

## **SHARC Announces Agreement with Air Treatment Corp. to Represent Sharc Systems in Western USA and US Island Territory Markets**

"It's an honor to represent their remarkably innovative technology in the Western United States market," – Vice President of Sales of Air Treatment

VANCOUVER, British Columbia, May 25, 2018 -- **SHARC International Systems Inc.** (CSE:SHRC) (FSE:IWIA) (OTCQB:INTWF) ("**SHARC**") is pleased to announce that it has entered Sales Representative Agreements ("**Sales Agreement**") with Air Treatment Corporation ("**Air Treatment**").

Under the terms of the Sales Agreement, Air Treatment has been authorized to sell Vancouver based SHARC products throughout the California, Arizona, Utah, Idaho, Colorado, Hawaii, Nevada and, U.S. island territory of Guam in Micronesia, effective immediately.

"We are excited about extending our product lines into the Western United States with Air Treatment," said Mr. Mueller. "Craig and the whole team shares our mission to revolutionize the HVAC industry and recognises the enormous potential of SHARC technology. It's a great fit."

The partnership combines SHARC's unique and innovative waste water energy recycling technology, which provides efficient and economical space heating and cooling for commercial, residential and industrial buildings, with Air Treatment's leading experts in commercial and industrial HVAC and refrigeration system solutions as a world class manufacturer's representative firm.

Los Angeles based Air Treatment represent over four dozen companies and systems from specialty refrigeration equipment, condensing boilers, cooling towers, custom air handling units, to vertical in-line centrifugal pumps. The team consists of skilled and experienced staff dedicated to providing application and product selection assistance to consulting engineers, design build contractors, sound consultants and architects that are committed to ensuring buildings operate as efficiently as possible. Air Treatment encourages community involvement and family based company activities to distinguish itself from our competitors and believes this will enhance our family oriented culture and result in happier employees.

"SHARC shares our commitment to challenging the status quo by increasing building efficiency, and it's an honor to represent their remarkably innovative technology in the Western United States market," said Craig Domagala, Vice President of Sales of Air Treatment."
