

DATE AND SIGNING PAGE
CERTIFICATE OF AUTHOR

I, David J. Busch, P.Geo, am a Professional Geoscientist
of 31 Wiltshire Bay, Winnipeg, Manitoba

I am: -a practicing member of the Association of Professional Engineers and Geoscientists of Manitoba and a practicing member of the Association of Professional Geoscientists of Ontario.

-I graduated Lakehead University with a Bachelor of Arts degree in 1970 and an Honors Bachelor of Science degree in geology in 1974. I have practiced my profession continuously since 1974.

-Since 1974 I have been involved in mineral exploration and evaluation of deposits for gold, copper, lead-zinc and uranium throughout Canada.

As a result of my experience and qualifications I am a Qualified Person as defined in N.I. 43-101.

-I am presently a Consulting Geologist and have been so continuously since October, 1982.

-On Oct.1, 2011 I visited the property and general area to confirm current access conditions and grid location.

-This report titled PATTULLO PROPERTY EVALUATION dated April 10, 2012 was prepared by myself and I undertake responsibility for all items in the report.

-The author carried out and was responsible for all work completed on this same property by Skyharbour Resources Ltd. between March 1st and Nov. 8th 2007 when Skyharbour held an option on the property.

- I am not aware of any material fact or material change with respect to the subject matter of this technical report which is not reflected in this report which the omission to disclose would make this report misleading.

- I am independent of Rheingold Exploration Corp., Perry English and Rubicon Minerals Corporation in accordance with the application of Section 1.5 of National Instrument 43-101.

- I have read N.I. 43-101, Form 43-101FI and this report has been prepared in compliance with NI 43-101 and Form 43-101FI.

I, David J. Busch, the author of the 43-103 Technical Report consents to the use of extracts from or a summary of the technical report in support of the Information Circular or Filing Statement by Rheingold Exploration Corp. The author has read the prospectus of Rheingold Exploration Corp. dated May 22, 2012 and confirms that it fairly and accurately represents the information in this technical report. Dated at Winnipeg, Mb. this 23 day of May, 2012.

"David J. Busch"
