**MANAGEMENT INFORMATION CIRCULAR FOR THE 2021 AND 2022

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by or on behalf of the management of the Company for use at the 2021 and 2022 Annual General Meeting (collectively referred to herein as the “**Meeting**”) of the holders (the “**Shareholders**”) of common shares in the capital of the Company (the “**Shares**”) to be held virtually via Zoom Meetings and at the Company’s registered and records office located at Suite 800 – 543 Granville Street, Vancouver, British Columbia, on Tuesday, June 21, 2022 at 11:00 a.m. (Pacific Daylight Savings Time), or any adjournment thereof.

For purposes of this Circular, “**Registered Shareholders**” means Shareholders who hold Shares in their own name. “**Beneficial Shareholders**” means Shareholders who do not hold Shares in their own name and “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

Date of Information

Information in this Circular is given as of May 18, 2022, unless otherwise noted.

Shareholders wishing to receive copies of the items included in the Financial Disclosure, are urged to follow the delivery instructions as provided for in the Financial Statements Request Form.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers, or employees of the Company without special compensation. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with brokerage houses and other Intermediaries, clearing agencies, custodians,

nominees, and fiduciaries to forward solicitation materials to the Beneficial Shareholders of the Shares held on record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in so doing. All costs of this solicitation will be borne by the Company.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Form of Proxy**”) are directors, officers, or other representatives of the Company. **A Shareholder entitled to vote at the Meeting has the right to appoint as proxyholder a person or company, who need not be a Shareholder, to attend and act for the Shareholder on the Shareholder's behalf at the Meeting, or any adjournment thereof, other than either the persons or company designated in the Form of Proxy, and may do so either by inserting the name of that other person or company in the blank space provided in the Form of Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Form of Proxy will vote or withhold from voting the Shares represented thereby in accordance with the instructions of the Shareholder, given in the Form of Proxy, on any ballot that may be called for. If the Shareholder has specified a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. The proxy confers discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of auditors and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the proxy, the persons named in the Form of Proxy will vote the Shares represented by the proxy at their own discretion for the approval of such matter.

As of the date of this Circular, management of the Company is not aware of any such amendment, variation, or other matter to come before the Meeting. However, if any amendments or variations to matters identified in the accompanying notice of Meeting or any other matters which are not now known to management should properly come before the Meeting or any adjournment thereof, the Shares represented by properly executed proxies given in favor of the person(s) designated by management of the Company in the Form of Proxy will be voted on such matters pursuant to such discretionary authority.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by choosing one of the following methods:

- (a) complete, date and sign the enclosed Form of Proxy and return it to the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or by hand to Computershare’s Proxy Department located on the 8th Floor of 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered Shareholders must follow the instructions of the voice response system and refer to the Form of Proxy for the toll free number, the holder’s account number and the proxy access number; or

- (c) log onto Computershare's website at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the Form of Proxy for the holder's account number and the proxy access number.

Registered Shareholders must ensure the proxy is received by Computershare at least 48 hours (excluding Saturdays, Sundays, and statutory holidays) before the Meeting or any adjournment thereof, unless otherwise provided in the instructions accompanying the proxy.

Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Shares in their own name. Beneficial Shareholders should note that only proxies deposited by Shareholders, whose names appear on the records of the Company as the registered holders of Shares, or as set out in the following disclosure, on the Record Date (as hereafter defined), can be recognized and acted upon at the Meeting.

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners – those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” or “**Objecting Beneficial Owners**”) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” or “**Non-Objecting Beneficial Owners**”).

The Company, under NI 54-101, is availing itself to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a Voting Instruction Form (“**VIF**”) from Computershare. The VIF is to be completed and returned to Computershare's Proxy Department located on the 8th Floor of 100 University Avenue, Toronto, Ontario, M5J 2Y1 in the envelope provided or by facsimile, or a NOBO has the option to submit their proxy vote either by telephone or via the internet in the manner described on the VIF. Computershare shall tabulate the results of the voting on the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Shares represented by those VIFs.

These securityholder materials are sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address, and information about your holdings of securities of the Company, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your VIF.

Beneficial Shareholders, who are OBOs, should follow the instructions of their intermediary carefully to ensure that their Shares are voted at the Meeting.

The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the Registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a VIF in lieu of the Form of Proxy provided by the Company. The VIF will name the same persons as the proxy to represent the Beneficial Shareholder at the Meeting, and that person may be the Beneficial Shareholder themselves. A Beneficial Shareholder has the right to appoint a person (who need not be a Shareholder of the Company) other than the persons designated in the VIF, to represent the Beneficial Shareholder at the Meeting. To exercise this right, the Beneficial Shareholder should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Beneficial Shareholder receiving a VIF from Broadridge cannot use it to vote Shares directly at the Meeting – the VIF must be returned to Broadridge, as the case may be, well in advance of the Meeting in order to have the Shares voted. Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the Registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, Beneficial Shareholders may request in writing that their broker send to them a legal proxy which would enable them to attend at the Meeting and vote their Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare's Proxy Department located on the 8th Floor of 100 University Avenue, Toronto, Ontario, M5J 2Y1 or at the address of the registered office of the Company at Suite 800 – 543 Granville Street, Vancouver, British Columbia, V6C 1X8, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law. In addition, a proxy may be revoked by the Registered Shareholder personally by attending the Meeting and voting the Registered Shareholder's Shares. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors of the Company (the “**Board**”) has fixed May 17, 2022 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Shares voted at the Meeting.

The audited financial statements and the report of the auditors, together with the management's discussion and analysis, will be accessible on the Company's profile on the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) at www.sedar.com on May 31, 2022.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

The Compensation Discussion and Analysis section explains the compensation program for the fiscal year ended January 31, 2021, and January 31, 2022 for the Company's Named Executive Officers (as defined herein).

COMPENSATION DISCUSSION AND ANALYSIS

Director and Named Executive Officer Compensation

Named Executive Officers

Set out below are particulars of compensation paid to the following persons (the “**Named Executive Officers**” or “**NEOs**”):

- (a) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as chief executive officer, including an individual performing functions similar to a chief executive officer (“**CEO**”);

- (b) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as chief financial officer, including an individual performing functions similar to a chief financial officer (“**CFO**”);
- (c) in respect of the Company and its subsidiaries, the most highly compensated executive officer (other than the CEO and CFO) at the end of the most recently completed financial year whose total compensation was more than \$150,000, as determined in accordance with applicable securities rules, for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was not an executive officer of the Company, and not acting in a similar capacity, at the end of that financial year.

During the financial year ended January 31, 2021, the Company had two Named Executive Officers, John Burba, the Company’s Chairman, President and CEO, and Logan B. Anderson, the Company’s CFO, and Secretary. On May 12, 2021, Tony Colletti was appointed as a director of the Company and later assumed the role of Interim President of the Company on March 3, 2022. As of the financial year ended January 31, 2022, the Company had two Named Executive Officers, John Burba, the Company’s Chairman, President and CEO, and Logan B. Anderson, the Company’s CFO.

During the most recently completed financial year, Mr. Burba was paid \$262,556 and Mr. Anderson was paid \$192,000. Other than as contained herein, no other individuals in the Company received total compensation in excess of \$150,000 during the most recently completed financial year.

Significant Elements

The significant elements of compensation awarded to the Named Executive Officers are management fees, stock options and restricted share units (“**RSUs**”). The Company does not presently have a long-term incentive plan for its Named Executive Officers, other than the Stock Option Plan (as defined herein) and the RSU Plan (as defined herein). There is no policy or target regarding allocation between cash and non-cash elements of the Company’s compensation program. On March 9, 2022, the Board established a Corporate Governance, Nominating, and Compensation Committee (the “**CGNCC**”) which is solely responsible for determining compensation to be paid to the Company’s NEOs. In addition, the CGNCC reviews annually the total compensation package of each of the Company’s NEOs on an individual basis.

Management Fees

In setting compensation rates for Named Executive Officers, the Company compares the amounts paid to them with the amounts paid to executives in comparable positions at other comparable corporations. The Company’s compensation payable to the Named Executive Officers is based upon, among other things, the responsibility, skills, and experience required to carry out the functions of each position held by each Named Executive Officer and varies with the amount of time spent by each Named Executive Officer in carrying out his or her functions on behalf of the Company.

Option-Based Awards

The Company’s rolling 10% stock option plan dated August 17, 2017, as amended on April 19, 2021, (the “**Stock Option Plan**”) is intended to emphasize management’s commitment to the growth of the Company.

Restricted Share Unit-Based Awards

The Company’s restricted share unit plan dated November 25, 2020 (the “**RSU Plan**”) is intended to emphasize management’s commitment to the growth of the Company.

TO THE KNOWLEDGE OF THE BOARD, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE COMMON SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

NUMBER OF DIRECTORS

The authority to determine the number of directors of the Company rests with the Shareholders. The Company's Articles stipulate that the Board shall consist of the greater of three directors and the number of directors most recently set by ordinary resolution of the Shareholders.

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at five (5). The number of directors will be approved if the affirmative vote of the majority of Shares present or represented by proxy at the Meeting and entitled to vote are voted in favor to set the number of directors of the Company at five (5).

The Board recommends that Shareholders vote FOR this resolution to fix the number of directors at five (5) members. Unless authority to do so is withheld, the persons named in the enclosed form of proxy intend to vote FOR the resolution to fix the Board of Directors size at five (5) members.

ELECTION OF DIRECTORS

The term of office of each of the current directors will end at the conclusion of the Meeting. CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of the Shareholders and contribute to effective and efficient decision making.

National Policy 58-201 - *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations. National Instrument 58-101 - *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices in Form 58-101F2 – *Corporate Governance Disclosure*, which disclosure is set out below.

1. Board of Directors

Responsibility of the Board: The business and affairs of the Company are managed by or under the supervision of the Board in accordance with applicable legislation, regulatory requirements, and policies of the Canadian Securities Exchange (the “CSE”). The Board’s responsibility is to provide direction and oversight. The Board approves the strategic direction of the Company and oversees the performance of the Company’s business and senior management. The Company’s senior management is responsible for presenting strategic plans to the Board for review and approval and for implementing the Company’s strategic direction.

In performing their duties, the primary responsibility of the directors is to exercise their business judgement in what they reasonably believe to be in the best interests of the Company. In discharging that obligation, directors rely on the honesty and integrity of the Company’s senior management and outside advisors and auditors.

In fulfilling its statutory mandate and discharging its duty of stewardship of the Company, the Board is required to supervise management of the Company and to act in accordance with:

- (a) the *Business Corporations Act* (British Columbia);
- (b) the Company's articles of incorporation;
- (c) the charters of the Board and the Board committees; and
- (d) other applicable laws and Company policies.

The Board is actively involved in the Company's strategic planning process. The Board discusses and reviews all materials relating to the strategic plan with management. The Board is responsible for reviewing and approving the strategic plan. At least one Board meeting each year is devoted to discussing and considering the strategic plan, which takes into account the risks and opportunities of the business. Management must seek the Board's approval for any transaction that would have a significant impact on the strategic plan.

The Board periodically reviews the Company's business and implementation of appropriate systems to manage any associated risks, communications with investors and the financial community and the integrity of the Company's internal control and management information systems. The Board also monitors the Company's compliance with its timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board periodically discusses the systems of internal control with the Company's external auditors.

The Board is responsible for choosing the President and CEO and appointing senior management and for monitoring their performance and developing descriptions of the positions for the Board, including the limits on management's responsibilities and the corporate objectives to be met by the management.

The Board approves all the Company's major communications, including annual and quarterly reports, financing documents and press releases. The Company communicates with its stakeholders through a number of channels including its website. The Board approved the Company's communication policy that covers the accurate and

timely communication of all important information. It is reviewed annually. This policy includes procedures for communicating with analysts by conference calls.

The Board, through its audit committee (the “**Audit Committee**”), examines the effectiveness of the Company's internal control processes and management information systems. The Board consults with the external auditors and management of the Company to ensure the integrity of these systems. The external auditors submits a report to the Audit Committee each year on the quality of the Company's internal control processes and management information systems.

Size of the Board: The Board currently consists of five (5) members and the Board is recommending that the Shareholders fix the number of directors to be elected at the Meeting at five 5. The Board is also recommending the five (5) nominees set out in this Circular for election by the Shareholder as directors of the Company at the Meeting.

Composition of the Board: Of the Company’s proposed slate of five (5) directors, three (3) would be considered independent. The definition of independence used by the Board is that used by the “**CSE**”. A director is independent if he has no “**material relationship**” with the Company. A “**material relationship**” is a relationship which could, in view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgement. Certain types of relationships are by their nature considered to be material relationships.

The Board has determined that Ms. Echaveste, Mr. Morgan, and Mr. Webster are independent directors. Mr. Burba is not considered independent because he is the Chief Executive Officer (“**CEO**”) of the Company. Mr. Colletti is also not considered independent as a result of his role as Interim President of the Company.

The Board is responsible for determining whether or not each director is an independent director. The President, CEO, CFO and Secretary and any other officer are not considered independent. None of the other directors work in the day-to-day operations of the Company, are party to any material contracts with the Company, or receive any fees from the Company except as disclosed in this Circular.

3. Selection of Directors, Director Term Limits and Gender Diversity

In late 2014, the securities regulators of Canada (other than Alberta and British Columbia) adopted an amendment to 58-101 requiring companies to include disclosure in their management information circular or annual information forms, as applicable, in respect of director term limits and requiring new disclosure regarding the representation of women on boards and in executive office positions. Mr. Maria Echaveste, accepted an invitation to join the Board and was appointed to the Board effective March 3, 2022. At present, none of the Company’s three (3) NEOs are women. The Company currently does not have written policies in respect of the selection of individuals as nominees for election as directors, director term limits and gender diversity.

The CGNCC is responsible for identifying and recommending to the Board potential candidates to become directors of the Company. While there are no specific written criteria for Board membership, the Company does

seek to attract and retain directors with an understanding of the Company's business and a particular knowledge which would assist in guiding management of the Company. The CGNCC also considers the composition of the Board at the time of such review with a view to ensuring that the backgrounds, experiences, and knowledge-base of the members of the Board are diverse and complementary. The Board, taking into consideration the CGNCC's recommendations, is responsible for selecting the nominees for election to the Board, for recommending individuals for appointment as directors to fill vacancies, and determining whether a nominee or appointee is independent.

The Company does not impose term limits on its directors, believing that this arbitrary mechanism for removing directors can result in valuable, experienced directors being forced to leave the Board. The Company believes that the best means to achieving Board renewal is for it to happen organically, and in tandem with the nomination process managed by the CGNCC that takes into consideration a number of factors including identifying and selecting individuals who possess the skills, competencies, knowledge and have the business acumen, time available and independence to effectively discharge their responsibilities and best serve the Company.

The Company does not support the adoption of quotas or targets regarding gender representation on the Board or NEO positions. All Board appointments are made on merit, in the context of the skills, experience, independence, knowledge and other qualities which the Board as a whole requires to be effective, with due regard for the benefits of diversity, including the level of representation of women to the Board.

With respect to the appointment of NEOs, the Company recruits and promotes on the basis of an individual's competence, qualification, experience, and performance, regardless of gender, age, or other aspects of diversity.

Election of Directors: the Board has adopted a majority voting policy, pursuant to which each director should be elected by vote of a majority of the Common Shares represented in person or proxy at any meeting for the election of directors. If any nominee for election as director receives, from the Common Shares voted at the meeting in person or by proxy, a greater number of votes "withheld" than votes "for" his or her election, the director will be expected to tender his or her resignation to the Chairman of the Board following the meeting, to take effect upon acceptance by the Board. The CGNCC will expeditiously consider the director's offer to resign and make a recommendation to the Board whether to accept such offer. Within 90 days of the meeting of the Shareholders, the Board will make a final decision concerning the acceptance of the director's resignation. The process applies only in circumstances involving an "uncontested" election of directors – where the number of director nominees does not exceed the number of directors to be elected and where no proxy materials are circulated in support of one or more nominees who are not part of the slate supported by the Board for election at the Meeting. Subject to any corporate law restrictions, where the Board accepts the offer of resignation of a director and that director resigns, the Board may exercise its discretion with respect to the resulting vacancy and may, without limitation, leave the resultant vacancy unfilled until the next annual meeting of the Shareholders, fill the vacancy through the appointment of a new director whom the Board considers to merit the confidence of the Shareholders, or call a special meeting of the Shareholders to elect a new nominee to fill the vacant position.

4. Board Committees

The Board has established three committees of the Board: the Audit Committee; the CGNCC, and the Social Responsibility and Sustainability Committee.

Audit Committee: The Audit Committee is currently comprised of 4 directors: William Webster, Maria Echaveste, Foy Wyman Morgan, and Tony Colletti. For more information relating to the charter, oversight and expertise of the Audit Committee please refer to the Section below entitled "Audit Committee" as well as the Audit Committee Charter which is attached to this Circular as Schedule "A".

Corporate Governance, Nominating and Compensation Committee: The CGNCC is currently comprised of: Foy Wyman Morgan, William Webster, and Tony Colletti. The purpose of the committee includes but is not limited to: (1) assist in the development and implementation of appropriate corporate governance principles and

practices, (2) provide the Board with recommendations as to nominees of the Board, and (3) to set standard practices and review independently compensation provided to each NEO.

Social Responsibility and Sustainability Committee: The Board has recently appointed Maria Echaveste to establish and Chair a Social Responsibility and Sustainability Committee for the Company.

In addition to these standing committees, the Company has established a special committee comprised of Tony Colletti and William Webster to provide preliminary analysis and response to any acquisition, merger, or other business combination proposed that may be presented to the Company.

5. Position Descriptions

The Board has developed written position descriptions and corporate objectives for the Chairman of the Board, the President, CEO, and CFO, in order to delineate their respective roles and responsibilities. The Board has not to date developed formal position descriptions of the Chair of each of the committees of the Board.

6. Orientation and Continuing Education

While the Company currently has no formal program to orient new directors to the role of the Board, its committees and its directors and the nature and operation of the Company's business, it has been the Company's practice for new directors to be thoroughly briefed by management of the Company and to be provided the opportunity to discuss with management, both formally and informally, the Company's activities. New directors are provided with copies of relevant policies and similar materials to ensure that they are familiarized with the Company and its business as well as the procedures of the Board.

The CGNCC has responsibility for overseeing development of any orientation programs for new directors. Although the Company does not have a formal program for the continuing education of directors, the Board ensures that its directors maintain the skills and knowledge necessary to meet their obligations as directors of the Company by scheduling presentations to the Board from time to time to educate directors and keep them informed of developments within the Company and of disclosure and governance requirements and standards.

7. Disclosure Policy

The Board has adopted a written disclosure policy (the "**Disclosure Policy**") to provide a framework for the Company's approach to disclosure. The Disclosure Policy is reviewed periodically by the CGNCC and the Board. The policy extends to all employees, consultants, officers, the Board, and those authorized to speak on the Company's behalf. The Disclosure Policy addresses disclosures in documents filed with the securities regulators and written statements made in the Company's annual and interim reports, press releases, letters to shareholders, presentations by senior management and information contained on the Company's website and other electronic communications. It also extends to oral statements made in meeting and telephone conversations with members of the investment community, interviews with the media, as well as speeches and conference calls and dealings with the public generally.

Annual reports to shareholders, AIFs, information circulars prepared in connection with meetings of the Shareholders, registration statements, and securities filings must be submitted to the Board for review prior to the planned publication or filing date.

In addition, financial results contained in disclosure documents will require the prior approval of the Audit Committee

All press releases require the prior approval of the Board.

8. Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid, and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the Shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

9. Compensation

The CGNCC is responsible for, among other things, periodically reviewing and recommending for approval by the Board the appropriate levels of compensation for directors and senior management of the Company. In addition, the committee reviews the disclosure in the Company's continuous disclosure documents relating to executive compensation prior that information being disseminated.

10. Assessments

The responsibilities of the CGNCC include assessing, on a period basis, the contributions of the Board as a whole and each of the committees of the Board and each of the individual directors, in order to determine their effectiveness and contribution to the Company. The assessment process includes the completion of evaluation questionnaires by each member of the Board and committees and discussion of responses thereto.

Recipients

- 2.1 Only Eligible Persons are eligible to participate in this Plan and receive one or more Restricted Share Units. Restricted Share Units that may be granted hereunder to a particular Eligible Person in a calendar year will (subject to any applicable terms and conditions) represent a right to a bonus or similar award to be received for services rendered by such Eligible Person to the Company or a Related Entity, as the case may be, in the Company’s or the Related Entity’s fiscal year ending in, or coincident with, such calendar year, as determined by the Board in its discretion.

Grant

- 2.2 The Board may, in its discretion, at any time, and from time to time, grant Restricted Share Units to Eligible Persons as it determines is appropriate, subject to the limitations set out in this Plan. In making such grants the Board may, in its sole discretion but subject to §2.4(b)(ii), in addition to Performance Conditions set out below, impose such conditions on the vesting of the Awards as it sees fit, including imposing a vesting period on grants of Restricted Share Units.

Performance Conditions

The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any Performance Conditions and may exercise its discretion to reduce the amounts payable under any Award subject to Performance Conditions. The Board may determine that an Award shall vest in whole or in part upon achievement of any one performance condition or that two or more Performance Conditions must be achieved prior to the vesting of an Award. Performance Conditions may differ for Awards granted to any one Grantee or to different Grantees.

Vesting

- 2.4 Except as provided in this Plan, Restricted Share Units issued under this Plan will vest on the date (the “**Vesting Date**”) that is the later of:
- (a) the Trigger Date; and
 - (b) the date upon which the relevant Performance Condition or other vesting condition set out in the Award has been satisfied, provided that:
 - (i) Restricted Share Units shall only vest on the Trigger Date to the extent that the Performance Conditions or other vesting conditions set out in an Award have been satisfied on or before the Trigger Date;
 - (ii) if the date in §2.4(a) or §2.4(b) occurs during a Restricted Period, the Vesting Date shall be extended to a date which is the earlier of: (i) one business day following the end of such Restricted Period; and (ii) the Expiry Date; and

Amendment of Trigger Date

- 2.6 The Board of Directors may, at any time after a grant of a Restricted Share Unit, accelerate the Trigger Date of such Restricted Share Unit.

Account

- 2.7 Restricted Share Units issued pursuant to this Plan (including fractional Restricted Share Units, computed to three digits) will be credited to a notional account maintained for each Recipient by the Company for the purposes of facilitating the determination of amounts that may become payable hereunder. A written confirmation of the balance in each Recipient’s account will be sent by the Company to the Recipient upon request of the Recipient.

Dividend Equivalents

- 2.8 On any date on which a cash dividend is paid on Shares, a Recipient's account will be credited with the number and type of Restricted Share Units (including fractional Restricted Share Units, computed to three digits) calculated by:
- (a) multiplying the amount of the dividend per Share by the aggregate number of Restricted Share Units that were credited to the Eligible Person's account as of the record date for payment of the dividend; and
 - (b) dividing the amount obtained in §2.8(a) by the Fair Market Value on the date on which the dividend is paid.

Adjustments and Reorganizations

Payment of Restricted Share Units

- 3.1 Subject to the terms of this Plan and, in particular, §3.7 of this Plan, the Company, in its discretion and as may be determined by the Board of Directors, will pay out vested Restricted Share Units issued under this Plan and credited to the account of a Recipient by paying or issuing (net of any Applicable Withholding Tax) to such Recipient, on or subsequent to the Trigger Date but no later than the Expiry Date of such Vested Restricted Share Unit, an Award Payout of either:
- (a) subject to receipt of the Required Approvals, one Share for such whole vested Restricted Share Unit. Fractional Shares shall not be issued and where a Recipient would be entitled to receive a fractional Share in respect of any fractional vested Restricted Share Unit, the Company shall pay to such Recipient, in lieu of such fractional Share, cash equal to the Vesting Date Value as at the Trigger Date of such fractional Share. Each Share issued by the Company pursuant to this Plan shall be issued as fully paid and nonassessable; or
 - (b) a cash amount equal to the Vesting Date Value as at the Trigger Date of such vested Restricted Share Unit.

Limitation on Issuance of Shares to Related Persons

- 3.2 Notwithstanding anything in this Plan, the Company shall not issue Shares under this Plan to any Eligible Person who is a Related Person of the Company where such issuance would result in:

- (a) the total number of Shares issuable at any time under this Plan to Related Persons exceeding 10% of the total number of issued and outstanding equity securities of the Company on a non-diluted basis; and
- (b) the total number of Shares that may be issued to Related Persons during any one year period under this Plan exceeding 10% of the total number of issued and outstanding equity securities of the Company on a non-diluted basis.

Where the Company is precluded by this §3.2 from issuing Shares to a Related Person of the Company, the Company will pay to the relevant Related Person a cash Award Payout in an amount equal to the Vesting Date Value as at the Trigger Date of the Restricted Share Unit.

Experts and Advisors

- 3.3 The Board may engage such experts (“**Experts**”) and advisors as it considers appropriate, including compensation or human resources experts or advisors, to provide advice and assistance in determining the amounts to be paid under this Plan and other amounts and values to be determined hereunder or in respect of this Plan including, without limitation, those related to a particular Fair Market Value.

Cancellation on Termination for Cause, Retirement or Voluntary Resignation

- 3.4 Unless the Board at any time otherwise determines, all unvested Restricted Share Units held by any Recipient and all rights in respect thereof will be automatically cancelled, without further act or formality and without compensation, immediately in the event of a Termination arising from the termination of employment or removal from service by the Company or a Related Entity for cause, Retirement of the Recipient, or the voluntary resignation by the Recipient. In situations where the Board exercises its discretion under this §3.4, in no case shall the Restricted Share Units, subject to such discretion, be valid beyond one year from the date of Termination.

Total Disability, Death, and Termination without Cause

- 3.5 Unless the Board at any time otherwise determines, if a Recipient ceases to be an Eligible Person for any of the following reasons, unvested Restricted Share Units will immediately vest on the date the Recipient ceases to be an Eligible Person:

 - (b) the Termination of employment or removal from service by the Company or a Related Entity without cause; or
 - (c) the Termination of employment by the Recipient other than by way of Retirement of the Recipient or voluntary resignation by the Recipient.

In situations where the Board exercises its discretion under this §3.5, in no case shall the Restricted Share Units, subject to such discretion, be valid beyond one year from the date of Termination.

Change of Control

- 3.6 In the event of a Change of Control, all Restricted Share Units credited to an account of a Recipient that have not otherwise previously been cancelled pursuant to the terms of the Plan shall vest on the date on which the Change of Control occurs (the “**Change of Control Date**”). Within thirty (30) days after the Change of Control Date, but in no event later than the Expiry Date, the Participant

shall receive a cash payment equal in amount to: (a) the number of Restricted Share Units that vested on the Change of Control Date; multiplied by (b) the Fair Market Value on the Change of Control Date, net of any withholding taxes and other source deductions required by law to be withheld by the Company.

Tax Matters and Applicable Withholding Tax

- 3.7 The Company does not assume any responsibility for or in respect of the tax consequences of the receipt by Recipients of Restricted Share Units, or payments received by Recipients pursuant to this Plan. The Company or relevant Related Entity, as applicable, is authorized to deduct such taxes and other amounts as it may be required or permitted by law to withhold (“**Applicable Withholding Tax**”), in such manner (including, without limitation, by selling Shares otherwise issuable to Recipients, on such terms as the Company determines) as it determines so as to ensure that it will be able to comply with the applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or other required deductions, or the remittance of tax or other obligations. The Company or relevant Related Entity, as applicable, may require Recipients, as a condition of receiving amounts to be paid to them under this Plan, to deliver undertakings to, or indemnities in favour of, the Company or Related Entity, as applicable, respecting the payment by such Recipients of applicable income or other taxes.

Plan Termination

- 4.7 The Board may terminate this Plan at any time, but no termination will, without the consent of the Recipient or unless required by law, adversely affect the rights of a Recipient with respect to Restricted Share Units to which the Recipient is then entitled under this Plan.
