About International Wastewater Systems Inc.

International Wastewater Systems Inc. is a world leader in thermal heat recovery. IWS systems recycle thermal energy from wastewater, generating the most energy efficient and economical

systems for heating, cooling & hot water for commercial, residential and industrial buildings. IWS is publicly traded in Canada (CSE: IWS), the United States (OTC: INTWF) and Germany (Frankfurt: IWI).

About BTV

BTV, a half-hour weekly investment news program, profiles emerging companies across Canada and the US to bring investors information for their portfolio. With Host Taylor Thoen, BTV interviews experts, top analysts, plus features companies at their location for an insightful business perspective.
