Re: Project # 3527163 – Amendments of the MD&A for the year ended December 31, 2022

This letter is written to explain the amendment to the MD&A filed on June 2, 2023. The previously filed MD&A on May 1, 2023 included a DRAFT watermark in the background. There was no further change to the MD&A except for removal of the DRAFT watermark.

Sincerely,

A handwritten signature in black ink that reads "H Pannu".
