MANAGEMENT INFORMATION CIRCULAR

As at May 10, 2019 (*unless otherwise indicated*)

This Management Information Circular (“Circular”) is furnished in connection with the solicitation of proxies by the management Pascal Bioscience Inc. (the “Company”) for use at the Annual and Special Meeting of the holders (the “Shareholders”) of common shares (the “Common Shares”) of the Company to be held at Vancouver Club, 915 West Hastings St., Vancouver, BC V6C 1C6, Canada, on June 10, 2019, at 11:00 a.m. (Pacific Time) and at any adjournment thereof (the “Meeting”), for the purposes set forth in the notice of the Meeting (the “Notice”) accompanying this Circular.

In this document, we, us, our, Pascal and the Company mean Pascal Biosciences Inc. You, your, and Pascal Shareholder mean registered holders of common shares of Pascal Biosciences Inc. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. All dollar amounts referred herein, unless otherwise indicated, are expressed in Canadian dollars.

The information contained in this Circular is given as of May 10, 2019 (the “**Circular Date**”) except where otherwise indicated.

INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but may be solicited by way of telephone, facsimile or other means of communication to be made without special compensation by the directors, officers and regular employees of the Company. Costs associated with the solicitation of proxies will be borne by the Company. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in

which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxyholders

A shareholder is entitled to one vote for each Common Shares that such Shareholder holds on the Record Date of May 6, 2019 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The persons named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company (“**Management Proxyholders**”).

A Shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for him or her on his or her behalf at the Meeting other than Management Proxyholders. To exercise this right the Shareholder must strike out the names of Management Proxyholders and insert the name of his or her nominee in the blank space provided in the Proxy, or complete another suitable form of proxy. Such Shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxyholder and should provide instructions to the nominee on how the Shareholder’s shares should be voted. The nominee should bring personal identification to the Meeting.

If your common shares are held in physical form (i.e. paper form) and are registered in your name, then you are a registered shareholder (“Registered Shareholder”). However, if, like most shareholders, you keep your Common Shares in a brokerage account, then you are a beneficial shareholder (“Beneficial Shareholder”). The manner for voting is different for Registered and Beneficial Shareholders. The instructions below should be read carefully by all Shareholders.

Signing of Proxy

The instrument of proxy must be dated and executed by the Shareholder or the Shareholder’s duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer whose title must be indicated. An instrument of proxy signed by a person acting as attorney or in some other representative capacity should indicate that person’s capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Company).

Revocability of Proxy

A Shareholder who has validly given a proxy may revoke it for any matter upon which a vote has not already been cast by the proxyholder appointed therein. In addition to revocation in any manner permitted by law, an instrument of proxy may be revoked by an instrument in writing executed by the Shareholder or by his or her duly authorized attorney, or, if the Shareholder is a corporation, under its corporate seal by a duly authorized officer or attorney of the corporation and delivered to either the Company’s transfer agent, Computershare Investor Services Inc. at 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the instrument of proxy is to be used, or deposited with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof.

In addition, a Shareholder, or, if the Shareholder is a corporation, a duly authorized representative of the corporation, submit a subsequent proxy in accordance with the foregoing procedure or may attend the Meeting in person, revoke the instrument of proxy by indicating such intention to the Chairman of the Meeting before the instrument of proxy is exercised, and vote in person.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Voting of Proxies and Exercise of Discretion by Proxyholders

The Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting (including the voting on any ballot), in accordance with the instructions specified in the enclosed form of Proxy.

In the absence of such direction with respect to a matter to be acted upon, the Proxy confers discretionary authority with respect to that matter upon the appointed Proxyholders named in the form of Proxy. It is intended that the Management Proxyholders will vote such Common Shares IN FAVOUR of each matter identified in the Proxy and for the nominees of Management for directors and for auditor.

If any amendment or variation to the matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, the accompanying instrument of proxy confers discretionary authority to vote on such amendments or variations or such other business according to the best judgment of the appointed proxyholder. As at the Circular Date, the management of the Company knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

In the case of abstention from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are subject to the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Registered Shareholders

Registered Shareholders are entitled to vote at the Meeting. Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or hand delivery at 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to a toll free number at 1-866-732-8683 and following the instructions on the voice response system by providing the holders' account number and the proxy access number. Instructions are then conveyed by use of the touchtone selections over the telephone; or
- (c) using the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof at which the proxy is to be used.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (VIF) from the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"). These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

The Company does not intend to pay for delivery of the meeting materials to the "objecting beneficial holders" ("**OBOs**" as defined in NI 54-101), and as a result, the OBOs will not receive the Meeting Materials unless their Intermediary assumes the cost of delivery. Intermediaries are required to forward the Circular to Beneficial Shareholders unless the Beneficial Shareholder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Circular to Beneficial Shareholders. Beneficial Shareholders should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy

provided by the Company. The VIF will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting.

If you receive a VIF from Broadridge, you cannot use it to vote Common Shares directly at the Meeting - the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to (a) have your Common Shares voted as per your instructions, or (b) to have any alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting. **Only Registered Shareholders have the right to revoke a proxy. Non-Registered Shareholders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set out above.** All references to shareholders in this Circular are to Registered Shareholders, unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Circular, none of the directors or officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise in any matter to be acted on, other than the election of directors, the adoption and approval of the 20% fixed stock option plan (the "**Fixed Option Plan**"), as such persons are eligible to participate in the Fixed Option Plan and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Shares and Record Date

Each Registered Shareholder at the close of business on May 6, 2019 (the "**Record Date**") is entitled to receive notice of, and to attend and vote at and such Shareholders are encouraged to participate in the Meeting and are urged to vote on matters to be considered in person or by proxy.

The authorized share capital of the Company consists of an unlimited number of Common Shares. The Company has no other classes of shares outstanding. As at the Record Date, the Company had 52,647,396

Common Shares issued and outstanding. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

The quorum for the transaction of business at the Meeting is one shareholder, or one proxyholder representing shareholders who, in the aggregate, holds at least one-twentieth of the issued Common Shares entitled to be voted at the meeting.

Except where otherwise stated, and other than the election of directors, a simple majority of 50% plus 1 of the votes cast at the Meeting is required to approve the matters being submitted to a vote of shareholders at the Meeting.

Principal Holders of Voting Securities

To the knowledge of the directors and executive officers of the Company, as at the Circular Date, none of the Shareholders beneficially own or control or direct, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to any class of voting securities of the Company.

VOTES NECESSARY TO ELECT DIRECTORS AND PASS RESOLUTIONS

Except where otherwise stated, and other than the election of directors, a simple majority of 50% plus 1 of the votes cast at the Meeting is required to approve the matters being submitted to a vote of shareholders at the Meeting.

With respect to the election of directors, there are seven director positions to be filled. If there are more nominees for election as directors than there are vacancies to fill, the seven nominees receiving the greatest number of votes will be elected. If the number of nominees for election is equal to the number of vacancies to be filled, all such nominees will be declared elected by acclamation. Subject to the majority vote policy described below, the seven nominees receiving the highest number of votes are elected, even if a director gets fewer “for” votes than “withhold” votes. Similarly, unless there is a nomination from the floor for an alternative auditor, the auditor proposed by management will be elected.

Pursuant to the policies of the TSX Venture Exchange (“TSXV”) the fixed stock option plan of the Company must be approved by a majority of the votes cast by all Shareholders at the Meeting, excluding votes attaching to shares beneficially owned by (i) Insiders to whom the stock options may be issued under the fixed stock option plan; and (ii) associates of Insiders to whom the options may be issued under the fixed stock option plan. The Shareholders who are allowed to vote are referred to herein as the Disinterested Shareholders. The term “Insider” is defined in the *Securities Act* (British Columbia) and includes, among other persons, directors and senior officers of a company and its subsidiaries, and shareholders owning more than 10% of the voting securities of a company.

Stock Option Plans and Other Incentive Plans

The current option plan of the Company (the "**Rolling Option Plan**") is a "rolling" stock option plan whereby a maximum of 10% of the issued Common Shares of the Company, from time to time, may be reserved for issuance under the Option Plan provided that as long as the Company is a capital pool company (as defined in the policies of the TSXV) such number may not exceed 10% of the Common Shares outstanding as at the closing of the Company's initial public offering. The Rolling Option is administered by the Company's board of directors. At the Meeting, the Company will propose, subject to the approval of the TSX Venture Exchange Inc., to replace the Rolling Option Plan with the Fixed Option Plan. The main terms of the Rolling Option Plan are as follows:

1. The aggregate number of Common Shares which may be issued and sold under the Rolling Option Plan will not exceed 10% of the issued and outstanding shares at the time of grant of any Option under the Rolling Option Plan.
2. The option price of any Common Shares in respect of which an Option may be granted shall be fixed by the Board provided that the minimum exercise price shall not be less than the market price of the Common Shares at the time the option is granted, less the discounts permitted by the TSXV.
3. Options under the Rolling Option Plan may be granted by the Board to directors, senior officers, employees or consultants of the Company, collectively known as the "Participants".
4. Options granted under the Rolling Option Plan are exercisable over a period not exceeding ten years, provided that notwithstanding the foregoing, if the term of any Option granted under the Rolling Option Plan ends on a day occurring during a blackout period (being the period imposed by the Company during which insiders are prohibited from trading in the securities of the Company) or within nine business days thereafter, such expiry date of the Option shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the expiry date for such Option for all purposes under the Rolling Option Plan.
5. Subject to any vesting restrictions imposed by the TSXV, the Board may determine, in its sole discretion, the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist.
6. No single Participant may be granted options to purchase a number of common shares of the Company equaling more than 5% of the issued Common Shares of the Company in any one twelve-month period unless the Company has obtained disinterested shareholder approval in respect of such grant and meets applicable TSXV requirements.
7. Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Common Shares of the Company in any twelve-month period to any one consultant of the Company (or any of its subsidiaries).
8. Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Common Shares of the Company in any twelve-month period to persons employed

to provide investor relations activities. Options granted to consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least twelve months with no more than $\frac{1}{4}$ of the options vesting in any three-month period.

9. No Options can be granted under the Rolling Option Plan if the Company is on notice from the TSXV to transfer its listed shares to the NEX or while the Company's shares trade on the NEX.
10. If a Participant ceases to be a technical consultant/non-technical consultant or employee of the Company or any of its subsidiaries as a result of retirement, resignation or termination without cause, such Participant shall have the right for a period of 90 days (or until the normal expiry date of the option rights of such Participant, if earlier) from the date of ceasing to be a technical consultant/non-technical consultant or employee to exercise all unexercised option rights of that Participant under the Option Plan to the extent they were exercisable on the date of ceasing to be a technical consultant/non-technical consultant or employee; provided that if such Participant was engaged in investor relations activities, such exercise must occur within 30 days after the cessation of the Participant's services to the Company (subject to extension at the discretion of the Board).
11. If a Participant ceases to be a director or officer of the Company or any of its subsidiaries as a result of retirement, resignation or termination without cause, subject to the discretion of the Board, such Participant shall have the right for a period of one year (or until the normal expiry date of the option rights of such Participant, if earlier) from the date of ceasing to be a director or officer to exercise all unexercised option rights of that Participant under the Rolling Option Plan to the extent they were exercisable on the date of ceasing to be a director or officer.
12. No right or interest of any Participant in or under the Rolling Option Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution.

14. Subject to applicable approval of the TSXV, the Board may, at any time, suspend or terminate the Rolling Option Plan, amend or revise the terms of the Rolling Option Plan; provided that no such amendment or revision shall result in a material adverse change to the terms of any Options theretofore granted under the Rolling Option Plan, unless shareholder approval, or disinterested shareholder approval, as the case may be, is obtained for such amendment or revision.

Employment, Consulting and Management Agreements

The Company entered into a consulting agreement with Ms. Judi Dalling for services in her capacity as Chief Financial Officer and Corporate Secretary. Pursuant to this consulting agreement the Company pays Ms. Dalling an annual consulting fee of \$65,000 payable in equal monthly installments in advance. Ms. Dalling is also eligible to receive bonuses from time to time and reimbursement for approved out-of-pocket expenses. The agreement provides that should the Company terminate the agreement without cause, or in the event that there is a change of control of the Company, as defined in the agreement, and the consulting services of Ms. Dalling are terminated within 12 months from the date of such change of control, the Company will make a lump sum termination payment to Ms. Dalling that is equal to 3 months of the base consulting fee. If the contract was terminated without cause as at November 30, 2018, the estimated incremental payments resulting from such termination would be \$16,250.

The Company entered into a consulting agreement with Dr. Patrick Gray for services in his capacity as Chief Executive Officer and President. Pursuant to this consulting agreement the Company pays Dr. Gray an annual salary of US\$200,000 payable in equal monthly installments at the end of each month and a total of \$250 per diem for travel expenses and meals for trips to Vancouver. Dr. Gray is also eligible to receive bonuses from time to time and reimbursement for approved out-of-pocket expenses. The agreement provides that should the Company terminate the agreement without cause, the Company will make a lump sum termination payment to Dr. Gray that is equal to 1 month of the base consulting fee. The agreement further provides that in the event that there is a change of control of the Company, as defined in the agreement, and the services of Dr. Gray are terminated within 12 months from the date of such change of control, the Company will make a lump sum termination payment to Dr. Gray that is equal to 2 months of the base consulting fee. If the contract was terminated without cause as at November 30, 2018, the estimated incremental payments resulting from such termination would be \$44,000.

On July 16, 2018, the Company entered into a consulting agreement with Julie Eastland, a director of the Company for supervisory, managerial, consultancy and advisory assistance and services relating to the Company's business for an annual fee of US\$120,000. The agreement further provides that the Company may at any time terminate the agreement by paying to Ms. Eastland a lump sum amount equal to one month's compensation within the first six months of the agreement and thereafter, a lump sum equal to two month's compensation. If the agreement was terminated without cause as at November 30, 2018, the estimated incremental payments resulting from such termination would be \$13,200.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

Given the Company's status as an early-stage company, the Board does not feel that any payment to the directors is appropriate in such person's capacity as a director. Long term incentives (stock options) are granted from time to time, based on an existing complement of long term incentives, corporate performance and to be competitive with other companies of similar size and scope.

Compensation of Named Executive Officers

The Company's executive compensation program is administered by the Company's Compensation, Governance and Nominating Committee (the "Compensation Committee"). The Compensation Committee is composed of two members of the Board of Directors. The Compensation Committee is responsible for ensuring that the Company has in place an appropriate plan for executive compensation. Compensation objectives include attracting and retaining highly-qualified individuals, creating among directors, officers, consultants and employees, a corporate environment which will align their interests with those of the shareholder and ensuring competitive compensation that is also affordable for the Company.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's Named Executive Officers may receive compensation that is comprised of three components: (a) salary, wages or contractor payments; (b) stock option grants; and (c) bonuses.

The Company has not begun to market any products or to generate revenues. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Company to be

appropriate in the evaluation of the performance of the Named Executive Officers. The salaries are set on a basis of a review and comparison of salaries paid to executives at similar companies.

Stock option grants are designed to reward the Named Executive Officers for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatility of the stock market.

Bonuses paid to the Named Executive Officers are allocated on an individual basis and are based on review by the Compensation Committee of the work planned during the year and the work achieved during the year, including work related to advances in research and development, administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

The Company does not have a share-based award incentive plan.

Pension Disclosure

The Company does not have a pension plan in place and therefore there were no pension plan benefit awards made to the Named Executive Officers during the fiscal year ended November 30, 2018.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan which the Company has in place is the existing Rolling Option Plan which was previously approved by the TSXV. The Rolling Option Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continued association with the Company. The Rolling Option Plan is administered by the Board of Directors and provides that options will be issued to directors, officers, employees, consultants and other Participants (as defined in the Rolling Option Plan) of the Company. The Rolling Option Plan also provides that the number of Common Shares issuable under the Rolling Option Plan, may not exceed 10% of the issued and outstanding Common Shares at any time. All options granted under the Rolling Option Plan expire on a date not later than ten years after the date of grant of such option, and are exercisable at an exercise price set by the Board of Directors in its sole discretion which price may not be less than the Discounted Market Price (as defined in the Rolling Option Plan). At the Meeting the Company will propose to replace the Rolling Option Plan with the Fixed Option Plan. See “*Stock Option Plans and Other Incentive Plans*” above for a description of the Rolling Option Plan and “*Adoption and Approval of the Fixed Stock Option Plan*” below for a description of the Fixed Option Plan.

As at the end of the most recently completed financial year of the Company ended November 30, 2018 there were 4,852,000 stock options granted or outstanding under the Rolling Option Plan.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors and officers of the Company, any proposed management nominee for election as a director of the Company or any associate of any director, officer or proposed management nominee is or has been indebted to the Company at any time during the Company's most recently completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as disclosed herein, the Company is not aware of any material transaction involving any director or executive officer of the Company, any director or executive officer of any shareholder who holds more than 10% of the voting rights attached to the Common Shares of the Company, any proposed nominee for election as a director of the Company, or any shareholder who holds more than 10% of the voting rights attached to the Common Shares of the Company or any associate or affiliate of any of the foregoing, which has been entered into since the commencement of the Company's last completed financial year or in any proposed transaction which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

MANAGEMENT CONTRACTS

There are no management functions of the Company, which are to any substantial degree performed by a person or company other than the directors or senior officers of the Company.

CORPORATE GOVERNANCE

Corporate governance is related to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day to day management of the Company. The Board of Directors is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to *National Instrument 58-101 – Disclosure of Corporate Governance Practices* ("NI 58-101"), the Company is required to disclose its corporate governance practices as summarized below.

Board of Directors

The Board of Directors facilitates its exercising of independent supervision over the Company's management through meetings of the Board of Directors and both directly and indirectly through its committees and independent members. Meetings of the independent directors and committees are not regularly scheduled but communication among this group occurs on an ongoing basis as needs arise from regularly scheduled meetings of the Board of Directors. The number of these informal meetings has not been recorded, but it would not be less than four in the case of the Audit Committee in the fiscal year that ended November 30, 2018. The Board of Directors believes that adequate structures and processes are in place to facilitate the functioning of the Board of Directors with a level of independence of the Company's management.

The Board of Directors currently consists of seven directors: Patrick Gray, Karoly Nikolich, Terry Pearson, Jens Biertumpel, Thomas Gadek, Graeme I. Bell and Julie Eastland. Messrs. Pearson, Biertumpel, Gadek and Bell and Ms. Eastland are independent members of the Board of Directors within

the meaning of NI 58-101 in that they are independent and free from any material relationship with the Company which could, in the view of the Company's Board of Directors, be reasonably expected to interfere with the exercise of a member's independent judgement.

The remaining members of the Board of Directors are not considered independent: Mr. Patrick Gray is President and Chief Executive Officer of the Company and Mr. Karoly Nikolich is Chairman of the Company's Board of Directors.

Directorships

No current or proposed directors of the Company are also directors or officers of other reporting issuers.

Board Responsibilities

The Board has overall responsibility for the stewardship of the Company. The Company's Board of Directors is empowered by governing corporate law and the Company's Articles to manage, or supervise the management of, the affairs and business of the Company.

The Board of Directors performs its functions through quarterly and special meetings and has delegated certain of its responsibilities to those committees described below. In addition, the Board of Directors has established policies and procedures that limit the ability of management to carry out certain specific activities without the prior approval of the Board of Directors.

Long-term strategies and annual operating and capital plans with respect to the Company's operations are developed by senior management and reviewed and approved by the Board of Directors.

The Board of Directors, through the Audit Committee, has the responsibility to identify the principal risks of the Company's business. It works with management to implement policies to identify the risks and to establish systems and procedures to ensure that these risks are monitored.

The Board of Directors has delegated responsibility for the integrity of internal controls and management information systems to the Audit Committee. The Company's external auditors report directly to the Audit Committee. In its regular meetings with the external auditors, the Audit Committee discusses, among other things, the Company's financial statements and the adequacy and effectiveness of the Company's internal controls and management information systems.

Orientation and Continuing Education

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current level of operations. However, if the growth of the Company's operations warrants it, it is likely that a formal orientation process will be implemented.

Ethical Business Conduct

The Company does not currently have a written code for ethical business conduct.

The Board of Directors encourages and promotes a culture of ethical business conduct by actively overseeing the management of the business. While there is no formal policy on ethical business conduct, the Company carries out its business in accordance with the rules and regulations of all regulatory

agencies to which it is subject. This culture of compliance is stressed to all levels of management of the Company to ensure that business is conducted in an ethical and proper manner at all times.

The Company is established under and is therefore governed by the provisions of the *Business Corporations Act* (British Columbia) (the “BCA”). Pursuant to the BCA, a director or officer of the Company must disclose to the Company in writing or by requesting that it be entered in the minutes of meetings of the Board of Directors, the nature and extent of any interest that he or she has in material contract or material transaction, whether made or proposed, with the Company, if the director or officer: (a) is a party to the contract or transaction; (b) is a director or an officer, or an individual acting in a similar capacity, of a party to the contract or transaction; or (c) has a material interest in a party to the contract or transaction. The interested director cannot vote on any resolution to approve such contract or transaction.

Nomination of Directors

The Board of Directors considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board of Directors’ duties effectively and to maintain a diversity of views and experience. The nomination of new directors is currently performed by the Board of Directors as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation of Directors and CEO

The Company’s executive compensation program is administered by the Company’s Compensation, Governance and Nominating Committee. See “*Executive Compensation - Oversight and Description of Director and Named Executive Officer Compensation*” for further details of the steps taken to determine compensation for the directors and executives.

Other Committees

The Company established a Nominating Committee, which currently consists of Messrs. Gadek and Biertumpel. The Board of Directors has determined that additional committees are not necessary at this stage of the Company’s development.

Assessments

Neither the Company nor the Board of Directors has determined formal means or methods to regularly assess the Board of Directors, its Committees or individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board of Directors.

AUDIT COMMITTEE

National Instrument 52-110 of the Canadian Securities Administrators (“NI 52-110”) requires the Company, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, set forth as follows:

Audit Committee Charter

The Charter of the Company's audit committee (the "Audit Committee") is attached to this Circular as Schedule "A".

Composition of the Audit Committee

Members of the Audit Committee are: Terry Pearson, Karoly Nikolich and Jens Biertumpel. A majority of the members of the Committee are not officers or employees of the Company or of an affiliate of the Company. Two members of the Audit Committee, Dr. Karoly Nikolich (Chairman of the Board) and Mr. Jens Biertumpel (received consulting (compensation) fee from the Company) are not independent as defined in NI 52-110. Dr. Terry Pearson is an independent member of the Audit Committee. Each member of the Audit Committee is financially literate.

A member of the Audit Committee is *independent* if the member has no director or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Board of Directors, reasonably interfere with the exercise of a member's independent judgment.

A member of the Audit Committee is considered *financially literate* if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company.

Relevant Education and Experience

Based on their business and educational experiences, each Audit Committee member has a reasonable understanding of the accounting principles used by the Company; an ability to assess the general application of such principles in connection of the accounting for estimates, accruals and reserves; experience analyzing and evaluating financial statements that present a breadth and level of complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more individuals engaged in such activities; and an understanding of internal controls and procedures for financial reporting.

Terry Pearson and Jens Biertumpel gained financial literacy by serving as directors of the TSXV listed companies. Mr. Biertumpel was also a managing director and co-founder of Mont Blanc Capital Management AG, a FINMA regulated asset management firm in Zurich, Switzerland. Dr. Nikolich has gained financial literacy by assisting in the preparation and review of the Company's audited financial statements.

Audit Committee Oversight

At no time during the Company's fiscal year ended November 30, 2018 and at no time since the commencement of the Company's most recently completed financial year were any Audit Committee's recommendations to nominate or compensate an external auditor not adopted by the Board of Directors.

Reliance on Certain Exemptions

At no time during the Company's fiscal year ended November 30, 2018 and at no time since the commencement of the Company's most recently completed financial year has the Company relied on any exemption under section 2.4 (*De Minimis Non-audit Services*), subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*), subsection 6.1.1(5) (*Events Outside Control*

of Member), subsection 6.1.1(6) (*Death, Incapacity or Resignation*) or Part 8 of *National Instrument 52-110 – Audit Committees*.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted any specific policies and procedures for the engagement of non-audit services.

The aggregate fees billed by the Company’s external auditors in each of the last two fiscal years are:

Financial Year/Period Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees

PARTICULARS OF SPECIAL MATTERS TO BE ACTED ON

Approval of Fixed Option Plan

The Board of Directors of the Company has adopted a 20% Fixed Option Plan in order to enhance the Company's ability to compensate employees, officers, consultants and directors by means other than cash incentives. Pursuant to the Fixed Option Plan, options entitling the purchase of an aggregate 10,493,479.20 Common Shares in the capital of the Company may be granted to directors, officers, employees, and consultants of the Company from time to time. The Fixed Option Plan is subject to the approval of the TSX Venture Exchange and Disinterested Shareholders (as defined above) of the Company. At the Meeting, Disinterested Shareholders will be asked to consider and, if thought advisable, to pass an ordinary resolution giving approval to the Fixed Option Plan. See "*Disinterested Shareholder Approval*" below.

TSXV requires shareholder approval of any stock option plan that, together with all of the Company's other previously established stock option plans or grants, could result at any time in the number of listed shares reserved for issuance under stock options exceeding 10% of the issued shares. TSXV also requires that a company must obtain approval of the Disinterested Shareholders for a stock option plan if, among other things, the stock option plan, together with all of a company's previously established and outstanding stock option plans or grants, could result at any time in:

- (a) the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the issued shares;
- (b) the grant to Insiders, within a 12 month period, of a number of options exceeding 10% of the issued shares; or

As the Fixed Option Plan, together with all of the Company's previously established and outstanding stock option plans or grants could result in the circumstances described above, the Company must obtain the approval of the Disinterested Shareholders for the resolution approving the Fixed Option Plan.

Outstanding Options

As at the Circular Date, there are 52,647,396 Common Shares issued and outstanding, 10% of which is 5,264,770 Common Shares. At the Circular Date, there are options outstanding to purchase an aggregate of 4,852,000 Common Shares, and accordingly there are 412,740 options available for granting under the Rolling Option Plan. Pursuant to the Fixed Option Plan, options entitling the purchase of an aggregate 10,493,479.20 Common Shares in the capital of the Company may be granted to directors, officers, employees, and consultants of the Company from time to time. If the Company's Disinterested Shareholders approve the Fixed Option Plan, there will be a total of 5,677,479 options available for granting.

Ratification of 10% Rolling Option Plan

Should the Fixed Option Plan as described above under heading “Approval of Fixed Option Plan” not receive TSXV acceptance or the required Disinterested Shareholder approval at the Meeting, the Fixed

Option Plan will terminate and the Rolling Option Plan will remain in place. In the event that this occurs, Shareholders will be asked at the Meeting to consider and, if thought advisable, to pass an ordinary resolution ratifying the Rolling Option Plan as is required by the policies of the TSXV, so that the Company can continue to avail itself of this important compensation mechanism. The Shareholders of the Company most recently ratified and confirmed the Rolling Option Plan at the last annual meeting of shareholders held on March 12, 2018.

The Rolling Option Plan is administered by the Board of Directors. See “*Stock Option Plans and Other Incentive Plans*” above for a description of the Rolling Option Plan. A full copy of the Rolling Option Plan is available to shareholders of the Company upon request and will be available at the Meeting.

Shareholder Approval

At the Meeting, Shareholders will be asked to consider and vote on the following ordinary resolution, with or without variation:

“BE IT RESOLVED as an ordinary resolution of the shareholders that:

(the “Company”) is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company’s systems of internal controls regarding finance and accounting and the Company’s auditing, accounting and financial reporting processes. The Committee’s primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Company’s financial reporting and internal control system and review the Company’s financial statements.
- Review and appraise the performance of the Company’s external auditors (the “Auditor”).
- Provide an open avenue of communication among the Company’s auditors, management and the Board of Directors.

COMPOSITION, PROCEDURES AND ORGANIZATION

The Committee shall consist of at least three members. Each member must be a director of the Company. A majority of the members of the Committee shall not be officers or employees of the Company or of an affiliate of the Company. At least one (1) member of the Committee shall be financially literate. All members of the Committee who are not financially literate will work towards becoming financially literate to obtain working familiarity with basic finance and accounting practices. For the purposes of this Charter, the term “financially literate” means the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company’s financial statements.

The members of the Committee shall be appointed by the Board of Directors at its first meeting following the annual shareholders’ meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership. The Chair shall be financially literate.

The Board of Directors may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee.

MEETINGS OF THE COMMITTEE

Meetings of the Committee shall be scheduled to take place at regular intervals and, in any event, not less frequently than quarterly. Unless all members are present and waive notice, or those absent waive notice before or after a meeting, the Chairman will give the Committee members 24 hours’ advance notice of each meeting and the matters to be discussed at such meeting. Notice may be given personally, by telephone, by facsimile or e-mail.

The Auditor shall be given reasonable notice of, and be entitled to attend and speak at, each meeting of the Committee concerning the Company's annual financial statements and, if the Committee determines it to be necessary or appropriate, at any other meeting. On request by the Auditor, the Chair shall call a meeting of the Committee to consider any matter that the Auditor believes should be brought to the attention of the Committee, the Board of Directors or the shareholders of the Company.

At each meeting of the Committee, a quorum shall consist of a majority of members that are not officers or employees of the Company or of an affiliate of the Company. A member may participate in a meeting of the Committee in person or by telephone if all members participating in the meeting, whether in person or by telephone or other communications medium other than telephone are able to communicate with each other and if all members who wish to participate in the meeting agree to such participation.

The Committee may periodically meet separately with each of management and the Auditor to discuss any matters that the Committee or any of these groups believes would be appropriate to discuss privately. In addition, the Committee should meet with the Auditor and management annually to review the Company's financial statements.
