon, Lacavera and Wenz. The Corporate Governance Committee annually assesses the effectiveness

of the Board as a whole, the various other Committees as well as individual directors, with particular focus on the Chairman and the chairs of the various committees, all in accordance with the standards established by the Board. Such assessments consist of a confidential peer-review survey and performance evaluations. In addition, as described above under “Election of Directors”, the Corporate Governance Committee has responsibility for assessing and making recommendations to the Board as to the size and composition of the Board. The Corporate Governance Committee also assesses the Corporation’s approach to corporate governance and monitors the relationship between management and the Board, as well as undertaking those initiatives as are necessary to maintain a high standard of corporate governance and to ensure ongoing compliance with the rules and policies of applicable regulatory authorities with respect to corporate governance.

Assessments

The Corporate Governance Committee manages assessments of the Board as a whole, the committees, the Chairman and the other individual directors on an ongoing basis. Individual director evaluations regarding the effectiveness and contribution of the directors are completed by each director on an annual basis and the results analyzed with the appropriate follow-up action taken where required. The corporate objectives for which the CEO is responsible are established by the Board, which, with the oversight of the Chairman and the Compensation Committee chair, assesses the CEO against such objectives.

AUDIT COMMITTEE

Composition of the Audit Committee

The Audit Committee of the Board operates under a written mandate that sets out its responsibilities and composition requirements. A copy of the mandate is attached to this Information Circular as Appendix “B”. The Audit Committee consists of Ms. Gilmour (Chair) and Messrs. Johnson and Lacavera. All members of the Audit Committee are independent and financially literate (as determined by NI 52-110).

In considering criteria for the determination of financial literacy, the Board looked at the ability to read and understand a balance sheet, an income statement and cash flow statement of a public company as well as the director’s past experience in reviewing or overseeing the preparation of financial statements. The education and experience of each director relevant to the performance of his or her duties as a member of the Audit Committee are set forth in the previous section of this Information Circular, “*Election of Directors*”.

Audit Committee Oversight

At no time was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board.

Pre-Approval Policies and Procedures

Any proposed audit and permitted non-audit services (as identified by the Audit Committee at the time the annual audit engagement is approved) to be provided by the external auditor to the Corporation or its subsidiaries must receive prior approval from the Audit Committee. The Corporation has not adopted specific policies and procedures for the engagement of non-audit services. The Audit Committee will review the engagement of non-audit services as may be required.

The Chief Financial Officer acts as the primary contact to receive and assess any proposed engagements from the external auditor. Following receipt and initial review for eligibility by the primary contact, a

proposal would then be forwarded to the Audit Committee for review and confirmation that a proposed engagement is permitted. In the majority of such instances, proposals may be received and considered by the Chair of the Audit Committee (or such other member of the Audit Committee who may be delegated authority to approve audit and permitted non-audit services), for approval on behalf of the Audit Committee. The Audit Committee Chair then informs the Board of any approvals granted and recommends corresponding Board ratification at the next scheduled meeting of the Board.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on the exemption in section 2.4 of NI 52-110 (*De Minimis Non-audit Services*), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110 (*Exemptions*).

External Auditor Service Fees

Collins Barrow Calgary LLP became Vogogo's external auditor on March 12, 2014. Fees paid to Vogogo's auditor for the years ended December 31, 2014 and 2013 are detailed below:

Fee	For the year ended December 31, 2014	For the year ended December 31, 2013
Audit Fees ⁽¹⁾	\$57,000	\$45,000
Tax Fees ⁽²⁾	\$9,700	\$2,435
All Other Fees	\$48,500	-
Total	\$115,200	\$47,435

Notes:

- (1) "Audit Fees" include the aggregate professional fees paid to the external auditor for the audit of the annual consolidated financial statements and other annual regulatory audits and filings. It also includes the aggregate fees paid to the external auditor for services related to the audit services, including reviewing quarterly financial statements and management's discussion thereon and consulting with the Board and Audit Committee regarding financial reporting and accounting standards.
- (2) "Tax Fees" include the aggregate fees paid to the external auditor for tax compliance, tax advice, tax planning and advisory services, including preparation of tax returns.

All permissible categories of non-audit services require pre-approval by the Audit Committee, subject to certain statutory exemptions.

Exemption

As the Corporation is listed on the TSXV, it is a "venture issuer" and may avail itself of exemptions from the requirements of Part 3 *Composition of the Audit Committee* of NI 52-110, which requires the independence of each member of an audit committee. The Corporation relied on this exemption for the year ended December 31, 2014. However, since the date Ms. Gilmour was appointed to the Audit Committee and as of the date hereof, the Corporation would no longer need to rely on this exemption.

APPENDIX “A”
OPTION PLAN
(see attached)

**STOCK OPTION PLAN
OF
VOGOGO INC.**

1. Purpose

The purpose of the Stock Option Plan (the “**Plan**”) of Vogogo Inc., a corporation formed under the *Business Corporations Act* (Alberta) (the “**Corporation**”) is to advance the interests of the Corporation by encouraging the directors, officers, employees and consultants of the Corporation, and of its subsidiaries and affiliates, if any, to acquire common shares in the share capital of the Corporation (the “**Shares**”), thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs.

2. Administration

The Plan shall be administered by the board of directors of the Corporation or by a special committee of the directors appointed from time to time by the board of directors of the Corporation pursuant to rules of procedure fixed by the board of directors (such committee or, if no such committee is appointed, the board of directors of the Corporation, is hereinafter referred to as the “**Board**”). A majority of the Board shall constitute a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the directors.

Subject to the provisions of the Plan, the Board shall have authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board shall be binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries.

Each option granted hereunder may be evidenced by an agreement in writing, signed on behalf of the Corporation and by the optionee, in such form as the Board shall approve. Each such agreement shall recite that it is subject to the provisions of this Plan.

3. Stock Exchange Rules

All options granted pursuant to this Plan shall be subject to rules and policies of any stock exchange or quotation system on which the common shares of the Corporation are then listed and any other regulatory body having jurisdiction hereinafter (hereinafter collectively referred to as, the “**Exchange**”).

4. Shares Subject to Plan

Subject to adjustment as provided in Section 21 hereof, the Shares to be offered under the Plan shall consist of common shares of the Corporation’s authorized but unissued common shares. The aggregate number of Shares issuable upon the exercise of all options granted under the Plan shall not exceed 10% of the issued and outstanding common shares of the Corporation from time to time. If any option granted hereunder shall expire or terminate for any reason in accordance with the terms of the Plan without being exercised, the unpurchased Shares subject thereto shall again be available for the purpose of this Plan.

5. Maintenance of Sufficient Capital

The Corporation shall at all times during the term of the Plan reserve and keep available such numbers of Shares as will be sufficient to satisfy the requirements of the Plan.

6. Eligibility and Participation

Directors, officers, consultants, and employees of the Corporation or its subsidiaries, and employees of a person or company which provides management services to the Corporation or its subsidiaries (“**Management Company Employees**”) shall be eligible for selection to participate in the Plan (such persons hereinafter collectively referred to as “**Participants**”). Subject to compliance with applicable requirements of the Exchange, Participants may elect to hold options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the Plan in the same manner as if the options were held by the Participant.

Subject to the terms hereof, the Board shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted and vested, and the number of Shares to be subject to each option. In the case of employees or consultants of the Corporation or Management Company Employees, the option agreements to which they are party must contain a representation of the Corporation that such employee, consultant or Management Company Employee, as the case may be, is a bona fide employee, consultant or Management Company Employee of the Corporation or its subsidiaries.

A Participant who has been granted an option may, if such Participant is otherwise eligible, and if permitted under the policies of the Exchange, be granted an additional option or options if the Board shall so determine.

7. Exercise Price

- (a) The exercise price of the Shares subject to each option shall be determined by the Board, subject to applicable Exchange approval, at the time any option is granted. In no event shall such exercise price be lower than the Discounted Market Price, as such term is defined by the Exchange.
- (b) Once the exercise price has been determined by the Board, accepted by the Exchange (if applicable) and the option has been granted, the exercise price of an option may be reduced upon receipt of Board approval, provided that in the case of options held by insiders of the Corporation (as defined in the policies of the Exchange), the exercise price of an option may be reduced only if disinterested shareholder approval is obtained.

8. Number of Optioned Shares

- (a) The number of Shares subject to an option granted to any one Participant shall be determined by the Board, but no one Participant shall be granted an option which exceeds the maximum number permitted by the Exchange.
- (b) No single Participant may be granted options to purchase a number of Shares equaling more than 5% of the issued common shares of the Corporation in any twelve-month period unless the Corporation has obtained disinterested shareholder approval in respect of such grant and meets applicable Exchange requirements.

- (c) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Corporation in any twelve-month period to any one consultant of the Corporation (or any of its subsidiaries).
- (d) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Corporation in any twelve month period to persons employed to provide investor relations activities. Options granted to Consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than ¼ of the options vesting in any 3 month period.

9. Duration of Option

Each option and all rights thereunder shall be expressed to expire on the date set out in the option agreement and shall be subject to earlier termination as provided in Sections 11, 12 and 14, provided that in no circumstances shall the duration of an option exceed the maximum term permitted by the Exchange. For greater certainty, if the Corporation is listed on the TSX Venture Exchange, the maximum term may not exceed 10 years.

10. Option Period, Consideration and Payment

- (a) The option period shall be a period of time fixed by the Board not to exceed the maximum term permitted by the Exchange, provided that the option period shall be reduced with respect to any option as provided in Sections 11, 12 and 14 covering cessation as a director, officer, consultant, employee or Management Company Employee of the Corporation or its subsidiaries, or death of the Participant.
- (b) Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which options shall vest and the method of vesting, or that no vesting restriction shall exist.
- (c) Subject to any vesting restrictions imposed by the Board, options may be exercised in whole or in part at any time and from time to time during the option period. To the extent required by the Exchange, no options may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Corporation.
- (d) Except as set forth in Sections 11 and 12, no option may be exercised unless the Participant is at the time of such exercise a director, officer, consultant, or employee of the Corporation or any of its subsidiaries, or a Management Company Employee of the Corporation or any of its subsidiaries.
- (e) The exercise of any option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Shares with respect to which the option is being exercised, accompanied by cash payment, certified cheque or bank draft (or such other manner of payment that is acceptable to the Corporation, acting reasonably) for the full purchase price of such Shares with respect to which the option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares of the Corporation unless and until the certificates for Shares issuable pursuant to options under the Plan are issued to him or them under the terms of the Plan.

11. Ceasing To Be a Director, Officer, Consultant or Employee

- (a) Subject to subsection (b), if a Participant shall cease to be a director, officer, consultant, employee of the Corporation, or its subsidiaries, or ceases to be a Management Company Employee, for any reason (other than death or termination with cause), such Participant may exercise his option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within the earlier of the option expiry date and ninety (90) days, after the Participant ceases to be a director, officer, consultant, employee or a Management Company Employee.
- (b) Nothing contained in the Plan, nor in any option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, consultant, employee or Management Company Employee of the Corporation or of any of its subsidiaries or affiliates.

12. Death of Participant

Notwithstanding section 11, if a Participant dies, the legal representatives of the Participant may exercise the options held by the Participant within a period after the date of the Participant's death. For greater certainty shall remain outstanding beyond one-hundred eighty (180) days following the date of death or such other period as determined by the Board, provided that, in any event, no option shall remain outstanding for any period that exceeds the expiry date of such Option. The Board may determine at any time, including for greater certainty at any time subsequent to the date of grant of the options, that such portion of the option vests automatically or pursuant to a vesting schedule determined by the Board. The Board may delegate authority to the Chief Executive Officer to make any determination with respect to the expiry or termination date of options or vesting of options or any portion thereof held by any deceased Participant. If the legal representative of a Participant who has died exercises the option of the Participant in accordance with the terms of this Plan, the Corporation will have no obligation to issue the Shares until evidence satisfactory to the Corporation has been provided by the legal representative that the legal representative is entitled to act on behalf of the Participant to purchase the Shares under this Plan.

13. Disability of Participant

If the employment or engagement of a participant is terminated by the Corporation by reason of such participant's Disability, any options held by such participant shall be exercisable by such participant or by the legal representative on or before the date which is the earlier of one hundred and eighty (180) days following the termination of employment, engagement or appointment as a director or officer and the applicable expiry date.

For the purposes of this plan, "Disability" means a medically determinable physical or mental impairment expected to result in death or to last for a continuous period of not less than twelve (12) months, and which causes an individual to be unable to engage in any substantial gainful activity, or any other condition of impairment that the Board, acting reasonably, determines constitutes a disability;

14. Termination with Cause

Notwithstanding section 11, in the event that a Participant is terminated for cause, as such term is defined in the agreement governing such Participants relationship with the Corporation and/or applicable laws, the option previously granted to such Participant will expire immediately upon such termination for cause. For greater certainty, immediately upon such termination for cause, the option shall concurrently expire and terminate and be of no further force or effect whatsoever.

15. Rights of Optionee

No person entitled to exercise any option granted under the Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such option until certificates representing such Shares shall have been issued and delivered.

16. Vesting

Unless the Board determines otherwise, options held by or exercisable by a participant or a legal representative shall, during the period prior to their termination, continue to vest in accordance with any vesting schedule to which such options are subject.

17. Acceleration on Change of Control

- (a) For the purposes of this Section 16, “**Change of Control**” means the occurrence of any one or more of the following:
- (i) a consolidation, merger, amalgamation, arrangement or other reorganization or acquisition involving the Corporation or any of its Affiliates and another corporation or other entity, as a result of which the holders of Shares prior to the completion of the transaction hold less than 50% of the outstanding shares of the successor corporation after completion of the transaction;
 - (ii) a resolution is adopted to wind-up, dissolve or liquidate the Corporation;
 - (iii) any person, entity or group of persons or entities acting jointly or in concert (an “**Acquiror**”) acquires or acquires control (including, without limitation, the right to vote or direct the voting) of Voting Securities of the Corporation which, when added to the Voting Securities owned of record or beneficially by the Acquiror or which the Acquiror has the right to vote or in respect of which the Acquiror has the right to direct the voting, would entitle the Acquiror and/or Associates and/or Affiliates of the Acquiror to cast or to direct the casting of 20% or more of the votes attached to all of the Corporation’s outstanding Voting Securities which may be cast to elect directors of the Corporation or the successor corporation (regardless of whether a meeting has been called to elect directors);
 - (iv) as a result of or in connection with: (A) a contested election of directors; or (B) a consolidation, merger, amalgamation, arrangement or other reorganization or acquisition involving the Corporation or any of its Affiliates and another corporation or other entity, the nominees named in the most recent Management Information Circular of the Corporation for election to the Board shall not constitute a majority of the Board; or
 - (v) the Board adopts a resolution to the effect that a Change of Control as defined herein has occurred or is imminent.

For the purposes of the foregoing, “**Voting Securities**” means Shares and any other shares entitled to vote for the election of directors of the Corporation and shall include any security, whether or not issued by the Corporation, which are not shares entitled to vote for the election of directors of the Corporation but are convertible into or exchangeable for shares which are entitled to vote for the election of directors of the Corporation including any options or rights to purchase such shares or securities;

For the purposes of the foregoing, “**control**” means the ability of a person or company, directly or indirectly, to direct management and policies of another person or company, as defined in the *Securities Act* (Alberta);

- (b) In the event of a Change of Control, all Options outstanding shall be immediately exercisable, notwithstanding any determination of the Board pursuant to this Plan or any stock option agreements, if applicable, and the expiry date of such Options shall remain the same. In the event of a Change of Control and options are held by Consultants performing Investor Relations, as such terms are defined by the Exchange, vesting of such options shall be subject to Exchange approval. In any event, upon a Change of Control, Participants shall not be treated any more favourably than shareholders of the Corporation with respect to the consideration that the Participant would be entitled to receive for their Shares.

18. Right to Terminate Options on Sale of Corporation

Notwithstanding any other provision of this Plan, if the Board at any time by resolution declares it advisable to do so in connection with any proposed Change of Control (collectively, the “**Proposed Transaction**”), the Corporation may give written notice to all Participants advising them that, within 30 days after the date of the notice each Participant must advise the Board whether the Participant desires to exercise its options prior to the closing of the Proposed Transaction, provided that the Proposed Transaction is completed within 180 days after the date of the notice. In the event the Proposed Transaction is completed within 180 days after the date of the notice and the Participant does not advise the Board of their desire to exercise its options prior to the closing of the Proposed Transaction, the said options shall expire. If the Proposed Transaction is not completed within the 180-day period, no right under any option will be exercised or affected by the notice. If a Participant gives notice that the Participant desires to exercise its options prior to the closing of the Proposed Transaction, then all options which the Participant elected by notice to exercise will be exercised immediately prior to the effective date of the Proposed Transaction or such earlier time as may be required to complete the Proposed Transaction.

19. Withholding

- (a) To the extent required under applicable law, the Corporation shall be entitled to take all reasonable and necessary steps, which may include the sale of certain Shares issued upon the exercise of any option granted under the Plan (other than a redemption or purchase for cancellation), or obtain all reasonable or necessary indemnities, assurances, payments or undertakings, to the sole satisfaction of the Corporation, to satisfy any tax remittance obligations of the Corporation or any Subsidiary to any taxing authorities arising in respect of any exercise of any options granted hereby or any other options heretofore granted by the Corporation and the President of the Corporation shall be appointed as the attorney-in-fact for any person granted an option under this Plan to take all such reasonable and necessary steps or Share sales.
- (b) Each Participant (or their beneficiaries) shall be responsible for all taxes with respect to any options granted to such Participant under this Plan, whether as a result of the grant or exercise of options or otherwise. The Corporation makes no guarantee to any person regarding the tax treatment of options or payments made under this Plan and none of the Corporation, or any of its employees or representatives shall have any liability to any Participant with respect thereto.

20. Proceeds from Sale of Shares

The proceeds from the sale of Shares issued upon the exercise of options shall be added to the general

funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

21. Adjustments

If the outstanding common shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation or another corporation or entity through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, any adjustments relating to the Shares optioned or issued on exercise of options and the exercise price per Share as set forth in the respective stock option agreements shall be made in accordance to the terms of such agreements.

Adjustments under this Section shall be made by the Board whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Share shall be required to be issued under the Plan on any such adjustment.

22. Transferability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or the extent, if any, permitted by the Exchange. During the lifetime of a Participant any benefits, rights and options may only be exercised by the Participant.

23. Amendment and Termination of Plan

- (a) The Board may, at any time, amend or terminate the terms and conditions of the Plan by resolution of the Board (the “**Amendment Procedure**”). Any amendment to the Plan shall take effect only with respect to options granted after the effective date of such amendment, provided that it may apply to any outstanding options with the mutual consent of the Corporation and the Participant to whom such options have been granted. Without limiting the generality of the foregoing, the Board may use the Amendment Procedure without seeking shareholder approval when:
- (i) altering, extending or accelerating the terms and conditions of vesting of any options, subject to the prior written approval of the Exchange;
 - (ii) accelerating the expiry date of options;
 - (iii) amending the definitions contained within the Plan;
 - (iv) effecting amendments of a “housekeeping” or administrative nature including, without limiting the generality of the foregoing, any amendment for the purpose of curing any ambiguity, error, inconsistency or omission in or from the Plan;
 - (v) effecting amendments necessary to comply with the provisions of applicable laws (including, without limitation, the rules, regulations and policies of the Exchange), or necessary or desirable for any advantages or other purposes of any tax law (including, without limitation, the rules, regulations, and policies of the Canada Revenue Agency or any taxation authority);
 - (vi) effecting amendments respecting the administration of the Plan;

- (vii) effecting amendments necessary to suspend or terminate the Plan; and
 - (viii) any other amendment, whether fundamental or otherwise, not requiring shareholder approval under applicable law (including, without limitation, the rules, regulations, and policies of the Exchange).
- (b) Shareholder approval will be required for the following types of amendments:
- (i) amendments that increase the number of Shares issuable under the Plan, except such increases by operation of Section 19 of the Plan; and
 - (ii) amendments required to be approved by shareholders under applicable law (including, without limitation, pursuant to the rules, regulations and policies of the Exchange).
- (c) disinterested shareholder approval will be required for the following types of amendments:
- (i) amendments to the Plan that could result in the number of Shares reserved for issuance under the Plan to Insiders, within a 12 month period, exceeding 10% of the outstanding issue;
 - (ii) the grant to insiders, within a 12 month period, of a number of options exceeding 10% of the Company's issued Shares;
 - (iii) an extension of the term of the Plan;
 - (iv) any reduction in the price of an option if the Participant is an Insider at the time of the proposed amendment; and
 - (v) amendments requiring disinterested shareholder approval under applicable law (including, without limitation, pursuant to the rules, regulations and policies of the Exchange).

24. Necessary Approvals

The ability of a Participant to exercise options and the obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to any approvals that may be required from shareholders of the Corporation and any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If any Shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any option exercise price paid to the Corporation will be returned to the Participant.

25. Effective Date of Plan

The Plan has been adopted by the Board subject to the approval of the Exchange and, if so approved, subject to the discretion of the Board, the Plan shall become effective upon such approvals being obtained.

26. Interpretation

The Plan will be governed by and construed in accordance with the laws of the Province of Alberta.

STRUCTURE AND OPERATIONS

The affirmative vote of a majority of the members of the Audit Committee participating in any meeting of the Audit Committee is necessary for the adoption of any resolution.

The Audit Committee shall meet as often as it determines, but not less frequently than quarterly. The Committee shall report to the Board of Directors on its activities after each of its meetings at which time minutes of the prior Committee meeting shall be tabled for the Board.

The Audit Committee shall review and assess the adequacy of this Charter periodically and, where necessary, will recommend changes to the Board of Directors for its approval.

The Audit Committee is expected to establish and maintain free and open communication with management and the independent auditor and shall periodically meet separately with each of them.

SPECIFIC DUTIES

Oversight of the Independent Auditor

- Make recommendations to the board for the appointment and replacement of the independent auditor.
- Responsibility for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Audit Committee.
- Authority to pre-approve all audit services and permitted non-audit services (including the fees, terms and conditions for the performance of such services) to be performed by the independent auditor.
- Evaluate the qualifications, performance and independence of the independent auditor, including: (i) reviewing and evaluating the lead partner on the independent auditor's engagement with the Corporation, and (ii) considering whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence.
- Obtain from the independent auditor and review the independent auditor's report regarding the management internal control report of the Corporation to be included in the Corporation's annual information/proxy circular, as required by applicable law.
- Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law (currently at least every five years).

Financial Reporting

- Review and discuss with management and the independent auditor:
 - prior to the annual audit the scope, planning and staffing of the annual audit,
 - the annual audited financial statements,
 - the Corporation's annual and quarterly disclosures made in management's discussion and analysis,
 - approve any reports for inclusion in the Corporation's Annual Report, if any, as required by applicable legislation,
 - the Corporation's quarterly financial statements, including the results of the independent auditor's review of the quarterly financial statements and any matters required to be communicated by the independent auditor under applicable review standards,
 - significant financial reporting issues and judgments made in connection with the preparation of the Corporation's financial statements,

 - other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.
- Discuss with the independent auditor matters relating to the conduct of the audit, including any difficulties encountered in the course of the audit work, any restrictions on the scope of activities or access to requested information and any significant disagreements with management.

AUDIT COMMITTEE'S ROLE

The Audit Committee has the oversight role set out in this Charter. Management, the Board of Directors, the independent auditor and the internal auditor all play important roles in respect of compliance and the preparation and presentation of financial information. Management is responsible for compliance and the preparation of financial statements and periodic reports. Management is responsible for ensuring the Corporation's financial statements and disclosures are complete, accurate, in accordance with generally accepted accounting principles and applicable laws. The Board of Directors in its oversight role is responsible for ensuring that management fulfills its responsibilities. The independent auditor, following the completion of its annual audit, opines on the presentation, in all material respects, of the financial position and results of operations of the Corporation in accordance with Canadian generally accepted accounting principles.

FUNDING FOR THE INDEPENDENT AUDITOR AND RETENTION OF OTHER INDEPENDENT ADVISORS

The Corporation shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of issuing an audit report and to any advisors retained by the Audit Committee. The Audit Committee shall also have the authority to retain such other independent advisors as it may from time to time deem necessary or advisable for its purposes and the payment of compensation therefor shall also be funded by the Corporation.

APPROVAL OF AUDIT AND REMITTED NON-AUDIT SERVICES PROVIDED BY EXTERNAL AUDITORS

Over the course of any year there will be two levels of approvals that will be provided. The first is the existing annual Audit Committee approval of the audit engagement and identifiable permitted non-audit services for the coming year. The second is in-year Audit Committee pre-approvals of proposed audit and permitted non-audit services as they arise.

Any proposed audit and permitted non-audit services to be provided by the External Auditor to the Corporation or its subsidiaries must receive prior approval from the Audit Committee, in accordance with this protocol. The CFO shall act as the primary contact to receive and assess any proposed engagements from the External Auditor.

Following receipt and initial review for eligibility by the primary contacts, a proposal would then be forwarded to the Audit Committee for review and confirmation that a proposed engagement is permitted.

In the majority of such instances, proposals may be received and considered by the Chair of the Audit Committee (or such other member of the Audit Committee who may be delegated authority to approve audit and permitted non-audit services), for approval of the proposal on behalf of the Audit Committee. The Audit Committee Chair will then inform the Audit Committee of any approvals granted at the next scheduled meeting.
