MANAGEMENT INFORMATION CIRCULAR

As at June 18, 2014 (*unless otherwise indicated*)

This Management Information Circular (“Circular”) is furnished in connection with the solicitation of proxies by the management of Spirit Bear Capital Corp. (the “Company”) for use at the Annual and Special Meeting of the holders (the “Shareholders”) of common shares (the “Common Shares”) of the Company to be held at 610-815 West Hastings Street, Vancouver, BC V6C 1B4, on July 15, 2014 at 10:00 a.m. (Vancouver Time) and at any adjournment thereof (the “Meeting”), for the purposes set forth in the notice of the Meeting (the “Notice”) accompanying this Circular.

Date and Currency

All dollar amounts referred herein, unless otherwise indicated, are expressed in Canadian dollars. The information contained in this Circular is given as of June 18, 2014 (the “**Circular Date**”) except where otherwise indicated.

INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but may be solicited by way of telephone, facsimile or other means of communication to be made without special compensation by the directors, officers and regular employees of the Company. Costs associated with the solicitation of proxies will be borne by the Company. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxyholders

A shareholder is entitled to one vote for each Common Shares that such Shareholder holds on the Record Date of June 13, 2014 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The persons named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company (“**Management Proxyholders**”).

A Shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for him or her on his or her behalf at the Meeting other than Management Proxyholders. To exercise this right the Shareholder must strike out the names of Management Proxyholders and insert the name of his or her nominee in the blank space provided in the Proxy, or complete another suitable form of proxy. Such Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxyholder and should provide instructions to the nominee on how the Shareholder's shares should be voted. The nominee should bring the personal identification to the Meeting.

If your common shares are held in physical form (i.e. paper form) and are registered in your name, then you are a registered shareholder ("Registered Shareholder"). However, if, like most shareholders, you keep your Common Shares in a brokerage account, then you are a beneficial shareholder ("Beneficial Shareholder"). The manner for voting is different for Registered and Beneficial Shareholders. The instructions below should be read carefully by all Shareholders.

Signing of Proxy

The instrument of proxy must be dated and executed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer whose title must be indicated. An instrument of proxy signed by a person acting as attorney or in some other representative capacity should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Company).

Revocability of Proxy

A Shareholder who has validly given a proxy may revoke it for any matter upon which a vote has not already been cast by the proxyholder appointed therein. In addition to revocation in any manner permitted by law, an instrument of proxy may be revoked by an instrument in writing executed by the Shareholder or by his or her duly authorized attorney, or, if the Shareholder is a corporation, under its corporate seal by a duly authorized officer or attorney of the corporation and delivered to either the Company's transfer agent, Computershare Investor Services Inc. at 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the instrument of proxy is to be used, or deposited with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof.

In addition, a Shareholder, or, if the Shareholder is a corporation, a duly authorized representative of the corporation, submit a subsequent proxy in accordance with the foregoing procedure or may attend the Meeting in person, revoke the instrument of proxy by indicating such intention to the Chairman of the Meeting before the instrument of proxy is exercised, and vote in person.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The Management Proxyholders named in the accompanying instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing him or her on any ballot that may be called for at the Meeting.

In the absence of such direction with respect to a matter to be acted upon, the Proxy confers discretionary authority with respect to that matter upon the appointed Proxiholders named in the form of Proxy. It is intended that the Management Proxiholders will vote such Common Shares IN FAVOUR of each matter identified in the Proxy.

If any amendment or variation to the matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, the accompanying instrument of proxy confers discretionary authority to vote on such amendments or variations or such other business according to the best judgment of the appointed proxyholder. As at the Circular Date, the management of the Company knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

In the case of abstention from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are subject to the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Registered Shareholders

Registered Shareholders are entitled to vote at the Meeting. Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or hand delivery at 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to a toll free number at 1-888-835-8683 and following the instructions on the voice response system by providing the holders' account number and the proxy access number. Instructions are then conveyed by use of the touchtone selections over the telephone; or
- (c) using the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof at which the proxy is to be used.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS

& Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (VIF) from the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"). These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Intermediaries are required to forward the Circular to OBOs unless the OBO has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Circular to OBOs. Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Inc.. ("**Broadridge**") in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting.

If you receive a VIF from Broadridge, you cannot use it to vote Common Shares directly at the Meeting - the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to (a) have your Common Shares voted as per your instructions, or (b) to have any alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting. All references to shareholders in this Circular are to Registered Shareholders, unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Circular, none of the directors or officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise in any matter to be acted on, other than the election of directors, the approval of the 10% rolling Option Plan, as such persons are eligible to participate in the Option Plan and as set out herein.

Corporate Cease Trade Orders or Bankruptcies

To the knowledge of the Company, none of the proposed directors of the Company is, as at the date hereof, or has been, within the previous 10 years, a director, chief executive officer or chief financial officer of any company (including the Company) that, (i) was subject to a cease trade or similar order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or (ii) was subject to a cease trade or similar order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Other than as disclosed below, to the knowledge of the Company, none of the proposed directors of the Company is, as at the date hereof, or has been, within the previous 10 years, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings,

arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Messrs. Silas and Waldkirch are former directors and officers of Northern Star Mining Corp., which on August 18, 2010 filed a Notice of Intention to Make a Proposal under the Bankruptcy and Insolvency Act (Canada) (the "Filing"), which included its subsidiary, Jake Resources Inc. The company retained Deloitte & Touche Inc. as its trustee and Gowling Lafleur Henderson LLP as its legal counsel. On January 24, 2011, the deadline for filing its Proposal under the Bankruptcy Act expired and Northern Star Mining Corp. was deemed to have filed an assignment in bankruptcy as of such date. Messrs. Silas and Waldkirch resigned as directors and officers of the company effective such date. The company has not yet been discharged.

Penalties or Sanctions

To the knowledge of the Company, none of the proposed directors of the Company has been subject to (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Several directors of the Company also serve as directors of one or more other companies. It may occur from time to time that as a consequence of such director's activity in the related industry and serving on such other boards that a director may become aware of potential opportunities which are of interest to more than one of the companies on whose boards that person serves. Accordingly, situations may arise in the ordinary course which involve a director in an actual or potential conflict of interest as well as issues in connection with the general obligation of a director to make corporate opportunities available to the company on which the director serves. In all such events, any director is required to disclose a financial interest in a contract or transaction by virtue of office, employment or security holdings or other such interest in another company or in a property interest under consideration by the Board of Directors, and is obliged to abstain from voting as a director of the Company in respect of any transaction involving that other company or in respect of any property in which an interest is held by him. The directors will use their best business judgment to help avoid situations where conflicts or corporate opportunity issues might arise and they must at all times fulfil their duties to act honestly and in the best interests of the Company.

APPROVAL OF STOCK OPTION PLAN

Annual Approval of Stock Option Plan

At the Meeting, the Shareholders will be asked to consider and, if deemed advisable, vote in favour of a resolution ratifying and approving the existing stock option plan (the “**Option Plan**”). The Option Plan is a “rolling” stock option plan whereby a maximum of 10% of the issued Common Shares of the Company, from time to time, may be reserved for issuance under the Option Plan provided that as long as the Company is a capital pool company (as defined in the policies of the TSXV) such number may not exceed 10% of the Common Shares outstanding as at the closing of the Company’s initial public offering. As the Company’s Option Plan is a “rolling” plan, the policies of the TSXV require that the Company seek shareholder approval of the Option Plan annually.

Outstanding Options

As at the date of the Company’s initial public offering , there were 5,000,012 Common Shares issued and outstanding, 10% of which is 500,001 Common Shares. At the Circular Date, there are options outstanding to purchase an aggregate of 500,000 Common Shares, and accordingly there is 1 option available for granting under the Option Plan.

Material Terms of the Stock Option Plan

The Option Plan is administered by the Board of Directors. A full copy of the Option Plan is available to shareholders of the Company upon request and will be available at the Meeting.

The following is a brief description of the principal terms of the Option Plan, which description is qualified in its entirety by the terms of the Option Plan:

1. The aggregate number of common shares which may be issued and sold under the Option Plan will not exceed 10% of the issued and outstanding shares at the time of grant of any option under the Option Plan.
2. The option price of any common shares in respect of which an option may be granted shall be fixed by the Board provided that the minimum exercise price shall not be less than the market price of the common shares at the time the option is granted, less the discounts permitted by the Exchange.
3. Stock options under the Option Plan may be granted by the Board to directors, senior officers, employees or consultants of the Corporation, collectively known as the "Participants".
4. Options granted under the Option Plan are exercisable over a period not exceeding ten years, provided that notwithstanding the foregoing, if the term of any Option granted under the Option Plan ends on a day occurring during a blackout period (being the period imposed by the Company during which insiders are prohibited from trading in the securities of the Company) or within nine business days thereafter, such expiry date of the Option shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the expiry date for such Option for all purposes under the Option Plan.
5. Subject to any vesting restrictions imposed by the TSXV, the Board of Directors may, in its sole discretion, determine the time during which options shall vest and the method of vesting, or that no vesting restriction shall exist.
6. in the event the Company is a Capital Pool Company:
 - (a) no one Participant may be granted options to purchase that number of common shares that is equal to more than 5% of the Post-IPO Common Shares;
 - (b) no one consultant of the Company or any of its subsidiaries may be granted options to purchase that number of common shares that is equal to more than 2% of the Post-IPO Shares; and
 - (c) no Options may be granted to consultants of the Company employed in investor relations activities.
7. in the event the Company is other than a Capital Pool Company:
 - (a) no single Participant may be granted options to purchase a number of common shares of the Company equaling more than 5% of the issued Common Shares of the Company in any one twelve-month period unless the Company has obtained disinterested shareholder approval in respect of such grant and meets applicable TSXV requirements;

 - (c) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Common Shares of the Company in any twelve month period to persons employed to provide investor relations activities. Options granted to consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than $\frac{1}{4}$ of the options vesting in any 3 month period.
8. no Options can be granted under the Option Plan if the Company is on notice from the TSXV to transfer its listed shares to the NEX or while the Company's shares trade on the NEX.
 9. If a Participant receives options while the Company is classified as a Capital Pool Company by the TSXV and the Participant ceases to be a director, officer consultant or employee of the Company or its subsidiaries, for any reason (other than death), such Participant may exercise his option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided, that such exercise must occur prior to the later of 12 months after the completion of a qualifying transaction and 90 days after the person ceases to be a director, officer, consultant or employee of the Company.
 10. If a Participant ceases to be a technical consultant/non-technical consultant or employee of the Company or any of its subsidiaries as a result of retirement, resignation or termination without cause other than as set out in subsection 9 above, such Participant shall have the right for a period of 90 days (or until the normal expiry date of the option rights of such Participant, if earlier) from the date of ceasing to be a technical consultant/non-technical consultant or employee to exercise all unexercised option rights of that Participant under the Option Plan to the extent they were exercisable on the date of ceasing to be a technical consultant/non-technical consultant or employee; provided that if such Participant was engaged in investor relations activities, such exercise must occur within 30 days after the cessation of the Participant's services to the Company (subject to extension at the discretion of the Board).
 11. If a Participant ceases to be a director or officer of the Company or any of its subsidiaries as a result of retirement, resignation or termination without cause other than as set out in subsection 9 above, subject to the discretion of the Board of Directors, such Participant shall have the right for a period of one year (or until the normal expiry date of the option rights of such Participant, if earlier) from the date of ceasing to be a director or officer to exercise all unexercised option rights of that Participant under the Option Plan to the extent they were exercisable on the date of ceasing to be a director or officer.
 12. No right or interest of any Participant in or under the Option Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution.
 13. Subject to applicable approval of the TSXV, the Board of Directors may, at any time, suspend or terminate the Option Plan, amend or revise the terms of the Option Plan; provided that no such amendment or revision shall result in a material adverse change to the terms of any Options theretofore granted under the Option Plan, unless shareholder approval, or disinterested shareholder approval, as the case may be, is obtained for such amendment or revision.

Shareholder Approval

At the Meeting, Shareholders will be asked to consider and vote on the following ordinary resolution, with or without variation:

“BE IT RESOLVED as an ordinary resolution of the shareholders that:

- (1) the 10% rolling Option Plan of the Company dated for reference March 29, 2012 be and is hereby ratified and approved for continuation until the next annual meeting of the Company, subject to regulatory approval;
- (2) to the extent permitted by law, the Company be authorized to abandon or amend all or any part of the Option Plan if the Board of Directors deems is appropriate and in the best interests of the Company to do so;
- (3) the Board of Directors, by resolution, be authorized to make such amendments to the Option Plan, from time to time, as may, in its discretion, be considered appropriate, provided always that such amendments be subject to the approval of all applicable regulatory authorities; and
- (4) any one or more of the directors or senior officers of the Company be and is hereby authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company, or otherwise, all such documents and other writings, as may be required to give effect to the true intent of this resolution.”

The Board of Directors believes that passing the above resolution is in the best interests of the Company, and accordingly recommends that you vote in favour of the resolution.

Unless otherwise instructed, the Management Proxyholders in the accompanying instrument of proxy intend to vote FOR the resolution to approve the Option Plan.

APPROVAL OF THE CANCELLATION OF COMMON SHARES

Policy 2.4 of the TSXV requires capital pool companies, such as the Company, to complete a Qualifying Transaction (as such term is defined in Policy 2.4) within two years of listing. Accordingly, the Company was required to complete a Qualifying Transaction by no later than May 14, 2014.

Effective May 16, 2014 trading in the Common Shares was suspended for failure to complete a Qualifying Transaction within the time prescribed by Policy 2.4. As a result, the TSXV placed the Company on notice to delist and that, in order to avoid delisting, it must complete a Qualifying Transaction by August 12, 2014 or such other date as the TSXV may permit (the “**Delisting Deadline**”) or transfer its listing to NEX. NEX is a distinct trading board of the TSXV designed for listed issuers which were previously listed on the Toronto Stock Exchange or the TSXV that have been unable to meet the ongoing financial listing standards of those markets. NEX provides a trading forum for publicly listed shell companies while they seek and undertake transactions which will result in it carrying on an active business.

Pursuant to Policy 2.4, in order for the Company to transfer the listing of its securities to NEX, the Company is required to either: (i) cancel all of its “seed shares” (as such term is defined by the policies of the TSXV) purchased by Non-Arm’s Length Parties (as such term is defined by the policies of the TSXV) at a discount to the Company’s initial public offering price, or (ii) subject to approval by a majority of its shareholders, other than Non-Arm’s Length Parties, cancel an amount of “seed shares” purchased by

Non-Arm's Length Parties so that the average cost of the remaining "seed shares" is at least equal to the Company's initial public offering price.

Prior to completing its initial public offering on May 14, 2012 (the "IPO"), the Company issued 2,000,012 seed shares to Non-Arm's Length Parties at a price of \$0.05 per share for gross seed capital of \$100,001. The IPO was completed at a price of \$0.10 per Common Share.

Shareholder Approval

Accordingly, the Company seeks shareholder approval to cancel one-half of its seed shares (being 1,000,006 Common Shares) purchased by Non-Arm's Length Parties. As the cancellation of one-half of its seed shares requires shareholder approval pursuant to Policy 2.4, the Company intends to seek shareholder approval of such cancellation at the Meeting. The directors of the Company will only take the steps necessary to cancel one-half of the Company's seed shares if the Company does not complete a Qualifying Transaction by the Delisting Deadline.

In order to approve the cancellation of one-half of the Company's seed shares, the Shareholders will be asked to pass a following resolution, with or without variation, by the majority of the votes cast by Shareholders, exclusive of the votes of Non-Arm's Length Parties of the Company:

"BE IT RESOLVED THAT:

- (1) in the event that the Company does not complete a Qualifying Transaction (as such term is defined by the TSX Venture Exchange (the "Exchange")) on or before August 12, 2014 or such other later date as the Exchange may permit, the Company be and is hereby authorized to cancel approximately one-half of the common shares issued to Non-Arm's Length Parties (as such term is defined by the Exchange), namely 1,000,006 common shares, on a pro-rata basis among the holders of such shares, issued at a price of less than \$0.10 per share prior to the Company's initial public offering;
- (2) any one director or officer of the Company be and is hereby authorized and directed to do all such things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution; and
- (3) notwithstanding that this resolution has been passed by the shareholders of the Company, the directors of the Company shall have sole and full discretion to determine whether or not to carry out the cancellation of the foregoing shares and the directors of the Company are hereby authorized and empowered to revoke this resolution, in whole or in part, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable by the directors."

Unless otherwise instructed, the Management Proxyholders in the accompanying instrument of proxy intend to vote FOR the resolution to approve the cancellation of approximately 1,000,006 Common Shares issued to the Non-Arm's Length Parties of the Company, on a pro-rata basis among the holders of such shares, in the event that the Company does not complete a Qualifying Transaction by the Delisting Deadline.

TRANSFER TO NEX

As set forth above, the Company must complete its Qualifying Transaction by the Delisting Deadline. Accordingly, in the event that the Company does not complete a Qualifying Transaction by the Delisting

Deadline, the directors of the Company intend to apply to the TSXV to transfer the listing of the Common Shares to NEX in order to avoid being delisted.

In order for the transfer of the listing of the Common Shares to NEX to be implemented, the following resolution approving such transfer must be passed, with or without variation, by a majority of shareholders other than Non-Arm's Length Parties.

In addition and as described above, in order to transfer the listings of the Common Shares to NEX, Policy 2.4 requires that the Company cancel all or a portion of its seed shares purchased by Non-Arm's Length Parties. Accordingly, if shareholders approve the seed share cancellation resolution above at the Meeting, one-half of the Company's seed shares will remain outstanding following the transfer to NEX in the event that the Company does not complete a Qualifying Transaction by the Delisting Deadline. However, if the seed share cancellation resolution is not approved at the Meeting, the Company will be required to cancel all of its seed shares (being 2,000,012 Common Shares) in order to complete the transfer to NEX, which cancellation does not require shareholder approval.

The directors of the Company will only take the steps necessary to list the Common Shares on NEX if the Company does not complete a Qualifying Transaction by the Delisting Deadline. If a Qualifying Transaction is completed and approved within the prescribed period, the Common Shares will, subject to the TSXV approval, begin trading on the TSXV.

At the Meeting, the Shareholders will be asked to pass a following resolution, with or without variation, by the majority of the votes cast by Shareholders, exclusive of the votes of Non-Arm's Length Parties of the Company:

“BE IT RESOLVED THAT:

- (1) in the event that the Company does not complete a Qualifying Transaction (as such term is defined by the TSX Venture Exchange (the “**Exchange**”)) on or before August 12, 2014 or such other later date as the Exchange may permit, the Company be and is hereby authorized to apply to transfer the listing of the Company's common shares from the Exchange to the NEX trading board of the Exchange;
- (2) any one director or officer of the Company be and is hereby authorized and directed to do all such things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution; and
- (3) notwithstanding that this resolution has been passed by the shareholders of the Company, the directors of the Company shall have sole and full discretion to determine whether or not to carry out the transfer of the listing of the common shares of the Company to the NEX trading board of the Exchange and the directors of the Company are hereby authorized and empowered to revoke this resolution, in whole or in part, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable by the directors.”

Unless otherwise instructed, the Management Proxyholders in the accompanying instrument of proxy intend to vote FOR the resolution to approve the transfer of the listing of the Common Shares to NEX in the event that the Company does not complete a Qualifying Transaction by the Delisting Deadline.

The Black-Scholes option valuation is determined using the expected life of the stock option, expected volatility of the Company's common share price, expected dividend yield, and risk-free interest rate.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan which the Company has in place is the existing Option Plan which was previously approved by the TSXV. The Option Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continued association with the Company. The Option Plan is administered by the Board of Directors and provides that options will be issued to directors, officers, employees, consultants and other Participants (as defined in the Option Plan) of the Company. The Option Plan also provides that the number of Common Shares issuable under the Option Plan, may not exceed 10% of the issued and outstanding Common Shares at any time, and as long as the Company is a capital pool company (as defined in the Policy 2.4 of the TSXV), may not exceed the 10% of the Common Shares issued and outstanding as at the date of the Company's initial public offering. All options granted under the Option Plan expire on a date not later than ten years after the date of grant of such option, and are exercisable at an exercise price set by the Board of Directors in its sole discretion which price may not be less than the Discounted Market Price (as defined in the Option Plan). INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors and officers of the Company, any proposed management nominee for election as a director of the Company or any associate of any director, officer or proposed management nominee is or has been indebted to the Company at any time during the Company's most recently completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed in this Circular, no director or officer of the Company, nor any proposed nominee for election as a director of the Company, nor any other insider of the Company, nor any associate or affiliate of any one of them, has any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which, in either case, has or will materially affect the Company and none of such persons has any material interest in any transaction proposed to be undertaken by the Company that will materially affect the Company.

MANAGEMENT CONTRACTS

There are no management functions of the Company, which are to any substantial degree performed by a person or company other than the directors or senior officers of the Company.

CORPORATE GOVERNANCE

Corporate governance is related to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day to day management of the Company. The Board of Directors is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to *National Instrument 58-101 – Disclosure of Corporate Governance Practices* (“NI 58-101”), which came into effect for financial years ending on or after June 30, 2005, the Company is required to disclose its corporate governance practices as summarized below.

Board of Directors

The Board of Directors facilitates its exercising of independent supervision over the Company’s management through meetings of the Board of Directors and both directly and indirectly through its committees and independent members. Meetings of the independent directors and committees are not regularly scheduled but communication among this group occurs on an ongoing basis as needs arise from regularly scheduled meetings of the Board of Directors. The number of these informal meetings has not been recorded, but it would not be less than four in the case of the Audit Committee in the fiscal year that ended January 31, 2014. The Board of Directors believes that adequate structures and processes are in place to facilitate the functioning of the Board of Directors with a level of independence of the Company’s management.

The Board of Directors currently consists of three directors: Michael Waldkirch, James Anderson and Richard Silas. Messrs. Anderson and Silas are independent members of the Board of Directors within the meaning of NI 52-110 in that they are independent and free from an interest, and any business or other relationship which could reasonably be perceived to, materially interfere with their ability to act with the best interests of the Company, other than interests and relationships arising from shareholders.

The remaining member of the Board of Directors is not considered independent: Mr. Waldkirch is the Chief Executive Officer, Chief Financial Officer and Corporate Secretary of the Company.

Directorships

The following directors, or proposed directors, of the Company are also directors or officers of other reporting issuers (or the equivalent) as set out below:

Name of Director or Proposed Director	Name of Reporting Issuer
James Anderson	Copper Creek Gold Corp. NuLegacy Gold Corporation
Richard Silas	Gold Standard Ventures Corp. Consolidated Westview Resource Corp.
Michael Waldkirch	Gold Standard Ventures Corp. NuLegacy Gold Corporation Consolidated Westview Resource Corp.

Board Responsibilities

The Board has overall responsibility for the stewardship of the Company. The Company's Board of Directors is empowered by governing corporate law and the Company's Articles to manage, or supervise the management of, the affairs and business of the Company.

The Board of Directors performs its functions through quarterly and special meetings and has delegated certain of its responsibilities to those committees described below. In addition, the Board of Directors has established policies and procedures that limit the ability of management to carry out certain specific activities without the prior approval of the Board of Directors.

Long-term strategies and annual operating and capital plans with respect to the Company's operations are developed by senior management and reviewed and approved by the Board of Directors.

The Board of Directors, through the Audit Committee, has the responsibility to identify the principal risks of the Company's business. It works with management to implement policies to identify the risks and to establish systems and procedures to ensure that these risks are monitored.

The Board of Directors has delegated responsibility for the integrity of internal controls and management information systems to the Audit Committee. The Company's external auditors report directly to the Audit Committee. In its regular meetings with the external auditors, the Audit Committee discusses, among other things, the Company's financial statements and the adequacy and effectiveness of the Company's internal controls and management information systems.

Orientation and Continuing Education

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current level of operations. However, if the growth of the Company's operations warrants it, it is likely that a formal orientation process will be implemented.

Ethical Business Conduct

The Company does not currently have a written code for ethical business conduct.

The Board of Directors encourages and promotes a culture of ethical business conduct by actively overseeing the management of the business. While there is no formal policy on ethical business conduct, the Company carries out its business in accordance with the rules and regulations of all regulatory agencies to which it is subject. This culture of compliance is stressed to all levels of management of the Company to ensure that business is conducted in an ethical and proper manner at all times.

The Company is established under and is therefore governed by the provisions of the *Business Corporations Act* (British Columbia) (the "BCA"). Pursuant to the BCA, a director or officer of the Company must disclose to the Company in writing or by requesting that it be entered in the minutes of meetings of the Board of Directors, the nature and extent of any interest that he or she has in material contract or material transaction, whether made or proposed, with the Company, if the director or officer: (a) is a party to the contract or transaction; (b) is a director or an officer, or an individual acting in a similar capacity, of a party to the contract or transaction; or (c) has a material interest in a party to the contract or transaction. The interested director cannot vote on any resolution to approve such contract or transaction.

Nomination of Directors

The Board of Directors has not appointed a nominating committee. As a result of the Company's size, its stage of development as a capital pool company and the limited number of individuals on the Board of Directors, the Board of Directors considers a nominating committee to be inappropriate at this time.

Compensation of Directors and CEO

As a capital pool company, no salaries have or will be paid until following a qualifying transaction. Given the Company's size, its stage of development as a capital pool company and the fact that no officers or directors receive any financial compensation, the Company has not appointed a compensation committee or formalized any guidelines with respect to compensation. If and when a qualifying transaction is completed the Board of Directors intends to appoint such a committee and adopt such guidelines.

Other Committees

The Company does not have any committees other than the Audit Committee. The Board of Directors has determined that additional committees are not necessary at this stage of the Company's development.

Assessments

Neither the Company nor the Board of Directors has determined formal means or methods to regularly assess the Board of Directors, its Committees or individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board of Directors.

AUDIT COMMITTEE

National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, set forth as follows:

Mr. Waldkirch is a CGA who has current and past experience working with listed companies on the TSXV. Messrs. Anderson and Silas gained financial literacy by assisting in the preparation and review of the Company's audited financial statements as well as by serving as directors and officers of a number of the TSX listed companies.

Audit Committee Oversight

At no time during the Company's fiscal year ended January 31, 2014 and at no time since the commencement of the Company's most recently completed financial year were any Audit Committee's recommendations to nominate or compensate an external auditor not adopted by the Board of Directors.

Reliance on Certain Exemptions

At no time during the Company's fiscal year ended January 31, 2014 and at no time since the commencement of the Company's most recently completed financial year has the Company relied on any exemption under Part 8 of *National Instrument 52-110 – Audit Committees*.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted any specific policies and procedures for the engagement of non-audit services.

External Auditor Service Fees

The aggregate fees billed by the Company's external auditors in each of the last two fiscal years are:

January 31, 2013	\$8,568	\$0	\$0	\$0

Additional information relating to the Company is included in the Company’s audited and consolidated financial statements for the year ended January 31, 2014, the auditor’s report thereon and related management discussion and analysis filed on www.sedar.com.
