NEWS RELEASE

BLOCKStrain Technology Mails Proxy Materials for Shareholders Meeting

Vancouver, Canada - November 23, 2018 - BLOCKSTRAIN TECHNOLOGY CORP. (TSXV: DNAX) (“**BLOCKStrain**” or the “**Company**”) confirms that the Notice of Meeting and Information Circular of the Company dated November 19, 2018 and the related form of proxy (collectively, the “**Meeting Materials**”) have been mailed to shareholders of record as at November 13, 2018. BLOCKStrain confirms that the Meeting Materials can be accessed online under the Company’s profile on SEDAR (www.sedar.com) or you can request copies from the Company by email to swapan@blockstrain.io.

The Meeting Materials are being distributed in connection with the annual general and special meeting of the shareholders of BLOCKStrain to approve the: (i) fixing of the directors at five; (ii) appointment of directors; (iii) appointment of auditors and fixing the remuneration to be paid to the auditors for the fiscal year ending April 30, 2019 and (iv) adoption of the Company’s stock option plan. This meeting has been set for 12:00 p.m. (PST) on December 19, 2018 at the offices of Clark Wilson LLP located at Suite 900 – 885 West Georgia Street, Vancouver, British Columbia.

In the event of a postal disruption as a result of a Canada Post labour disruption or other cause, please access the Meeting Materials as noted above and see the sections entitled “Proxies and Voting Rights” (pages 1 to 3) and “Advice to Beneficial Owners” (pages 3 to 4) in the Company’s Information Circular dated November 19, 2018 (the “**Circular**”) for information on how to obtain and submit a form of proxy or voting information form, as applicable. BLOCKStrain shareholders are encouraged to vote using the internet, telephone or fax numbers provided in the Circular to ensure their vote is received prior to the voting cut off on December 17, 2018 at 12:00 p.m. (PST).

For further information, please contact Swapan Kakumanu at swapan@blockstrain.io.

On behalf of the board of directors of BLOCKStrain Technology Corp.
