Notice and Access

The Corporation has elected to take advantage of the amendments to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“Notice-and-Access”) which came into force on February 11, 2013. In accordance with Notice-and-Access, the Corporation has delivered a form of proxy and a Notice-and-Access notification to registered shareholders outlining relevant dates and matters to be discussed at the meeting. These materials and the Notice of Meeting and Information Circular are available at www.envisionreports.com/YALQ2014 and at www.sedar.com.

FORWARD-LOOKING STATEMENTS

Certain statements contained in this Circular contain forward-looking statements or information (collectively “**forward-looking statements**”). The Corporation is hereby providing cautionary statements identifying important factors that could cause the actual results to differ materially from those projected in the forward-looking statements. Any statements that express, or involve discussions as to, expectations, beliefs, plans, objectives, assumptions or future events or performance (often, but not always, through the use of words or phrases such as “may”, “is expected to”, “anticipates”, “estimates”, “intends”, “plans”, “projection”, “could”, “vision”, “goals”, “objective” and “outlook”) are not historical facts and may be forward-looking and may involve estimates, assumptions and uncertainties which could cause actual results or outcomes to differ materially from those expressed in the forward-looking statements. In making these forward-looking statements, the Corporation has assumed that the current market will continue and grow and that the risks listed below will not adversely impact the business of the Corporation.

By their nature, forward-looking statements involve numerous assumptions, inherent risks and uncertainties, both general and specific, which contribute to the possibility that the predicted outcomes may not occur or may be delayed. The risks, uncertainties and other factors, many of which are beyond the control of the Corporation, that could influence actual results include, but are not limited to: limited operating history; exploration, development and operating risks; regulatory risks; financing risks and dilution to shareholders; competition; reliance on management and dependence on key personnel; fluctuating mineral prices and marketability of minerals; title to properties; local resident concerns; environmental risks; governmental regulations, processing licenses and permits; conflicts of interest of management; uninsurable risks; exposure to potential litigation; and other factors beyond the control of the Corporation.

Further, any forward-looking statement speaks only as of the date on which such statement is made, and, except as required by applicable law, the Corporation does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events. New factors emerge from time-to-time, and it is not possible for management to predict all such factors and to assess in advance the impact of each such factor on the business of the Corporation or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statement.

DATE

Except as otherwise indicated in this Circular, all information disclosed in this Circular is as of April 29, 2014.

THIS MANAGEMENT INFORMATION CIRCULAR (THE CIRCULAR) IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF SPACKMAN EQUITIES GROUP INC. (THE CORPORATION) OF PROXIES TO BE USED AT THE ANNUAL AND GENERAL MEETING (THE MEETING) OF SHAREHOLDERS OF THE CORPORATION (THE SHAREHOLDERS) TO BE HELD AT THE TIME AND PLACE AND FOR THE PURPOSES SET FORTH IN THE ACCOMPANYING NOTICE OF ANNUAL AND GENERAL MEETING OF SHAREHOLDERS (THE NOTICE) AND AT ANY ADJOURNMENT THEREOF.

It is expected that the solicitation will be made primarily by mail. However, officers of the Corporation may also solicit proxies by telephone, facsimile, e-mail or in person. The total cost of solicitation of proxies will be borne by the Corporation.

Unless otherwise specified, all financial amounts shown represent Canadian dollars.

APPOINTMENT, REVOCATION AND DEPOSIT OF PROXIES

The persons named in the enclosed forms of proxy are directors and/or officers of the Corporation who have been selected by the directors of the Corporation and have indicated their willingness to represent as proxies the Shareholders who appoint them.

A SHAREHOLDER HAS THE RIGHT TO APPOINT AS HIS OR HER PROXY A PERSON OR COMPANY, WHO NEED NOT BE A SHAREHOLDER, OTHER THAN THOSE WHOSE NAMES ARE PRINTED ON THE ACCOMPANYING FORMS OF PROXY. A SHAREHOLDER WHO WISHES TO APPOINT SOME OTHER PERSON OR COMPANY TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO EITHER BY CLEARLY INSERTING SUCH OTHER PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORMS OF PROXY AND SIGNING THE FORM OF PROXY, OR BY COMPLETING AND SIGNING ANOTHER PROPER FORM OF PROXY.

Proxies to be used at the Meeting must be deposited with Computershare Trust Company of Canada at 100 University Avenue, Toronto ON M5J 2X1 at least 48 hours (excluding Saturdays, Sundays and holidays) prior to the Meeting or at any adjournment thereof. A Shareholder who has given a proxy may revoke it, as to any motion on which a vote has not already been cast pursuant to the authority conferred by it, by an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The revocation of a proxy, in order to be acted upon, must be deposited with Computershare Trust Company of Canada at 100 University Avenue, Toronto ON M5J 2X1 prior to 5:00 p.m. on the last business day immediately preceding the Meeting or with the chairman of the Meeting before the commencement of the Meeting or at any adjournment thereof. A proxy may also be revoked in any other manner permitted by law.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of common shares (**Common Shares**) and an unlimited number of preferred shares issuable in series (**Preferred Shares**) of which, as of the date of this Circular, 16,856,632 Common Shares and no Preferred Shares of the Corporation are issued and outstanding.

Common Shares

The holders of Common Shares are entitled to dividends, if, as and when declared by the board of directors of the Corporation (the **Board**), to receive notice of and to vote at meetings of the Shareholders of the Corporation on the basis of one vote per Common Share and, upon liquidation, to share equally in

such assets of the Corporation as are distributed to the holders of Common Shares. There are no pre-emptive, redemption, purchase or conversion rights attached to Common Shares.

The Corporation has fixed May 1, 2014 as the record date (the **Record Date**) for the purpose of determining Shareholders entitled to receive notice of the Meeting. Pursuant to the *Canada Business Corporations Act* (the **CBCA**), the Corporation is required to prepare, no later than ten days after the Record Date, an alphabetical list of Shareholders entitled to vote as of the Record Date that shows the number of shares held by each Shareholder. A Shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the Meeting.

As of the date hereof, the directors and officers of the Corporation own or control, directly or indirectly, in the aggregate, 6,105,400 Common Shares of the Corporation, representing 36 % of the issued and outstanding Common Shares.

To the knowledge of the directors and executive officers of the Corporation, as of the Record Date, except as indicated below, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying ten percent (10%) or more of the voting rights attached to any class of voting security of the Corporation except for John D. Pennal who holds or exercises control or direction over 5,714,900 common shares which represent 34% of the outstanding common shares.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

The persons named in the enclosed form of proxy for Common Shares will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them and, if the Shareholder clearly specifies a choice with respect to any matter to be acted upon, the Common Shares shall be voted accordingly.

WHERE NO CHOICE IS SPECIFIED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED IN FAVOUR OF THE MATTERS IDENTIFIED IN THE NOTICE AND DESCRIBED IN THIS CIRCULAR. THE ENCLOSED FORM OF PROXY FOR COMMON SHARES ALSO CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE WITH RESPECT TO ANY AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING IN SUCH MANNER AS SUCH NOMINEE IN HIS JUDGMENT MAY DETERMINE. AS OF THE DATE OF THIS CIRCULAR, MANAGEMENT OF THE CORPORATION KNOWS OF NO SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS TO COME BEFORE THE MEETING OTHER THAN THE MATTERS REFERRED TO IN THE NOTICE.

NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Corporation are “non-registered” shareholders because the Common Shares of the Corporation they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the common shares. A person is not a registered shareholder (a **Non-Registered Shareholder**) in respect of Common Shares which are held either: (a) in the name of an intermediary (an **Intermediary**) that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (**CDS**)), of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the

Corporation are referred to as “OBOs”. In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, the Corporation has elected to send the Notice, this Circular and the forms of proxy (the **meeting materials**) directly to the NOBOs, and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the meeting materials to each OBO, unless the OBO has waived the right to receive them. The Corporation will pay for the Intermediaries to deliver the meeting materials to each OBO.

Intermediaries will frequently use service companies to forward the meeting materials to the OBOs. Generally, an OBO who has not waived the right to receive meeting materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of common shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Equity Financial Trust Company; or
- (b) more typically, be given a voting instruction form (**VIF**) which is not signed by the Intermediary, and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

These securityholder materials are being sent to both registered shareholders and Non-Registered Holders. If you are a Non-Registered Holder, and the Corporation or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The meeting materials sent to NOBOs who have not waived the right to receive meeting materials are accompanied by a VIF, instead of a form of proxy. By returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Common Shares owned by it.

VIFs, whether provided by the Corporation or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Holder may simply clearly print the name of the person to attend the Meeting in the space provided for this purpose on the VIF and a legal form of proxy will be sent to the Non-Registered Holder which will grant the Non-Registered Holder’s appointee the right to attend the Meeting and vote in person.

If you receive a VIF, please return your voting instructions as specified in the VIF. Non-Registered Holders who receive a VIF should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

All references to Shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record on the Record Date unless specifically stated otherwise.

AUDIT COMMITTEE

The Audit Committee’s role is to assist the Board in promoting and improving the credibility and objectivity of financial reports. The Audit Committee oversees the accounting and financial reporting processes of the Corporation including its management reporting and internal control procedures and systems, and reviews and recommends for approval by the board disclosure relating to financial matters. The Audit Committee

manages the relationship between the Corporation and its external auditors by overseeing the work of the external auditors and by making recommendations to the Board on the engagement, remuneration and termination of the external auditors based on its evaluation of their performance. A copy of the Audit Committee Charter is attached as Appendix “A”.

The Audit Committee currently consists of William Hale, Douglas Babcock and John Pennal. William Hale and Douglas Babcock qualify as independent directors in accordance with Multilateral Instrument 52-110 – Audit Committees. For the purposes of this discussion, an independent director is a director who has no direct or indirect material relationship with the Corporation.

The Audit Committee met once in person in 2013 to approve the annual audited financial statements of the Corporation. The interim financial statements of the Corporation in 2013 were approved by the Audit Committee by means of signed resolutions.

Relevant Education and Experience

All members of the Audit Committee have the education and/or practical experience required to understand and evaluate financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation’s financial statements.

Additional information on the educational background and experience of the Audit Committee members may be found under “Proposed Directors of the Corporation”.

Audit Committee Oversight

At no time since the commencement of the Corporation’s most recently completed financial year has any recommendation of the Audit Committee respecting the appointment and/or compensation of the Corporation’s external auditors not been adopted by the Board.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation’s most recently completed financial year has the Corporation relied on exemptions in relation to “De Minimus Non-Audit Services” or any exemption provided by Part 8 of NI- 52-110.

External Audit Service Fees

Audit Fees – The Corporation expects that the external auditors audit fees for the financial year ended December 31, 2013 will be approximately \$27,500 and the Corporation’s external auditors have billed the Corporation \$35,000 for audit fees for the financial year ended December 31, 2012.

Tax Fees – The Corporation’s external auditors billed the Corporation nil for the financial years ended December 31, 2013 and December 31, 2012 for services related to tax compliance, tax advice and tax planning.

All Other Fees – The Corporation’s external auditors billed the Corporation \$20,000 for the financial years ended December 31, 2013 and December 31, 2012, for services other than those reported above.

CORPORATE GOVERNANCE

On June 30, 2005, the Canadian Securities Administrators (“**CSA**”) enacted National Policy 58-201 Corporate Governance Guidelines (the “**Governance Policy**”) and National Instrument 58-101 – Disclosure of Corporate Governance Practices (“**NI 58-101**”). The Governance Policy provides guidelines on corporate governance practices while NI 58-101 requires Canadian reporting issuer corporations to

disclose their corporate governance practices in accordance with the disclosure items set out in Form 58-101F1.

The Corporation has reviewed its own corporate governance practices in light of the guidelines contained in the Governance Policy. The Corporation's practices comply generally with the guidelines, however, the current directors of the Corporation consider that some of the guidelines are not suitable for the Corporation at its current state of development and therefore the Corporation's governance practices do not reflect these particular guidelines. Given that the Corporation is a relatively small corporation in terms of both activities and market capitalization, the directors of the Corporation believe that the current governance structure is cost-effective and appropriate for the needs of the Shareholders.

Set out below is a description of the Corporation's corporate governance practices as required to be disclosed by NI 58-101.

Board of Directors

The Board currently consists of three directors, two of whom, Douglas Babcock and William Hale are independent. The other director is John Pennal, President and Chief Executive Officer. It is intended to elect three directors at the next annual meeting of shareholders to be held on June 11, 2014 of whom two directors will be independent.

Directors are expected to attend Board meetings and meetings of committees on which they serve and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. In 2013, the Board met once in person and each director was in attendance for such meeting. The Board conducted the remainder of its business in 2013 by means of signed resolutions.

Board Mandate

The Board has adopted a detailed Board Mandate and Governance Guidelines policy which provides that the Board is responsible for the stewardship of the Corporation and management is responsible for the day-to-day operation of the Corporation. Under the Governance Policy, the Board's mandate is to enhance long-term value for shareholders of the Corporation.

Position Description

Because the Board is a small, working board, it has not developed written position descriptions and does not have a process for assessing the performance of the directors nor the chair of the Board committees.

The Chief Executive Officer of the Corporation is responsible for the general management of the day-to-day affairs of the Corporation within the guidelines established by the Board, consistent with decisions requiring prior approval of the Board and the Board's expectations of the Chief Executive Officer. The Chief Executive Officer also provides advice and services to the Corporation's investees in order to foster the development, growth and value of the Corporation's investment in these companies.

Orientation and Continuing Education

All of the current directors are intimately familiar with the Corporation's activities. New directors will be oriented on an informal basis.

Ethical Business Conduct

The Board has adopted a written Code of Ethical Conduct and Business Practices (the "**Code**") to ensure that the Corporation's directors, officers and employees act in accordance with applicable laws and observe the highest ethical standards in their business relationships. The Code imposes on every director, officer and employee of the Corporation the responsibility to create and maintain a fair, honest and

professional workplace. Given the relatively small size of the Corporation, the Board as a whole is responsible for monitoring and ensuring compliance with the Code. However, the independent directors of the Corporation are encouraged to take a leading role in this process.

A copy of the Code may be obtained by written request to the Corporate Secretary, Aylene Capital Inc., Suite 3800, Royal Bank Plaza, South Tower, 200 Bay Street, P.O. Box 84, Toronto, Ontario, M5J 2Z4.

Nomination of Directors

The Board does not have a nominating committee given the size of the Corporation. Instead, the Board works together as a whole to identify new candidates for nomination.

Assessments

The Board does not regularly make formal assessments of the Board, its committees and its individual directors, owing to the size and composition of the Board. As a small working board, the Board as a whole satisfies itself on an informal basis, from time-to-time, that the Board, its committees, and its individual directors are performing effectively.

Composition of the Compensation Committee

Owing to the size of the Board and the fact that there are only three executive officers the Board does not have a Compensation Committee. The independent directors on the Board deal with compensation issues as and when required.

Corporate Governance Committee

The Board does not have a Corporate Governance Committee, owing to the size and composition of the Board. The Board as a whole is responsible for matters of corporate governance and for the disclosure of the Corporation's corporate governance practices in accordance with NI 58-101 and other legal and regulatory requirements.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The two independent directors on the Board, Douglas Babcock and William Hale will have responsibility for reviewing and approving matters related to the Chief Executive Officer and Chief Financial Officer including strategic direction, effectiveness of management, compensation, succession planning, and assessment of leadership. They may retain independent compensation consultants to assist in their assessment of executive compensation of the Chief Executive Officer and the Chief Financial Officer. They may also request management to undertake studies and report on areas of interest, and may retain such other consultants as they deem appropriate.

Compensation Philosophy and Objectives

The executive compensation program is designed to fairly compensate and motivate the senior executives of the Corporation. The Board's philosophy is to competitively compensate the senior executives for total performance and contribution to the Corporation's success. Consistent with the philosophy, a portion of the Chief Executive Officer's compensation is performance based and dependent on the Corporation achieving financial and other corporate performance targets as well as individual performance factors.

The integrated compensation program is designed to provide a total rewards approach to compensation based on the principles of competitive compensation, rewarding performance, and share ownership and shareholder alignment.

Major Components of the President's and Chief Executive Officer's Compensation Program

The major components of the compensation program for the Chief Executive Officer are:

- Base salary paid by the Corporation;
- Short term cash incentives paid by the Corporation;
- Long term incentives through stock options awarded by the Corporation; and
- Long term incentives through performance based compensation paid by the Corporation.

The above compensation components are assessed and determined by the two independent directors after taking into account: (i) any remuneration received by the Chief Executive Officer for services provided to any of the Corporation's investees; (ii) after giving due consideration to the fact that, due to the relatively few number of employees and the relatively small size of the Corporation, the Chief Executive is the only senior executive of the Corporation and is therefore required to perform the duties and responsibilities normally performed by other members of management; (iii) compensation should be commensurate with the time spent by the Chief Executive Officer in meeting his obligations and should be reflective of the compensation paid by companies similar in size and business to the Corporation; (iv) the amount of base salary should be considered when determining the appropriate amount of the long-term incentives and vice versa; (v) given the limited cash resources of the Corporation non-cash consideration should be used as well as a reasonable amount of cash consideration; and (vi) the structure of the compensation should be simple and transparent to shareholders. The Corporation has not developed quantitative benchmarks for establishing compensation.

Concerning each of these factors, the independent directors determined that (i) the Chief Executive Officer does not receive any remuneration for services provided to any of the Corporation's investees, (ii) since the Chief Executive Officer is the only senior executive of the Corporation the position requires considerably more time and experience than would otherwise be the case, and (iii) an independent compensation consultant should be retained from time to time to provide guidance on the level of base salary and other compensation. After taking all these factors into account it was determined to fix the Chief Executive's base salary at \$200,000 and to grant the long-term incentives described under Long Term Incentives. Short term incentives in the form of an annual bonus are dealt with by the two independent directors following the conclusion of each year.

Base Salary

The annual base salary for the Chief Executive Officer was determined by reference to individual performance, contribution and value. The Chief Executive Officer entered into an employment agreement with the Corporation on September 30, 2011 at an annual base salary of \$200,000. The amount of the annual base salary is reviewed annually by the independent directors. The annual base salary was not adjusted in 2012 or 2013.

The position of Chief Financial Officer is a part-time position. The annual compensation of the Chief Financial Officer was fixed at \$33,000 for 2013.

Short Term Incentives

No short term incentive payments were awarded or paid to the Chief Executive Officer or any other executive officer in 2013.

Long Term Incentives

Long term incentive compensation for the Chief Executive Officer is comprised of (i) an entitlement to stock options equal to 5% of the total number of shares outstanding from time to time, and (ii) as performance based compensation, an entitlement to 10% of any investment proceeds received by the Corporation in excess of the initial costs of investment resulting from the disposition of any current or future investment by the Corporation. The employment contract for the Chief Executive Officer provides

that he is entitled to stock options equal to 5% of the number of outstanding shares from time to time and in November, 2011 835,663 fully vested options to purchase common shares were granted to the Chief Executive Officer for a term of 10 years at an exercise price of \$0.05 per share.

Share –Based and Option-Based Awards

The two independent directors determine the amount of options to be awarded to the Chief Executive Officer as part of his total compensation
