

Deepspatial Inc. Announces US Listing on OTCQB Market Under Symbol DSAIF

TORONTO--(BUSINESS WIRE)--September 27, 2021--Deepspatial Inc. (CSE:DSAI) (OTCQB: DSAIF) ("Deepspatial" or the "Company") is pleased to announce that its common shares are now trading on the OTCQB Venture Market (OTCQB), a US trading platform that is operated by the OTC Markets Group in New York. The company is trading on the OTCQB under the symbol "DSAIF"; the Company's common shares will continue to trade on the Canadian Securities Exchange (CSE) under the symbol "DSAI".

"Listing on the OTCQB Venture Market is part of our long-term strategy to bring greater awareness to Deepspatial's AI-driven solutions, enhance liquidity of our stock, broaden our shareholder base and further increase our visibility to the investor community," said Dr. Rahul Kushwah, Chief Executive Officer of Deepspatial Inc.

The OTCQB Venture is the premier marketplace for entrepreneurial and development stage U.S. and international companies that are committed to providing a high-quality trading and information experience for their US investors. To be eligible, companies must be current in their financial reporting, pass a minimum bid price test, and undergo an annual company verification and management certification process. The OTCQB Venture quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.

About Deepspatial Inc.

Deepspatial Inc. is an artificial intelligence, technology SaaS company at the forefront of geospatial artificial intelligence and geographic informational systems, specializing in providing robust, AI-powered solutions to businesses by leveraging the power of geospatial data. The company has currently built products that target four specific customer needs across industry verticals. These are (1) geodemographic customer profiling, (2) price recommendation engine, (3) inventory management and supply chain analytics (market entry and expansion), and (4) sentiment monitoring to measure and improve brand health. Caution regarding Forward Looking Information:

THE CANADIAN SECURITIES EXCHANGE HAS NOT REVIEWED NOR DOES IT ACCEPT RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.

This news release may contain forward-looking statements and information based on current expectations. These statements should not be read as guarantees of future performance or results of the Company. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those implied by such statements. Although such statements are based on management's reasonable assumptions, there can be no assurance that such assumptions will prove to be correct. We assume no responsibility to update or revise them to reflect new events or circumstances. The Company's securities have not been registered under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act"), or applicable state securities laws, and may not be offered or sold to, or for the account or benefit of, persons in the United States or "U.S. Persons", as such term is defined in Regulations under the U.S. Securities Act, absent registration or an applicable exemption from such registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in the United States or any jurisdiction in which such offer, solicitation or sale would be unlawful. Additionally, there are known and unknown risk factors which could cause the Company's actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information contained herein, such as, but not limited to dependence on obtaining regulatory approvals; the ability to obtain intellectual property rights related to its technology; limited operating history; general business, economic, competitive, political, regulatory and social uncertainties, and in particular, uncertainties related to COVID-19; risks related to factors beyond the control of the company, including risks related to COVID-19; risks related to the Company's shares, including price

volatility due to events that may or may not be within such party's control; reliance on management; and the emergency of additional competitors in the industry.

All forward-looking information herein is qualified in its entirety by this cautionary statement, and the Company disclaims any obligation to revise or update any such forward-looking information or to publicly announce the result of any revisions to any of the forward-looking information contained herein to reflect future results, events or developments, except required by law.
